8:00 a.m. Call to order by WSEA 92 Chair, Debbie T. It was followed by a moment of silence and the Serenity Prayer, reading of the 12 Traditions and 12 Concepts in both English and Spanish. Debbie asked for approval to record proceedings. The motion for approval was made by District 6 and seconded by District 26. Debbie gave an overview of the Quarterly process. Debbie also explained the motion process and who is eligible to vote (DCMS, elected and appointed WSEA 92 committee chairs). Rex CPC made a motion to accept the minutes of the January Quarterly as submitted and it was seconded by District 17; the motion passed. David R facilitated roll call, and everyone was present except D7, D9 and WSEA 92 PI Chair. Debbie welcomed the following past Delegates to the Quarterly: Delores, Dave, Scott, Rad and Mike

**TRUSTED SERVANT REPORTS****Delegate Allen D.-**

Allen introduced himself, Panel 68 Delegate. Allen gave a Delegate report this morning. Allen reports that he has a video and PowerPoint presentation. Allen said things are clearer during the 2<sup>nd</sup> year and he has learned a lot, has more to share. This was his last GSC and he said farewell to his Fellow Trusted Servants at the GSC. Allen said that he gave a Delegates report in Grandview and that it was a moving experience. Allen also described the motion process, reflecting what is done at the GSC, things like the Chair not coercing a second for a motion. Allen had a concern about the GSC Chair coercing a “motion to decline” a floor action at the GSC. He checked this out with his service sponsor and Kathy, Pacific Region Trustee and learned the reason for this; all is well. Allen described the friendships he made in the past 2 years going the Conference process. Allen then showed a video of his GSC experience followed by a Delegate report, including an itemized pass/fail/took no action on each GSC Agenda item.

**Alternate Delegate-Gary P**

Good morning Area 92.

Some of you may recall that Debbie T., our Area Chair established a WSEA 92 “Ad Hoc GSR School Committee” last fall and she will be providing you a complete report on the results later today. So I will skip this topic at this time, except to share with you, that it was been one of the more interesting, meaningful, and satisfying AA General Service assignments that I have had the opportunity to participate in. What a delight.

Several members of the current WSEA 92 Area Committee including Delegate Allen D., Chair Debbie T., Alt. Chair Diana M., Secretary David R., Alt. Treasurer Jan R. and me, attended the Pacific Northwest Conference (PNC), in Portland on June 21st, 22nd, and 23rd. This is among the oldest conferences in AA, having started in 1948. It is a “Third Legacy” focused event and this year’s theme was “Our Big Book – 80 Years, 71 Languages”. Each of us was asked to assist with one or more of the various panels, my assignment was “Yesterday’s World – Our Legacies Begin” and the topic was “Carrying the message using the 12 Concepts, then and now”.

In my experience, this conference is one of the best AA events I attend, and this year was no exception. Virtually all of the presentations and panel discussions were stellar. While there is no PNC in 2020 because of the International Convention, there is one in 2021 and our area will be the host. This should make it more readily accessible for many of our Area, District and Group trusted servants. Diana M. and I picked up the materials from Oregon Area 58 before leaving Portland, and will assist the new Panel 70, Area officials who will be elected in October with selecting a host committee, that will be responsible for planning, organizing and conducting the 3-day program. . We are sure that several of you here today will find yourselves participating in this effort.

That’s all for now.

**Chair- Debbie T.**

Attended the Standing Committee Workshop in Ellensburg – thank you District 10 for a great job hosting! Attended PNC – great presentations and great comments from microphones. It was a great time to grow/learn and spend time with others from our Area.

The next time we get together we will be electing officers for the next rotation. Please take some time to consider making yourself available for a position. When considering, please read the description in the service manual and our handbook regarding qualifications, it is important to be prepared for what the job entails as well as the amount of time it will take. You can ask any of the current officers and they will gladly discuss their experience with you. The newly elected officers will be taking resumes for the Standing Committee Chairs. If an elected position isn't right for you, then maybe a SCC position is. We saw some excellent committee work this rotation and I'm excited to see how the transition goes.

