JANUARY 2006

Did You Miss The Memo?

So you were planning to make yourself available for area service this rotation. You just needed to know how to go about doing so, right?

No problem! All you had to do was follow the instructions in the email that was sent on Nov. 11 (but with no mention that the deadline was Nov. 15—barely three weeks after elections at Assembly).

What? You're not on the Area 92 email list? *No problem!* All you had to do was be in the room when it was announced at Assembly, not in the restroom or on a smoke break.

What? You couldn't make it to Assembly? *No problem!* It was posted on the area website (three levels deep with no links to the page above it, <http://www.area92aa.org/areainfo/index.php>).

What? You didn't know it was on the area website? But it was announced at Assembly!

What? You don't have Internet access? *No problem!* Everyone gets the area newsletter, so you should have found out about application process and deadline there.

What? It was never submitted for publication in either the November or December issues? Well, that would have been kind of pointless since the deadline was so close anyway.

Concerned about AA conducting its business in such a hurry? In ways that appear exclusionary rather than inclusive? That let the “good” of being prompt get in the way of the “best” of letting group conscience select trusted servants?

Your concern is shared by many, including members serving in the current rotation.

WSEA 92 Handbook, page 13:

“After being elected the incoming Washington State East Area 92 Officers meet to select appointed and standing committee chairpersons for a two-year term (Archivist four year term).

These selections made from past D.C.M.s or trusted servants who have made themselves available by submitting resumes for consideration. Appointed officers will assume their position as of January 1st.

All of these selections are affirmed by the Washington State East Area 92 Committee at the first January quarterly meeting of the new committee.”

Area 92 Committee “By The Numbers”

Number of members of the '06-'07 Area 92 Committee who live within a 110-mile radius of Spokane: 11 out of 15 (73.3%)

Number of members of the '06-'07 Area 92 Committee who live within a 70-mile radius of Spokane: 8 out of 15 (53.3%)

Number of members of the '06-'07 Area 92 Committee who have never been elected D.C.M.: 4 out of 15 (26.6%)

Number of past D.C.M.s on the '06-'07 Area 92 Committee who have never been elected GSR: 1

Area Delegate

First let me say that it is an honor to serve you as the WSEA Panel 56 Delegate to the General Service Conference.

November and December are kind of a twilight time to newly elected and appointed officers in Area 92. We have been wrapping up details from our past positions while trying to prepare for the new assignment. I have been busy getting things up to date in Del-Area as part of my job as area registrar. I am turning all of that over to the capable hands of our new Alt-Delegate Woodrow W. As usual in AA I am just figuring out how to do the job when it is time to rotate.

It is still December so I don't know what committee I will be serving on at the conference. I expect I will be getting my Conference Kit in the mail any day and will find out. As soon as I know I will let everyone know. It won't be just me serving on that Conference Committee it will be Area 92.

Mike has passed on to me our Pacific Region Trustee's report from the October board meeting as AAWS Highlights. I am going over all of that material for my report at the January Quarterly.

The Conference Trustees Committees will be meeting in January to set the agenda for the 2006 General Service Conference. As you know WSEA 92 Assembly passed a motion at the October Assembly to be sent to the Conference Literature Committee's consideration.

We move that our Washington Area East Delegate, Mike M., request the A.A. Trustees Literature Committee to consider the publication of an A.A. History Book, covering the years 1955-2000, this book would begin where "A.A. Comes of Age" concludes. In order to reconsider this project, the Trustees Literature Committee will need access to earlier drafts of a proposed history book and the related correspondence now residing in the G.S.O. Archives.

Mike has sent the letter and the Trustees Literature Committee will be discussing it at the Board meeting January 28th. I will let everyone know as soon as I find out if the motion gets put on the 2006 Conference Agenda.

PRAASA is coming up the first week-end of March. PRAASA is being hosted by Area 93 this year and will take place in Woodland Hills California at the Woodland Hills Marriott Center. There is a link to the PRAASA Web Site on our area Web Site. That address is area92aa.org. Go to Area 92 Information and then the Area 92 Calendar of Events. Click on the PRAASA link and you can get a registration form. I will bring registration forms to the quarterly as well. The PRAASA program committee will be asking me for a list of AA members from area 92 who plan on attending so please let me know soon if you plan to attend PRAASA and I can let them know who you are. Each year we get more people attending PRAASA from area 92. Lets make this year the best ever.

