8:00 a.m. Call to order by Area 92 Chair, Debbie T. It was followed by a moment of silence and the serenity prayer, reading of the 12 Traditions and 12 Concepts in both English and Spanish. District 6 made a motion to accept the minutes of the July Quarterly and it was seconded by District 7. Debbie asked for approval to record proceedings. The motion for approval was made by District 6 and seconded by District 4. Debbie introduced appointed chairs and asked for a group affirmation; it was unanimous. All appointed committee chairs were affirmed by the body. Debbie reviewed p. 10 for hosting an assembly, specifically the Sunday morning speaker at an election assembly. "When the PRT is in attendance, they shall be invited to be the speaker." Debbie asked for a consensus to add this text, it was unanimous and this text will be added to the Hosting an Assembly handout. Debbie explained the purpose of the Quarterly and specific processes including an overview of motion process. Debbie introduced Scott and Delores, past Delegates. Debbie reminded everyone to keep cell phones on silent and to hold down talk at the tables because the room echoes. Rad, past Delegate arrived and Debbie introduced him too. Debbie did get a list of names of members planning to attend PRASSA this year and asked for contact information. Also, a member asked the question, "What is PRASSA?" and Debbie answered the question with a very good explanation.

TRUSTED SERVANT REPORTS**Delegate Allen D.-**

Allen said his position has been incredible so far. Allen said he is humbled to the Panel 68 Delegate for Area 92. Allen briefly shared part of his story. Allen shared how he received many emails from the Dashboard and did not understand a message in French from a Delegate in Quebec. Allen said that he caught the flu and lost some time but is getting caught up, understanding more of the information. He also discussed developing a new filing system so that he can stay organized. Allen said that due to his work schedule he will not be available to attend PRAASA in Sparks, NV this March but will send the Alt. Delegate, Gary P in his place. Allen said that he reached out for help with a presentation on technology and traditions; shortly thereafter his email was full with information on this topic. Allen asked for a show of hands how many Area 92 members were planning on attending PRAASA this year. Debbie began writing down the names so that some of us may be contacted. Allen discussed DCM Agenda Review topics. We will continue using the system where Districts are assigned an Agenda Review item. Allen apologized for missing the Newsletter deadline to submit his report. He also discussed the duties of the Delegate, Service Manual and Area 92 Handbook, reading from the former. Allen said he will depend on his Alt Delegate to help with some of the agenda review and other assorted duties. Allen said that he is assigned to the Grapevine Committee at the GSC and on Archives subcommittee. Allen asked if the body was getting bored because he did speak a very long time. Allen said that he remembers what it was like sitting in the audience with a long-winded speaker.

Alternate Delegate-Gary P

Gary shared about his early sobriety in Montclair, NJ including the vast number of meetings and falling in love with service. Gary shared on the duties of the Alt Delegate, reading from the area

Diana said she is getting to know her service sponsor better and that she will be attending PRAASA.

CPC-Rex H

Greetings Area 92, I'm humbled to serve you in this position and look forward to an exciting 2 years. First off, some business....I need host districts for the Sept. And Dec standing committee workshops. Please see me at the break if interested. One of my goals this rotation is to revive the "CPC luncheon" in Spokane and I've already made contact with several new Spokane area chairs to get that going. It would be great to get some of these going all over our area. I'm also working on gathering CPC contacts for the districts.

My contact email is cpcchairarea92@gmail.com 509-592-0388 Thanks, YIS, Rex

Corrections-Ben Ben said he got busy in December, making contact with all 5 prisons in our Area. He also made contact with volunteer coordinators and the GSO Corrections Chair.

Greetings and Happy New Years to all! Being appointed to Corrections Chair is now just starting to sink in! As suggested by our Chair, Debbie T., I got busy right off the bat.

I have made contact with the volunteer coordinator for each prison within Area 92: Washington State Penitentiary - Walla Walla, Coyote Ridge Correctional Center - Connell, Airway Heights Correctional Center, North Idaho Correctional Institution - Cottonwood, and Idaho Correctional Institution - Orofino. I was enthusiastically welcomed. A testament to the relationship established by those before me.

I recently enjoyed a pleasant and informative conversation with Diana L., the Corrections contact at GSO and exchanged contact information.

I began the application process for clearance to enter these facilities as soon as I was appointed. One goal is to visit each of these institutions and our local AA coordinators, as much as practical, to maintain and improve AA's effort in this work. Errin B. eagerly agreed to continue as Area 92 Bridge. Errin was appointed half way through the last rotation. We are fortunate to have Mac M. as Co-Chair of this committee. We will be reaching out to Districts Corrections Chairs, and anyone wishing to actively participate in the committee

process of Area 92 Corrections. I am excited to report we have five passionate committee members thus far.

