Our Own Remote Communities

Good afternoon everyone,

I hope this message finds you all enjoying the coming of the fall season,

After reading this month's issue of Box 459 and some discussion with other Area Delegates I am somewhat compelled to ask all of Area 92 for information in reaching out to our own Remote Communities.

As you know Alizon W. Area 2 Alaska Delegate and I were voted to co-chair next year's General Service Conference Remote Communities Committee. At this year's Pacific Regional Forum in San Jose CA., we sat down with the outgoing co-chairs, Bob H. Area 17, Hawaii Delegate and Phil W. Area 42, Nevada Delegate for the "Passing of the Torch", so to speak, and discussed the timeline which we were to follow.

First on our list was, in working together, come up with a theme for this year's committee. I am happy to say that we had discussed as many possible remote communities in our respected Area's. Alizon has a number of Inuit communities which are distance / language challenged and we, in Area 92, have our Spanish Linguistic and Native American communities.

"Note that far or distant does not necessarily equal remote". Let me give you the definition of "Remote Community" that a group of Delegates soon after the first formal meeting of the Remote Communities Conference, which took place in Toronto in 1996, reviewed and recommitted to this: "Remote Communities" is "any community where it is difficult to carry the message because of language, culture and geography."

With that in mind, we came up with this as a theme: "Cultural Challenges in Reaching Remote Communities." I would like to ask for feedback within this theme from all of you. Also, what are we doing within our Area in response to the reaching out hand of our brothers and sisters within these and other remote communities?

The information you provide will help us in putting together the remote communities' yearly newsletter which will be published early next year, and in facilitating next year's General Service Conference, Pre-conference Remote Communities meeting to be held prior to the opening of the GSC in New York City.

I am looking forward to your responses and to working to lessen the challenges we face in reaching those who are still suffering.

See you all again soon in October,

In Love & Service,

Allen D.

WSEA 92 Delegate Panel 68

Please note: The hard copy of this year's General Service Conference Final Report will be distributed at our October Assembly, hopefully. Translated versions as well.

Request for Shared Experience from G.S.O.

Patrick C. is the out-going **Treatment and Accessibilities** Coordinator at the General Service Office. The new Accessibilities/Remote Communities coordinator is Rick W. G.S.O currently communicates with 296 Area, District and Intergroup Accessibilities committee chairs, 49 Remote Community committee chairs, and 20 Cooperation with the Elder Community (CEC) chairs. Patrick wrote to Accessibilities, Elder and Remote Community Chairs requesting shared experience on several topics from local Accessibilities, CPC, PI and Remote Communities chairpersons.

Here are the questions he asked, excerpted from his letter dated September 14, 2018:

- 1. How are your committees and members striving to effectively carry the A.A. message to alcoholics in underserved populations or remote communities, communities difficult to reach because of geography, language and culture, to ensure these communities have access to the A.A. message?
- 2. What types of technology are A.A. members who are Deaf or Hard-of-Hearing using to be able to fully participate in Alcoholics Anonymous in your local groups, districts and areas?
- 3. What specific ways are your local A.A. members, groups and service committees striving to lower access barriers to be able to carry the message to A.A. members who are Deaf or Hard-of-Hearing?

Please send submissions to Accessibilities Coordinator at access@aa.org by NOVEMBER 15, 2018.

Here is another excerpt from the same letter:

Local service actions and ideas:

- Some committees are bringing a smile to those who cannot get to a meeting. The committee coordinates local groups and members to take meetings to homebound A.A. members. They call them, send cards and go visit them.
- Some meetings are using technology, like online video meetings, to carry the message. One group is asking speakers to share at their weekly meeting. The speaker is someone from outside their local are and is attending the meeting via online video technology. This idea could work for our homebound members to be able to attend meetings either as

speakers or simply as participants.

• A reminder for members who are responsible for caring for a spouse, child or elder relative or those who find themselves in any caregiver situation. There are telephone meetings and other online resources to utilize. Simply search the A.A. Online Intergroup at www.aa-intergroup.org for more information.