There are a lot of regional events coming up in 2006. There will be a **Native American AA Gathering** May 20-21 at the Morongo Indian Reservation in Banning California. This gathering is a "Mini-Forum" put on by the AA General Service Office and was requested by Native American AA members in the Pacific Region. The 15 areas of the Pacific Region will host it. I will have flyers at the Jan. Quarterly.

Also remember **PNC (the Pacific Northwest Conference)** will be held June 30- July 2 in Hermiston Oregon. The Pacific Regional Forum will be held June 23 -25 at the Seattle Airport Double Tree Hotel. There is no registration fee for Regional Forums.

That is now for all. I am looking forward to seeing everyone at the January Quarterly in Spokane. It is being hosted my home district, district 2.

Yours in Service Dave

“BASICS OF OUR HOME GROUP—RECOVERY, UNITY AND SERVICE”

I know these words are easily recognized by all of us and that we understand deep down in our hearts how to practice these principals every day in all our affairs. But, how do we practice them? I often find myself stumbling along in the daily grind and forgetting just what they really mean to me and how to blend them into my daily activities, along with the needs of my family.

Let me digress for a moment and talk about the 55th General Service Conference theme this year. You guessed it! “BASICS OF OUR HOME GROUP—RECOVERY, UNITY AND SERVICE.” The Delegate chairman, in his opening statement, talked about how we need not forget the group conscience, and to listen like you have no opinion. “This is a whole lot harder than it sounds,” he said. I think that, because we all have an opinion or interpretation of how things should work, we forget about the service portion of this statement. Has your group really expressed its conscience to your General Service Representative about the issues being debated, while participating in Alcoholics Anonymous as a whole? And does your home group have a representative who can speak for the group conscience? I know that when I first came to A.A. I just wanted to stop drinking for a while until my life, my job and my family got back in order. I was tired of those late drives home, all alone and lost in some forlorn place. I remember

a time walking on the beach alone meditating (maybe contemplating) my next move, only to find myself at the bottom of a twenty foot drop into the Pacific ocean. I somehow found my way back to the top, soaked through and through, bloodied from a head wound, and having lost my glasses—with a sixty-mile drive home yet ahead of me. I made it to work the next day and found a message that my wallet had been found along the rocks, and instructions about where I could pick it up. Hell, I didn’t even know it was missing. The point I make here is not to downplay the reasons why we came to Alcoholics Anonymous, but to reinforce the reasons why we stay. I had lost all hope until I found this fellowship and finally became a member—a member in my own recovery, and a member in action with the Third Tradition which states:

“The only requirement for A.A. membership is a desire to stop drinking”

I soon learned that in order for me to stay sober there was more footwork necessary. Membership was for me more than just a subscription to the organization’s monthly magazine. It meant work for me and working with others. For you see, there was a Twelfth Step in this recovery program along with a Fifth Tradition, which soon began to govern my daily activities. Membership means more to me today than just showing up for meetings. It means involvement. It means involvement in more than just my recovery. It means more than just unity. It means service to others who have a problem similar to mine, and a dedication to a service structure that

gives every member a vote that counts. As a member, we are automatically registered in this great society of ours, and if I do no more than express my opinions at the meeting, after the meeting, or at casual gatherings, then I do a disservice to the singleness of purpose for which we stand.

I am reminded here about some of the things Chuck C. used to talk about when describing how this program works. He told the story of two guys in an invisible boat rowing along and finding a lone swimmer adrift in the water, and then offering the fellow a chance to get into the boat so that his life might be saved. The swimmer replied that they must be crazy to think they had a boat because he could not see one, and he therefore refused to climb aboard. The invisible boat is symbolic of Alcoholics Anonymous, and yes, it can be difficult to see it at the beginning. But if you look a little closer and become just a little more active, you will find a foundation of a magnitude sought by many and found by a few such as I. You may find that you have more to give to this program in the long haul.

Now that you have gotten through all this and I have your attention, let me thank you for all the support given during this and preceding years. I have truly found recovery, unity and service available if I take advantage of the next step in front of me and wish each and every one of you success in the coming year.

Yours in loving service
CPC Chair '04-05 tom S

Minutes of the Washington State East Area 92 Quarterly Wenatchee, Washington, July 15-16, 2005

Submitted by Area 92 Secretary Woodrow W.

Friday evening there were great discussions at the G.S.R. roundtable and the D.C.M. roundtable. The host committee put together a very funny skit and we had ice cream. The Finance Committee met and discussed issues that involved money.

Sharon T. opened the meeting with the Serenity Prayer. Sharon asked that the Window Shades and the Flags be returned, if they are found.