Carrying the message “behind the walls” became a passion of mine a couple of years back in service work at Kootenai County Jail in Coeur d’Alene. I have seen the need for this vital work first hand and enthusiastically embrace this new challenge.....thank you for your trust and this opportunity. Always grateful to serve, Ben Nelson

Ben has a co-chair, Mack from D 10.

Grapevine and Literature- Gary said he is from D5 in Wenatchee and thanked the selection committee for choosing him for Literature Chair. Gary also thanked Debbie H, the outgoing Literature Chair for having everything organized in totes. Gary reports starting with \$1,500 in inventory, purchased \$776.20 for restock this weekend. He said he will be purchasing pamphlets and have them available at the Pre-Conference Assembly in Libby, MT. Gary said he is willing to deliver literature to anyone on his motorcycle. He also said that in order to hold down expenses he will be driving his RV to area assemblies, quarterlies and workshops.

Newsletter-Rainey

Rainey reports that the learning the Publisher program is fun and that she learned a lot from Sharon, the outgoing Newsletter Editor. Rainey said that April B is helping as is Justine as part of the Newsletter Committee. Rainey said that she still needs District addresses for D9, D11, and D20 and the 4 Spanish Districts. Rainey plans to highlight districts in the Newsletter and distributed questions for the participating Districts to answer. Rainey said she was inspired by District 8 Newsletter and suggested that everyone read it.

Public Information (PI)-Elizabeth.

Greetings Area 92! I would like to say thank you to the committee for selecting me to be the Area 92 PI chair for the next two years. I am humbled and honored to serve the Area in this capacity. I am excited to learn all I can about PI and do the best job I possibly can.

I plan on utilizing Jean P., past PI Chair and Past Delegate, Scott R. as PI resources and sounding boards.

I look forward to meeting with all the District PI Chairs and working on the task of disseminating information to the public as to just what AA is and what it can do for all who suffer from alcoholism.

One of the goals I have for this rotation is to contact area high school and college officials in the hopes of either getting information into these institutions, giving presentations or both. I feel that the earlier people are given the correct information about AA, the better the chance we have of being helpful later on. Thank you again for giving me this opportunity to serve

Secretary- David R

Hello, my name is David and I'm an alcoholic, your Area 92 Secretary. I want to thank Debbie and the Selection Committee for appointing me to do this job; I am very excited about being a small part of this new rotation, Panel 68.

I am also very grateful that our granddaughter made the trip with us. I'm hoping that she will hear, see and experience our way of life and stick around, join us.

I have distributed copies of the Agenda and the July 2017 Quarterly minutes. I also distributed copies of the Agenda. I have been working closely with Debbie in updating the Area 92 Directory. I am in still in need of contact information for D9 and D18 as well as the Hispanic Districts. Please see if you have this information.

Please be sure to hand in all reports to me, or better yet, please email all reports to me. If you send reports to me via email it makes it much quicker to type up the minutes, which I hope to have completed and sent out within the next few weeks.

I am busy updating the Directory and I have DCM contact information forms. Please pick one up to update your District DCM and Alt DCM contact information (i.e., DCM name, address, telephone number and e-mail address.

In an effort to reduce printing cost we have area 92 Handbook Handbooks without the historical Area 72 pages. The updated Handbook is available for \$6, or if you wish to have the Handbook with the Area 72 historical sections, it will be available at a cost of \$9. I have the \$6 version with me and ready to go; the \$9 version will be available soon. Also, I can email the PDF Handbook complete at no cost. If you wish to receive the PDF handbook please email your request for handbook to: area92secretary@gmail.com.

Thank you for allowing me to be of service! YIS, David

Translation-Lisa G.