Remember that GSO sends a free Accessibilities Kit to new Area level committee chairs and a free Workbook to all district level chairs. Most of the items in the kit can be viewed online by clicking on the links in the pdf list of kit materials at

https://www.aa.org/assets/en US/f-182w SN Kit.pdf.

Note: Printing a single copy of many of the items is permitted in accordance with A.A. World Services, Inc. Content Use Policy.

Please send the full name, mailing address, daytime phone number of new committee chairpersons and when their term starts to GSO. That way they get into the communication loop.

For the complete communication from Patrick, please contact Allen D.

Carrying the message behind the walls

We are currently challenged at Washington State Penitentiary for volunteers and as the past

facility coordinator I would like to put a plug in that we need more volunteers.

The facility has recently enacted a rule that we must have two volunteers to conduct AA meetings there. This is not usually a problem. However, there are Saturdays when we may have only one S-badge volunteer and consequently there would be no meeting that day.

Washington State Penitentiary AA, the second oldest prison AA meeting in the world behind San Quentin, is currently in need of volunteers. We meet every Saturday at East Complex and South Complex.

Please contact Bryan B for more information at 509-453-7203.

Thank you for your consideration.

Yours in Service, Bryan B

WSEA 92 OCTOBER ASSEMBLY INVENTORY

AREA 92 INVENTORY QUESTIONS

- 1] What information could be made available to help the motion process of the Area 92 business meetings be more effective?
- 2] Are the Standing Committee Workshops a productive and cost-effective way to do committee work or would we be better served by doing our committee work at the Area Assemblies and Area Quarterlies?
- 3] Is Area 92 practicing the 7th Tradition of being fully self-supporting, such as fully supporting our Delegate to the Conference?
- 4] Is the Area practicing "Spiritual Principles" when asked by the Body for help?

Greetings Area 92.

Here are the questions for the 2018 Area Inventory that will be held at our October Assembly from 3:00 to 5:00 on Saturday.

It should be noted that the Committee met [4] times by conference call and [1] time in person in Coeur D'Alene to finalize the questions for the Inventory. The Committee received [14] questions from the Body and from those fourteen questions the Committee has come up with four questions that seem to encompass the intent and some of the verbiage of the questions submitted to the Committee.

The Committee received questions from [10] Districts around the Area and represent a good cross section of the Area. Most questions came from DCM's and were the product of District meetings although a few were the reflections of the DCM's themselves.

The order of the questions was determined by the number of times the same question was asked. Questions [1] and [2] were asked four times and questions [3] and [4] were asked three times each.

It is the hope of this Committee to thoroughly discuss the first [3] questions and if time permits to delve into question four. The Committee is also hopeful that by presenting the Inventory questions to the body [6] weeks before the inventory we will have ample time to discuss the questions amongst ourselves.

After we have completed the Area Inventory the Area Secretary will send a copy of the minutes of the inventory to the Area Committee, including DCM's and the DCM's will ensure that the information is forwarded to the GSR's by December 31st of the inventory year.

A follow up report will be given at the following April Pre-Conference Assembly and the Inventory Committee hopes to have some thoughts and ideas on what course of action the body might consider on the inventory items.

Many thanks to the Area 92 members who have taken the time to participate in this endeavor and to the Inventory Committee members whose time and effort has sure helped this old guy out.

A.A. love, Scott R.

Delegate & Officer Reports

Delegate - Allen D.

Hello everyone.

It's been a somewhat busy life for me inside and out of service. Briefly, I attended the Pacific Regional Forum in San Jose, CA last month and had a wonderful time. Seeing my friends from the General Service Office was a highlight of the Forum along with sharing ice cream with our Alt. Delegate Gary P. The great discussions in the workshops were amazing. As you know, I had the opportunity to moderate a workshop and the discussion really opened my eyes and mind to what others have been experiencing within our fellowship. I had gathered as much of the free literature available to us there, both in English and Spanish and will have this for you at the upcoming October Assembly. Due to my heavy work schedule I will not be available on Saturday morning of the Assembly weekend, but should arrive around 1:00 pm or so.