12 Traditions were read by Melinda.
12 Concepts were read by Shane.
We passed the motion to record the meeting. The January Quarterly Minutes were accepted with one addition; to include Robin O. the Alternate Chair to the listing of reports.

Delegate Mike McM.

The 56th Conference will be held April 23rd-29th in New York. In the past year GSO has hosted Regional Forums in Portland Oregon; Montreal, Quebec; and Louisville, Kentucky. Special Forums in Goose Bay, Labrador and Rouyn-Noranda, Quebec. At the conference it was time to bid for the 2008 Pacific Regional Forum I proposed a bid for Spokane in 2008 and we won the bid so Area 92 will host the Pacific Regional Forum in 2008.

We have 4 new Trustees, 2 Class A (non-alcoholic) Bill Clark MD and Ward Ewing D.D. 2 Class d (alcoholic) Chuck Barta- West Central Region, and Tom Kreamer- Western Canada. At our October Assembly we will elect our Pacific Regional Trustee as Phyllis H. our current Pacific Regional Trustee rotates. So at the October Assembly after we have elected the new slate of Area Officers, I will have the honor of conducting a 3rd Legacy election for our candidate. Per our past actions anyone wishing to be available for Trustee has to be present at the election. I encourage you to think about how much service has meant to you,

to make yourselves available for another service position, and to continue to serve A.A. and Area92 in whatever position is next. (The full G.S.C. report is attached to this report in the archives).

Alt. Delegate Dave McC.

The International in Toronto Canada was great, Rodgers Stadium was packed. We will meet in San Antonio, Texas for the International 2010. Group info packets from GSO are on your table. Disk problems have maybe been corrected. Make any needed changes and get them back to me, asap. I have two databases one is for the newsletter. Please use the download from our web site if you can. I will be working on the GSR School, the web team, Group information, and aiding the Delegate.

Chairperson Sharon T.

I had a very quiet quarter. I attended the Delegates report in Moses Lake and we talked a little about how we were doing as an Area. I spoke at the Nelson Roundup in April and one of the issues brought up was that people need to be a part of A.A. by being a Homegroup member. This is the first way a member can be of service. The second major item of this quarter was having a meeting of the area officers so that I could better understand their issues as committee members. I found this extremely helpful and would suggest this continue as some area business goes on between the four meetings. It was also a good way for other committee members to ask questions. I have news from Canada; our national newspaper has front page on A.A. and 2 full pages on the International.

Basics of our Home Group; Recovery, Unity, and Service are the topics for this years Spring Pre-Conference Assembly. The Area and the DCMs have changed report forms, we now have reports so problems, issues, and

solutions which were very successful. The report from the DCM roundtable; are now reported and again successful. It gives us; the area, a starting point on how to help and focus quarterly and standing committee meetings.

Alt. Chair Robin O.

Since the April Pre-Conference I celebrated my 4th sobriety anniversary on the 24th of April. I traveled to Hawaii for 12 days. I was so impressed with how the A.A. message has been safeguarded and looked out for by all of AA's trusted servants. The AA message is constant, steady, and identical no matter where I go.

I attended the Delegate's report May 21, 2005 and met with the Area officers, it was great. I also met with Rusty K. and the Webmaster on 7-12-05 was a great meeting. Thanks Joann for the skit.

Alt. Treasurer Dale S.

I get the donations and bank them. I also show what they were to you. I am getting old and tired before my time and I am going to start looking for a girlfriend, with money.

Treasurer Kittie P.

Donations are still going up to Sharon and down to me. Please tell your group treasurer where to send the donations-to Dale! Please send to: P.O.Box 354, Yakima, WA 98907. I celebrate my 15th AA birthday this August 6th. We took in \$5,109.08 + 1,000.00 (seed money) = \$6,109.08 total for the second quarter. Expenses \$8,397.23 we came in under -\$2,288.15, balance as of 6-30, 2005 was \$4,059.73. Donations are down, please send money.

Archives Mike B.

The first item I would like to discuss concerns the three (3) openings that will be available on the Archives Steering committee beginning January 2006. The term for these

positions is four years. The committee consists of six members along with the Area Archivist. This committee is non-funded, and as most of you knows, was newly organized in 2004 to help the Area Archivist with maintaining the Archive records and the upkeep of the Archive repository. Currently the steering committee meets at the Spring and Fall Assemblies to discuss business pertaining to Area 92 archives. It would also be helpful, but not mandatory, if the members could be available to attend the Archives Quarterlies. Anyone that is interested in serving on this committee, should send me a brief resume' prior to the October Assembly. My address is listed in the Area Directory and also each month in the Area Newsletter. September 17th is going to be a workday at the Archives repository. (Full report is attached to Archives report in the repository)

C.P.C. Tom S.

