

GV/Literature committee presents this motion before the body today, in order to be discussed and voted upon at the October assembly. Although GV/Literature is supposed to be self-supporting, I have found that at the very least area 92 GV/Literature position should have a credit line of just \$500.00.

This will allow the chair to order at least one shipment of books without the cost of shipping charges.

Since I have been chair of panel 68 area 92, and nearing my rotation, I see the need for the incoming chair to have a fair chance at succeeding in this position without the burden of financing its own inventory.

Self support means just that, self support, however if an individual cannot support this position financially on their own, I see the need for a safety net.

Therefore if this motion makes it past the floor then we need to adjust the language in the handbook to reflect the \$500.00 credit as well as the \$500.00 being accounted for and available to the treasurer at the end of each rotation. This too makes each chair of GV/Literature accountable for the \$500.00. The motion states simply that area 92 approve and add a line of credit for \$500.00 annually to the handbook for the GV/Literature committee. This being able to be financially successful and burdened by self financing.