I have been on a couple conference calls with our Pacific Region Trustee, Kathi F., and other delegates. The October board meeting is coming up at the GSO and we will be speaking again with Kathi in the coming weeks.

The final reports of the 68th GSC have been delivered and I will have them for you at the Assembly. My wife, Andy, will be delighted to have them delivered to you, due to the large amount of cases that have been stored in our house. Lol!

I'll report more when I see you in seeing you all in Post Falls.

In Love and Service, Allen D.

Alt Delegate - Gary P.

The past month has been quite active with numerous AA events: The Wenatchee Valley Round-up; the Area 72 Voting Assembly; and the Pacific Regional Forum. Lots of traveling!

According to aa.org, "Regional Forums originated in 1975.... to be weekend sharing and informational sessions designed to help the General Service Board, A.A. World Services, Inc., the Grapevine Corporate Board, the Grapevine Staff, and the General Service Office Staff stay in touch with A.A. members, trusted servants and newcomers to service throughout the A.A. service structure."

This was absolutely true of the forum held in San Jose on Sept. 8 - 10. Over 900 people attended from all 16 Areas of the Pacific Region, and other parts of the US and Canada, plus three visitors from Japan. Area 92 Delegate, Allen D., co-chaired one of the "standing room only" workshops that ran over because no one wanted to leave the discussion.

Hundreds of AA members spoke up at workshops and panels and stood in lines at the microphones to share their thoughts in the general sessions. Dialog was unhesitatingly open, candid, and meaningful. Every topic had the objective to carry the message to the alcoholic who still suffers. While we have continuing challenges in a constantly evolving society, I realized that we have embraced this responsibility as perpetual. The fellowship, presentations and information shared among us, including contributions from the Board, World Services, Grapevine and GSO teams, affirmed my confidence that our processes as detailed in the Twelve Concepts are successfully "warranting" the long-term health of Alcoholics Anonymous.

The 7th Annual Wenatchee Valley Round-up (WVRU) was held Sept. 21-23. Several AA and Al-Anon members spoke and chaired panel discussions and workshops on select Steps and Traditions. One panel highlighted their participation and perspectives about Young People in AA (YPAA). We all recognized and endorsed the value of ensuring that the "hand of AA" is always there in the form of a warm welcome for our younger members.

The Area 92 Chair, Alt. Chair, Alt Treasurer, Secretary, and I attended the Area 72 Election Assembly in Tacoma. We, the Pacific Region Trustee, and the Area 3 (Arizona) Alt. Delegate were invited to assist with the election. Area 72's overall membership is considerably larger than ours and about 800 people attended the Assembly. We counted votes for each candidate and position, through multiple ballots, while listening to current committee chairs deliver annual reports to the body, or while hearing motions be introduced and debated on the floor. In the end, all our team had an experience we will value deeply. What a ride!

Hope to see you in Post Falls.

In love and service, Gary P.

Chair - Debbie T.

Greetings Area 92. It has been quiet in this part of the Area over the last month. The Agenda for the October Assembly has been sent out and is now posted on the Area website.

I will be attending Area 72's Election Assembly in Tacoma to help count votes. I have never attended one of their Assemblies and I am excited to be a part of it. After that I head to Longview for my youngest Granddaughter's first birthday! Then it's on to Post Falls for the Assembly.

I am looking forward to seeing everyone and for the Area Inventory. There is just one motion for the agenda - the motion from the Finance Committee regarding the prudent reserve. I hope everyone has had a chance to discuss it with their groups. See you all soon. YIS, Debbie T.

Alt Chair - Diana M.

The elected officers were invited to Western Washington Area 72 Assembly in Tacoma to count ballots at their election. I had a chance to visit a friend living in Enumclaw and both of us attended the Assembly. I ran into quite a few people that I sobered up with in the Everett-Marysville area.