Communications when it comes to providing information on Alcoholics Anonymous to anyone new coming to A.A. or anyone referring people to A.A. there is no better written piece of than the one I have distributed to you: "Information on Alcoholics Anonymous".

I attended the Lewiston City Health Fair, Combined Quarterly in Chelan Falls and will attend the one in Yakima on Sept 17.

Mike McM. Added that we did a skit for the Correction Professionals and that we were ask to return next year. We got to answer some of their questions.

Newsletter Phil M.

Contributions of articles are down and monthly district reports are approximately 27%. Reports from Area Officers is at approximately 50%. We are receiving returned newsletters and that is costing us money, seems that we are moving and not telling the Registrar and the Newsletter of a move or change of group service representative. We would like for you to remind everyone that we do accept articles, experiences, district reports, or events.

Corrections Clint H.

Not receiving much communication from the districts or groups. Walla Walla ask for some literature and I filled their need. Attended the combined Quarterly in Chelan and had a good time. Bridge the Gap mailbox is paid through June, 2006. It is located in Cheney Washington. Thank you to District 9 for being there for to ensure that they get the message of AA. We have five new prisons in Area 92. I sent a letter to Area 12 detailing our Corrections program. I printed 50 copies of the Bridge the Gap pamphlets. I am working with District 14 to help keep their corrections participation up.

Treatment Mike B.

I attended the combined quarterly in Chelan and the turnout was poor, but we had a good time. Education-both AA members and the Treatment Facilities; as to what AA does and does not do and our singleness of purpose. Plan to attend the combined quarterly in Yakima on the 17th of September and the Assembly in October. Keep on keeping on attending and participating.

GV/L Paula T.

I'm trying to collect all monies owed and deliver all orders so by October I can have an up to date finance report. New calendars will be available at the Assembly. There are some great new things going on at the Grapevine. New Grapevines are bound instead of stapled; this is so that they can go into the prisons and jails. The GSO needs Hispanic stories for the forth Edition Big Book project, please let those who are Spanish speaking know that their stories are wanted. New book "I AM RESPONSIBLE" is now available.

Secretary Woodrow W.

I am working on updates to the Handbook and responding to committee input. We met Friday night and talked about changes so that the material is more users friendly. Please get any changes to your info (DCMs & Area Officers). Paula has a few update packets; I am trying to give only page updates rather than a com-

pletely new book. Hopefully the Handbook Committee will bring a list of suggestions for changes in October.

District Committee Member

Reports: There were 23 of 24 presented

Host Committee report Joanne W.

We are in the black we have the seed money and extra. We have a breakdown of attendance: 15 Area Officers, 1 Past Delegate, 17 DCMs, 10 Alt. DCMs, 40GSRs, 7 Alt. GSRs, 30 members. For a total of 120, wow!

Pacific Northwest Conference

Michael G. We are ready and hope that you all will come and attend. Dates are June 30-July 2, 2006 in Hermiston OR. We will be at the Hermiston Community Center. If you need information contact me at michael.2g@msn.com.

Finance Committee Kitti P. we met and discussed questions: Is there a need for a permanent P.O. Box for Area 92 donations, cost was stated as \$195.00 per year? Delegate to request increase in GSC money from \$800 to \$1,200 as requested by the GSC? Forwarding of donations to the new P.O. Box and if they will do it and for how long? Check with Robin O. about April Assembly Finance report? Does the Translation Chair need the area body to order these (receivers) or give the Chair a credit line?

G.S.R. School Dave McC. We now have a committee so that it continues to move forward. If your district will contact me we will put together a panel of five people and present it to you.

Area 92 Assemblies/Quarterlies

January 2006- no report.
April 2006- We have found the facility and everything is going ok. Mike B.
July 2006- will ask for bid later.
October 2006- We are working on location and the committee is moving along. Byron S.
April 2007- District 14 Sandpoint ID.
October 2007- We are looking at facilities in Wenatchee and the committee

is in place.

Web Team Robin O. It is up and running. We met with Mark T.; the webmaster and discussed the site how many downloads, visits per day, meeting schedules, separation of fellowship and Area 92 business, Map will be up soon, calendar to be updated to be more user friendly, and I accepted a marriage proposal. The #1 download GSR School material.