Hello Area 92, My name is Lisa, I am an alcoholic, and I will be representing Area 92 as your Translation Chair. I would like to say Thank you to you all for the appointment and affirmation of this position. I am extremely grateful and humbled to be of service. These first few weeks have been busy, we were hoping to do a trial run of the goto meeting app, in order to do simultaneous translation for everyone and enable the conversation to be free flowing, as with everything we hit a couple bumps so we will regroup and try again in April. We will be using Google Translate for all Area documents and would ask that everyone do the same so that we can maintain a level of consistency in all our translating of documents and flyers, and if anyone needs help with the process of translating, please feel free to contact the Translation Committee and we will do our best to help. I have been in contact with several of our Spanish speaking members in regards to a couple of documents translated and the feedback was very positive. I have heard a lot of talk of cooperation and participation and I believe that falls on all

of us. We have already translated the “How to host an Assembly” handbook, to give to our Hispanics Districts who are hosting the 2019 Oct Assembly. Our next challenge will be to follow through on a motion that was passed by our Area in 1998, which reads “It is moved that in order to provide Spanish speaking members of Area 92 enlightenment and education of Area 92 Procedure, the Washington State East Area 92 Handbook be translated into Spanish, published and offered for distribution to our Spanish members IMMEDIATELY and at the most reasonable cost possible.” We know this is a monumental task and as far as I know has yet to be completed and is long overdue, but believe the Translation Committee and Handbook Committee is up to the challenge and working together we will get this accomplished. If anyone has any experience or suggestions they would like to share, we invite you to join the Translation Committee. Thank you Lisa, Translation Chair

Treatment/Accessibility –Brian.

I was very surprised when Debbie called me in December and gave me the news that I had been chosen as Area 92 Treatment/Accessibility Chair. I’m very honored to serve all of you! At the December SCW Rexann handed over the torch to me and it started to sink in that this is all real.

I’ve contacted Patrick in New York, my Treatment contact at GSO and we talked for a while about past motions. I also spoke with past Area 92 Treatment Chairs and asked for advice.

I secured an Alternate Chair, Gordy Q. and also a Bridging the Gap Chair, Amy W. I have already talked to some DCMs about Treatment Committees in their District and contact information; more will follow. YIS, Brian S

Registrar-Gary P

Gary P presented on the Primary Purpose of all AA Service. It was a PowerPoint with the first slide showing the picture of the “Man on the Bed.” The presentation discussed the evolution of carrying the message, from showing up at hospital asking to speak with drunks to the digital age. Gary presented an overview of the Fellowship New Vision (FNV) data base. Gary explained that his job is to get the information updated; it is all the same. For example, a homegroup is registered with the District, Area and finally GSO.

Web Team-Diana M.

The web team has been meeting both in person and by conference calls as well as last night. I want to express my sincere thanks to all the members as their expertise is invaluable. They have been available to me and to all my questions.

We have discussed several ideas of how to do a meeting schedule to be part of the website. We understand that the biggest complaint shared previously was the incorrect meeting information on the website. The way information is processed now is the DCM or district designated person is responsible for contacting the webmaster to get the meeting information

amended by either adding or deleting a meeting or making other changes such as date, time or location. That process will remain the same except the DCM will now be responsible for the input of information into a new spreadsheet, which you will be receiving access to from the area registrar soon.

The spreadsheet information will then be uploaded to the new website. I'm not going into how that works as we have more experienced people here to explain later. The team has developed this spreadsheet and did a presentation last night during the web team meeting and will be doing another presentation today during new business.

You will hear some talk of a mobile app but keep in mind we are not at a place yet to discuss using an outside app. I will give you some information regarding it but keep in mind that is not our concern today.

Area 72 and Spokane Intergroup is now using the outside owned app called "Meeting Guide". If at some time in the future we decide to go with the app the information from our spreadsheet will be either made compatible or already is.

As I said the slide presentation was presented to the web team members last night and they felt it would be something you would be interested in seeing.

As you view the presentation today please answer a few questions. First, will you as a DCM be willing to input your district meeting information into the spreadsheet and get it back to us in a timely manner? Second, are you willing to continue to do the corrections to the spreadsheet as well as train your new DCM's to keep this ongoing? If you can answer yes to both these questions we as an area can have as current a meeting schedule as possible but only with your help. We are also in the process of moving ahead to get designs for the new website. If you want to be a part of this process please contact us. This is going to be a joint venture and we will need all of your support and incite to come up with a great functioning website. Again, I want to take all of those that have helped me in this process, I really do appreciate you all.

Finance Committee-Jan R

Jan reports that they had a great meeting. The topic of prudent reserve came up again. Jan said it is in the Handbook 4 times since 1997. They are going to get together and clarify verbiage, perhaps a motion will come along. They plan to meet by telephone and email.

Handbook Committee- David R

Lisa G took notes, we had 8 people in attendance. We reviewed the Handbook and there were several questions. We discussed the current cost of \$6 for a Handbook without the Area72 historical information and the cost of \$9 for a Handbook with the Area 72 historical information. We also discussed how you may request the digital complete Handbook by sending an e-mail to: area92secretary@gmail.com