The Web Team has been meeting monthly and now weekly to finalize the website guidelines for presentation at the October Assembly.

We attended the Wenatchee Roundup in September and enjoyed the speakers and fellowship. I'm looking forward to the Assembly in Post Falls.

If you need help or have questions regarding the website or hosting an event, please feel free to contact me at area92altchair@gmail.com.

Yours in service, Diana M.

Alt Treasurer - Jan R.

Hello Area 92.

The last Quarter has been full. Most recently I was able to go to Tacoma to help Area 72 with their election. It was so much fun meeting new people and seeing old friends. Congratulations to all the newly elected officers!

Donations can now be made on the Area 92 web site using PayPal. It is set up to generate all personal/group information. If you use PayPal please be complete with your information. I will give receipts the same way as I have in the past. At the Assembly or Quarterly. Also, please be aware that to use the **PayPal service we are charged a high rate, averaging 9%.** You will get a receipt for the full amount but the fees will become a line item in our budget.

Again, I would like to give a special thanks to Chris McC for helping me to develop a wonderful spreadsheet for the AREA contributions. She has worked behind the scenes for many of the panel members (current and past) and I would personally like to thank her for her service to Area 92.

The total cash flow for the third quarter is \$10.443.37. Please refer to *the spreadsheet left in your inbox* for the monthly breakdown.

Our UPS mail contractor re-mails your contribution to the Alternate Treasurer roughly every other week.

Please send all contributions to:

Washington State East Area 92 1314 S. Grand Blvd. Suite 2, Box #103 Spokane, WA 99202-1174

This report includes all monies received including: Birthday, Individual, Group and District Contributions, Seed Monies Returned, Balance of Excess Funds and Reimbursements.

I am pleased to report that most Districts have contributing Groups. Please NOTE that monies cannot be earmarked for a particular committee. All contributions will be put into the general fund.

During your District meetings please encourage your members to include:

Group Name, Group ID Number and District #

on their contribution. If you are sending in a group donation from a <u>personal account</u>, <u>please include the group's name</u>. I get several of these without a group name. Also, please include a return address, and a contact phone number/email for any follow up questions. Note cards are available at the events. These are to fill out complete group information and return to the alternate treasurer. Thank you to everyone who has made contributions.

Respectfully submitted, Jan R.

Area Trusted Servant Reports

Corrections - Ben N.

Greetings WSEA 92 Alcoholics Anonymous!

Thank you to everyone who came to last month's Standing Committee Workshop. The Corrections Committee had a productive discussion on: a) the importance of consistency in our scheduled time slots in the institutions; b) differences between Jails and Prisons, specifically protocols and AA's role; c) Question 2 on this years' Area Inventory (It was the consensus of those attending, the SCW held separately in outlying areas presents opportunity to those who would not be attending Assemblies/Quarterlies and has great value for those interested in getting involved); and d) meeting our literature needs - the pink can, Districts helping one another out when needed, and the use of Area Corrections credit line for literature.

We are in the final planning for the Corrections Workshop to be held in Clarkston, WA October 27 (see attached flyer). This is a joint venture with Area 92 and District 7. The format, a "Sharing Session," is in the Corrections Kit from GSO. This format encourages TPI – "Total Participant Involvement". We have some awesome panelists to facilitate this get together for those in or interested in this vital service, so join us and *get involved*. GONNA BE FUN! :0)

The National Corrections Conference in Portland, Maine is just around the corner on November 2. I am overwhelmed with the honor and privilege to attend this event and will do my best to represent our great Area 92 and AA!

Start an old Grapevine drive in your District! Our friends behind the walls love 'em! Always grateful to serve, Ben N.

CPC - Rexann H.

Greetings.

I don't have much to report. I missed the Standing Committee Workshop due to a work commitment. I received one call from a District CPC chair wanting some assistance. We plan to meet soon.

I'm planning to see everyone at the Assembly.

Yours In Service, Rex

GV/Lit - Gary H.