As for me, I will not be making myself available for a position. God willing, my husband and I will be relocating to Western Washington, closer to our 6 grandkids. I have been serving Area 92 for 6 years and will miss you, but I am looking forward to a new chapter in our lives!

**Alternate Chair-Diana M**

I want to thank District 19 for hosting the July Quarterly for us this weekend. I've been busy contacting the hosting committee chairs regarding upcoming quarterly and assemblies and I want to report that all is going well. You will hear their reports today. A week or so ago I send an email out to all the Hosting Committee Chairs asking if anyone would like to meet with me to discuss their upcoming events. I received several requests to meet so met last night during dinner and plan to meet with more today during lunch to go over any questions they might have regarding hosting events.

I attended the Standing Committee Workshop on June 15th in Ellensburg. I had the company of two ladies from the Methow Valley who both are or plan to take on district positions of CPC and Grapevine and Literature. It's exciting to watch people get involved in service in our districts.

I also attended the PNC (Pacific Northwest Conference) in Portland June 22-24th. I can report that it was awesome and one of the best I've attended. The presentation where truly thought provoking. Area 92 was well represented by members as well as Area 72, 58, 18. Since we will be hosting the next PNC in June of 2021, we don't have one in 2020 due to International, Gary and I brought all the supplies home. So we will pass these supplies on to whoever is elected Area Chair for the next two year as they will have the opportunity to Chair the event.

While in Portland I met with a group of people wanting to start a Pacific Northwest Technology for Service. We are using the Slack app. It is a messaging board for AA members involved in area, district and group service, asking and answering questions regarding technology. I have joined, as well as Dan from District 5 and would like to pass the information on any other members wanting to be of service using technology. See me during the weekend to discuss.

I would like to remind Districts to please remove access to our Area Newsletter from your district website as our Website Guidelines under Contents and Services 1.a.ii states "Personal phone numbers, postal and email addresses will not be displayed on the website, except for additions to the website calendar such as event flyers."

The Web Committee has been meeting weekly by conference call since the GSR School ADHOC committee completed their work. They were using our people and time slot to work on the GSR School. We have finalized the development of a new tab entitled GSR and 3 new pages with lots of information. We will be doing a presentation later.

If your District or group has a flyer you want posted to the calendar please forward it to the Area Alternate chair at area92altchair@gmail.com address. The only event I will take it upon myself to post will be area functions such as Assemblies, quarterlies and standing committee workshops and GSR Schools. If you are sending a flyer to the newsletter chair please include me so we can post it to the website calendar.

If any of you have any questions regarding hosting an event or to discuss the website please either see me at break or you can always contact me. Again, I want to say how much I've appreciating this opportunity to grow and be of service.

Diana M. Area 92 Alternate Chair

**Treasurer- Cameron J.**

Greetings,

This quarter there were two major events. The first was that we got the prudent reserve savings account set up in June. The second is that we had some issues and overcharges to with our corrections grapevine and La Vina subscriptions. The was all settled by the end of June. You can see that there is an uncategorized charge in May and an uncategorized income in June to reflect the charge and re-turn for the over charge. There will also be a shipping charge on July 1st to get the magazines to their respective locations.

Contributions and other Inflows 2nd Quarter 2019: \$14,901.24 Expenses Q2 2019: \$12,235.76  
Prudent Reserve Ending Q2: \$500

Please send your Area 92 7th Tradition contributions to: WSEA 92 1314 S Grand Blvd Suite 2 Box 103

**Alternate Treasurer-Jan R.**

Hello Area 92

I have been to the Oregon coast with all of the ocean breezes and sunshine. What a wonderful experience it was. I have been participating in the weekly handbook committee conference call. I pass out the spreadsheet of donations at the quarterlies and assemblies. If there are mistakes or corrections please let me know and I will correct. I only know what I have. I have made corrections to 14 and 26, as requested. Most of the unknown areas I look up directly from the FNV. I can send a spreadsheet at any time upon request. Our business savings account is now up to \$1,100.00.

The donations have been very consistent and I thank all of the districts on behalf of WSEA 92. Donations for the second quarter totaled \$12,514.94. Wow! Thank you generous people!