P.N.C. 2007 The P.N.C. is where we get together and talk about all of the parts of A.A., the food, dancing, and learning. We will be meeting soon to get started on selecting the location and get volunteers to help. Joanne W. Chair for P.N.C. committee.

D.C.M. Roundtable Jeri S. Alt. DCM District 3. Participation in the different locations was well received and enjoyed. Reviewed challenges mentioned at DCM Roundtable at the Spring Assembly. Need to communicate to GSRs that their Home groups need representation at both Central Office and District Business meetings. Encourage participation in service by having fun. Share accountabilities for district functions among home groups. Share positive benefits from service, such as fellowship. Encourage groups to have identified committee members for P.I., C.P.C., Treatment, Corrections, GV/L, and Archives. Having one or two groups doing everything makes service "us vs. them", the groups get tired and service support collapse. Change District format to include GSR sharing. The group discussed that being the DCM is the representative of the district groups and the difficulty in doing that without District participation. Attraction not promotion, make service fun, share experience, strength, and hope of service. Share personal growth gained from service. When members start asking "why" AA does what it does—encourage reading and discussion of "AA Comes of Age".

G.S.R. Roundtable Diane (?) Walla Walla. This has been one of the best quarterlies I have been to in a long time. Discussed concern about Court

request for proof of attendance. Sharing pointed out that some wait till the end of meeting and then sign slips. It is always up to them if they stay or go. Treatment Facilities are pushing their clients to go to AA meetings. Counselors not in the meetings and the idea that AA is group therapy; news comers sharing about drugs and stuff that has no connection to AAs alcoholism and primary purpose. We had some very good sharing on these topics.

Concepts 1-4 presentation

The panel of presenters was Jamie S. C-1, Alejandro R. C-2, Chuck K. C-3, and Joanne W. C-4.

July 2006 Quarterly is in District 8 Coeur d'Alene ID.

Inventory 2003 Discussion

We have moved on in the communication of our purpose. We are a work in process, continue to do what we are doing. We have changed in many ways, 3 years ago we proposed to have an inventory and the turnout was low. Some felt that we should wait until the 5-year experiment is done and then look at an inventory.

We had some discussion on what we wanted at January quarterlies. How do we see our purpose, and do we spend the time wisely?

MOTIONS

1. Create a credit line, of \$500.00, for the Area Translation Committee Chairperson to purchase and maintain translation equipment, as deemed necessary by the Translation Chairperson, to conduct Area business. Passed on to October Assembly.

2. That Area 92 increases its contribution to the General Service Office for the Delegate's expenses for the General Service Conference from \$800.00 to \$1,200.00 in keeping with Tradition Seven and self-support. This will also be looked at each year by the Area 92 Finance Committee to see if we can send a larger contribution. Passed on to October Assembly.

Closed at 3:40 p.m.

Regional and Special Forums

Regional Forums originated in 1975 at the suggestion of the late Chair Emeritus of the General Service Board of Trustees, Dr. Jack Norris. They are week-end sharing and informational sessions designed to help the General Service Board, A.A. World Services, Inc., the Grapevine Corporate Board, the Grapevine Staff, and the General Service Office Staff stay in touch with trusted servants throughout the A.A. service structure.

At the invitation of a region, four Regional Forums are held each year. Since the U.S./Canada service structure is composed of eight regions, a Regional Forum may be held in alternate years in a particular region on a rotating basis.

The location and agenda for a Regional Forum are decided jointly by the Regional Trustee, Area Delegates and G.S.O. The responsibility for direct contact with the hotel is assumed by a local A.A. Host Contact working with the Regional Forums Coordinator and Regional Trustee. The Regional Forums Coordinator at G.S.O. distributes registration forms and invitations to groups and service workers through the region and, working with the Host Contact and Regional Trustee, coordinates the details of the Forum.

A region may request a Special Forum which has fewer participants from the boards and staff over shorter time periods. Special Forums require the approval of the trustees' Committee on International Conventions/Regional Forums. They may be designed for remote, sparsely populated or urban areas to serve A.A. members who would not normally be able to attend a Regional Forum. The Regional Forums Coordinator works closely with the Regional Trustee and Host Contact tailoring each agenda to local needs.

There is no registration fee for a Regional or Special Forum. The General Service Board covers the expenses of meeting rooms, transportation and hotel rooms for its board and staff personnel. In many places, area committees, districts and groups cover or defray the transportation and lodging expenses of the trusted servants representing them at a forum.

Forums are intended to be sharing sessions, thus no formal actions result. Forums provide unique opportunities to share and exchange valuable experience, ask questions and spark new ideas.