Hello everyone. Fall is here, and the air is chilling. I just love this time of year. The entire round ups and fellowship is just amazing. I was able to attend the Wenatchee Valley Round Up, the "Back to Basics" Colville round up, and the new Three Rivers "Big Book Study" round up in Pasco.

Literature sales at the Wenatchee and Colville round ups where very good. The displays just keep getting better with experience. I have ordered and received most of the pamphlets and books that where either re-covered or a new publication from GSO and Grapevine. I will have these and many more available at the fall assembly in Post Falls. I may need a bigger pickup truck...

Not much else to report at this time, however I will be available at the Fall Assembly for sales and orders of any and all publications.

YIS, Gary H.

Newsletter - Rainey M.

Greetings. Nothing new to report. I'll have a few additional remarks during my report at the Assembly. I will not be there Friday but will be there bright and early Saturday morning "with bells on!" See you then. Rainey M.

PI - Elizabeth F.

Greetings. And Happy Fall!

Not much to report. I attended the Standing Committee Workshop in Yakima. The PI Committee meeting actually turned into a General Service primer as we had 3 brand new people in the room. I look forward to seeing everyone in Post Falls.

Yours in Service, Elizabeth F.

Secretary - David R.

Hello everyone.

I've been very busy with work, family and AA commitments, not necessarily in that order. I printed and prepared 15 Handbooks for the October Assembly and had them spiral bound at Kinkos. These are complete Handbooks with the Area 72 Historical Information and will be priced at \$10 to cover costs.

We attended the Area 72 Election Assembly and helped count ballots. We had a great time with Debbie, Gary, Diana, Kevin and Dave. The Western WA Panel 69 was elected by the body and Kathy, Pacific Region Trustee introduced the newly elected panel when all was said and done.

I don't have much more news but will see you at the October Assembly!

Treatment/Accessibility - Brian S.

Greetings Area 92.

Thanks to all who attended the Area 92 Standing Committee Workshop. We, as the Treatment Accessibility Committee, talked about the need for everyone in the Bridging the Gap program to follow through with their part of the process. If any one of the links in the chain breaks down, the bridge fails. Therefore, every link is vitally important.

We also talked about Accessibility for all the groups in our Area. I handed out Accessibility workbooks and encouraged everyone to look for different Accessibility needs in their Districts.

I look forward to seeing you at the Assembly in Post Falls.

Y.I.S. Brian S.

District 13 in the Spotlight!

District 13 is primarily Spokane Valley and includes Millwood, Rockford, Valleyford and Liberty Lake. The district spreads from the Washington/Idaho border in the east to Vista Rd in the west, and from the city of Rockford in the south to almost Wellesley Rd in the north. Twenty-three groups hold 38 meetings every week. Most meetings are held in churches, but groups also meet in a Steelworkers' Union Hall, in Yoke's Market, and at St. Joseph's Cemetery. Best 3 out of 5 meets at in the basement of the funeral parlor (formerly a church), and proudly claim to be deeper than the dead!

District 13's monthly business meeting is held on the second Tuesday of the month at 6:30pm at Yoke's Market 13014 E Sprague Ave. The meeting room is directly above the pharmacy right in the middle of the store. Although an average of 17-18 people come to the business meeting, sometimes only about 5 groups are represented. More than one person might come from the same meeting. Sometimes there are as many as 25 at the District meeting. Although most standing committee chair positions are filled right now, it can be a challenge to get commitments.

District 13 has several active committees: Grapevine/Literature, PI, Treatment, Corrections, and Activities. They also have an Intergroup Rep that attends the Spokane Central Office board meetings. There are no correctional facilities in District 13, but they do work with two Treatment facilities, Daybreak and ABHS. The Healing Lodge of the Seven Nations, a residential rehab for adolescents, is in District 13 and has had meetings brought in there in the past, but not right now.

In addition to communicating at the District meeting, the DCM emails the GSR's. Since District 13 is part of the region serviced by the Spokane Central Office, they do not need their own website or newsletter. They host a Quarterly Speaker Meeting/Potluck and an annual Summer Picnic, all very well attended. District 13 also hosts a Thanksgiving Alkathon. Groups in the district host workshops, too. One group hosted a Spirituality Workshop where

a panel of several speakers on a variety of spiritual paths spoke

🎹 to more than 75 people. The largest group in District 13 has an unusual name: I Don't Need a Meeting meeting. They meet Friday nights from 7:00-8:30pm at Zion Lutheran Church 8304 E Buckeye in Millwood and VERADALE host an annual Spaghetti Feed. The smallest group in the district also has an unusual name: Best 3 out of 5. They meet Monday, Wednesday, Friday noon at St. Joseph's Cemetery 17825 E 27) Trent Ave in Spokane Valley. The oldest group is undoubtedly Sullivan Road group which meets at Advent Church 13009 E Broadway Ave in Spokane Valley. It has been meeting continuously for more than 60 years and hosts an annual anniversary potluck/speaker meeting. (27)

District 13 is very fellowship-oriented. There seem to be a lot of newcomers there and people reach out and talk to them, making sure they understand what's going on, etc. Whether they have 6 months or 20 years, people are at the meetings, carrying the message. It is a very welcoming district. The DCM says he loves the comradery the most.

District 3 - Hoss B.

Hello friends! Greetings from District 3 serving Spokane, Airway Heights, Reardon, Davenport, Creston, Wilbur, Ritzville, Lind, Matton and Connell. The Service Workshop is upon us! This Saturday, October 13 from 10 AM to 2 PM at the North Hill Christian church 4620 N Post St, Spokane. It will be potluck style with Trusted Servants sharing 3 to 5 minutes on each of the service positions at the District level. Please come. We are grateful to be able to cohost this event. A huge thanks goes out to District 17 and Brande for all their hard work and most of the heavy lifting.

We have lots of fun and exciting events coming up this winter season. District 3 is hosting the Alcathons, so we have been busy planning those events. Also, District 3 has purchased a copy of the Bill W documentary along with permission from the filmmakers to show it publicly. JJ, our Social Activities chair, is working out the details to have some showings at the Alano Club sometime between Thanksgiving and Christmas so stay tuned!

As you know the 2019 WSCYPAA Convention is coming to Spokane! Angel and all those young energetic AAs with SPOKYPAA have already assembled 25 members for that committee. We are excited and grateful to be a part of this event coming to Spokane for the first time.

Love and service, Hoss B.

District 5 - Dan M.

Hello from District 5!

District 5 has many meetings, both open and closed, many good home groups to choose from, book study groups, speaker meetings, candlelight meetings and more.

We also have great participation in the monthly GSR District meeting, which gets at least 10 - 15 people.

In addition to this there are Fellowship opportunities. There is the monthly Birthday Potluck, which is beloved by many and happens on the last Saturday afternoon of every month.

We just had our yearly Wenatchee Valley Roundup as well, the third weekend of last month (September). This time the Roundup had a new addition to the format - our very own Fellowship Band, "Rule 62", providing live music to the delight of many!

Finally, coming up next month on November 3rd, is our annual Gratitude Dinner. Fingers crossed, the band will be there as well!

Happily submitted, Deborah B., District Secretary

District 9 -

I'm extremely sad to report that Monte has stepped down as District 9 DCM. We have no Alt DCM and there's really nothing to report.

We are alive and in good health in District 9, but just barely. Keep us in prayers.

BIRTHDAYS AND DISTRICT ACTIVITIES FOR THE MONTH OF SEPTEMBER

The Sunday Morning Group

Cody L. celebrated 4 years on the fourth.

In the Cle Elum group the birthdays include:

Bonnie - 60 days

Terry S. - 90 days

Cody - 60 days

Wade - 5 months of proud time

Beau F. - 60 days

In September the District's Cle Elum group is still having "Companions in Recovery" otherwise known as Recovery Night the 2nd Wednesday of the month. There was a great turn out and every month they do a potluck, or someone picks something to cook. It really helps the newcomers fellowship, eat and unite. We welcome others to join us.

District 10's Gratitude Banquet planning is coming along very nicely as well as the Cle Elum's group, too. Don't forget about the pumpkin carving at the end of the month in Ellensburg! Happy Fall!

District 12 - Cindy H.

The Twisp and Winthop groups put on an AA Fun Day, September 8 at the Masonic Hall. It was an interesting event well attended by people from Omak/Okanogan as well as the Methow. There was a skit and discussion on three topics covered at this year's Pacific Northwest Conference (PNC) about the Internet and anonymity, safety, and reaching out to the elderly in recovery.

District 12 also participated in National Recovery Month's concert Saturday, September 22, at the Okanogan County Fair Agriplex. The AA booth had many visitors. AA literature donated by the Winthrop Groups was handed out. We hope to participate in this event again.

We are busily preparing for our Gratitude Banquet Saturday, November 3 at the Methow Valley Community Center, 201 S Highway 20, Twisp, WA. Doors open at 3:00 PM, dinner at 4:00. The speaker is Gary P. our Alt. Delegate, followed by the sobriety countdown and world -famous raffle, 50/50 split. All are invited to join us. (See flyer.)

DCM Cindy H. and District 12 GSR's are preparing for the October Assembly, gathering information from groups and studying topics to be discussed.

Recovery is like MUSIC.

Different recovery programs are like genres. Some people like one kind of music and relate best to that, some like another kind.

Music videos are like the stories we tell each other, our identification. If you like hip-hop, you might not get a symphony so well. But you get that it's music. -Tommy

District 14 - Jeff T.

Good day to everyone in Area 92. Jeff here from District 14. Life has been good as long as I stay out of the way. (Step 3)

Had a BBQ in Sandpoint for Labor Day. There's to be a Halloween soiree in Bonners Ferry at Paradise Valley Grange.

I want to mention the passing of Chris R. There was a Celebration of life potluck and BBQ Sat Oct 13th in Hope, ID from 12-3pm (Grateful Dead Theme).

And welcome to Kyle F., our new Activities person.

And last but not least, a pop quiz: What are we supposed to do after a 10th Step amends? (Answer is in the Big Book page 84, 2nd paragraph, 2nd to the last sentence.) And don't forget the 10th step promises.

District 15 - Neat M.

Fall is no longer around the corner – it's here with chilly nights and autumn colors.

Our Round-up of Recovery was awesome: Awesome speakers! Awesome meetings! Awesome skit! Awesome panels! Awesome food! Awesome raffle baskets! Awesome decorations! Thanks to our Activities Committee for an awesome job!! Way to go, District 15! And a big Thank You to our GV/Literature Chair, Gary, for bringing his trailer full of books.

Kettle Falls' Keep It Simple meeting can be found Monday nights in the old Union Hall – a very quaint and simple building. A handful of members and regular attendees keep it going for the still suffering alcoholic. The basket has been known to collect 'trinkets' as well as donations. Huge homemade cookies are a sweet addition, thanks to Kim. A big thank you to Marilyn for her faithful service!

Our District 19 business meeting was held on September 23rd in Quincy, WA at the Masonic Temple and there were 9 GSR's (or people acting as GSR's) in attendance. We will be setting a date for our District 19 Inventory at our next business meeting. Doing this on a group level is surprisingly refreshing and it seems to give one a clearer sense of the direction the group is headed. We all felt it would be a good thing to do.

A decision was made by all in attendance to try and bring a sponsee or alcoholic friend to the next business meeting to better orient the newer folks. We have a new volunteer who has filled a vacant chair...we now have a Grapevine/Literature chair! Within just a couple of days I connected her to our Area 92 Literature guy.

One more piece of big news! We are going to have an annual campout starting next summertime. Details and flyers coming soon...

Looking forward to the assembly on Oct 19-21...see you all there! (Or if you are sitting over there reading this right now, I'm the guy over here at the District 19 table...Hee-Hee...wave, wave. Smile...ok, you don't have to smile...)

Sincerely, Steve H.

Anonymous Friends

As the saying goes, "I've never met a stranger." This saying usually only applies to an extroverted "social butterfly"; however, no matter if you can maneuver yourself into new social groups easily or not, Alcoholics Anonymous is an environment that fosters a feeling of acceptance and openness to each new member. Whether it's your first day of sobriety, or you're a 20-year veteran, people who are in long-term recovery are more likely than not to be very "in line" with your projected trajectory in life.

I have come to find that while people in Alcoholics Anonymous may differ in political views, cultural and/or financial backgrounds, values, goals, and even ethics and/or morals, there are two nearly unanimous things shared by all of us. 1: is the gained perspective on each of our own lives that if we were to continue to engage in alcohol or drug use, that we would be unhappy, unhealthy, and/or likely to bring harm to ourselves or others. 2: is that a life embracing sobriety and long-term recovery will lead to happiness, contentment, and the opportunity to live a life much more aligned with one which we may be truly proud to live and leave as a legacy.

I am very appreciative to the Alcoholics Anonymous organization for providing me with a forum in which to not only share my views, opinions and testimony with other people in long term recover in the hope that maybe, just maybe my meager wisdom might help someone to make it one more day; it has accepted me with open arms into the environment where I can meet other people with similar ambitions for life.

I have six years of sobriety now; and with continuous involvement with Alcoholics Anonymous, I plan to – with support from an outstanding supporting cast – continue for the rest of my time in this world as a grateful, sober, and supportive/supported man.

In closing, just remember than in AA, you'll never meet a stranger. We're all just friends who haven't met yet.

Sincerely, your friend,

Austin

ONE BIG TENT

Atheist and agnostic AA members share their experience, strength and hope Grapevine is self-supporting through the sale of Grapevine items and subscriptions.

"One Big Tent is a collection of stories, originally published in Grapevine, which represent the shared experience of secular AA members who have struggled with alcoholism, yet ultimately found a common solution in AA.

Atheists, agnostics, nonbelievers and secular alcoholics have been members of the AA Fellowship since its earliest days, making significant contributions to the development of the program, helping to swing the doors of AA ever-wider.

But finding their path has not always been easy.

In *One Big Tent*, these members share how they found their place in AA, work the program, do service and sponsor others." (from email from GV dated 10/4/18)

History of National Corrections Conference

For decades districts, areas and states have held Corrections Conferences and Workshops. They've been enormously helpful for shoring solutions, helping understand the charance process, building enthusiasm and getting more people involved in corrections work. For years, we've also heard the question, "What if we had a National Conference? What if we could shore solutions from Texas to Toronto, Colifornia to the Carolinas, New Orleans to Newfoundland?"

Corrections was certainly the focus at the 2015 International Convention in Aflanta, Including having a main speaker currently serving time in a Georgia prison. Also, given the success of the BTG Workshop starting in 1993, the National Archives Workshop in 1996, and more recently the National A.A. Technology Workshop - why not a National Corrections Workshop focused on how we-carry the message behind the walls?

The trustees' Committee on Corrections sent out a questionnaire to corrections chairs, 1821 chairs, and delegates asking if they saw a need for an annual North American Corrections Conference. The response was a very strong, "Yes!" There was also a question, "Would your committee consider hosting the event?" The answers came in, "You bet we'd consider it!" "Absolutely!" "Wo'd be honored!"

An advisory Council was formed and that group conscience decided on a time of year (early November) and a location for the first conference: St. Louis, Missouri (where A.A. Came of Age) and they made history again with nearly 400 people attending from throughout the U.S., Canada and Puerto Rico.

Several areas came to St. Louis to present bids to host the 2018 or 2019 conferences. Through the Third Legacy Process, it was decided to go to Maine in 2018 and Southeast Texas in 2019. The Advisory Council remains in place to insure the future integrity of the National Corrections Conference.