Please note that this includes the return of seed money from Districts 4 and 12 and overage amount from District 4 and all monies from PayPal. Thank you so much!

Please send all contributions to:

Washington State East Area 92  
1314 S. Grand Blvd. Suite 2, Box #103  
Spokane, WA 99202-1174

This report includes all monies received including: Birthday, Individual, Group and District Contributions, Seed Monies Returned, Balance of Excess Funds and Reimbursements.

Please NOTE that monies for AREA 92 cannot be earmarked for a particular committee. All contributions will be put into the general fund. During your District meetings please encourage your members to include:

Group Name,  
Group ID Number and  
District #

on their contribution. If you are sending in a group donation from a personal account, please include the group's name. I get several of these without a group name. Also, please include a return address, and a contact phone number/email for any follow up questions. Note cards are available at the events. These are to fill out complete group information and return to the alternate treasurer. Thank you to everyone who has made contributions.

Yours in Service, Jan R. [area92alt.treasurer@gmail.com](mailto:area92alt.treasurer@gmail.com) (208)416-9507

#### **Archives- Sarah B.**

I'm so glad to see all of you here in Colville. This is like my backyard. I'm probably over here at least once a week for yoga class and various appointments.

If you read the newsletter you already know the good and the bad news. The good news first, all the tapes that they had digitized and that we needed, I downloaded, and they are great. The tapes that I digitized were done with the settings wrong and need to be done again. The archivist, Al for Area 72 has offered to help us with the redo.

I received a hygrometer for the Archives Repository and hope to install it at the work party on July 27th. The work party starts at 10:00 AM and I'd like to thank all of you who have offered to help with that.

Also remember to mark your calendars for the Regional Archives Workshop on August 17th. I've put more flyers for that in everyone's mailbox and I have a few more if you need them. It will start at 9:00 AM in Ellensburg. In Fellowship, Sarah

#### **CPC-Rex H**

Greetings Area 92,

I participated in the 6/20 service workshop in Yakima in May. That was fun, great job dist. 6 & 20!  
I attended the standing committee workshop in Ellensburg in June. There was a large group with great CPC/PI discussion. There are a few CPC luncheons in the works so keep an eye out for those. I have been working with Districts 17 and 3 for a Spokane area CPC luncheon hopefully in October. I'm available to any district for help with anything CPC related. Yours In Service, Rex H.

### **Corrections-Ben**

Ben has been busy with Corrections activities and all is well.

### **Grapevine and Literature-**

July brings some nice warmer weather; it also brings two new books to the service arena. "Our Great Responsibility", a compilation of Bill W's conference talks from 1951-1970 including first ever printing of these talks as well as pictures that have never been published before.

The second book being a grapevine publication "Take Me to Your Sponsor", a new joke book published by grapevine.

The standing committee workshop in Ellensburg was well attended and some good information was given.

Colville is a nice setting for the quarterly and the host committee has done a great job.  
I will be presenting a motion today for GV/Literature financing. Self-support is all well and good, however each elected chair should have the opportunity to succeed not fail. I have successfully built up inventory and cash, of my own volition. Incoming chairs may not be so adapting. Therefore, I see the need for a line of credit. As always it is a pleasure to work with you, and to be of service to you.

### **Secretary- David R**

Good morning, my name is David and I'm an alcoholic. Since our last meeting in April, I attended the annual service workshop in Yakima. This is a great workshop and we learned a lot. District 6 and 20 host this annual event in May and I encourage everyone to check it out.

I also attended the Pacific Northwest Conference which I'm told is the longest running annual conference which started in 1948. Anyway, there were excellent panels and 2 great speakers including our very own past Delegate Jamie S.

I distributed copies of the new 8.2 Archives Chair and Archivist/Steering Committee service position description. The motion for these new WSEA 92 service positions was presented and passed at the April Pre-Conference Assembly in Winthrop. The WSEA 92 Handbook Committee recommends that the body

officially adopt the new service descriptions for inclusion in the WSEA 92 Handbook which replaces the old 8.2 Archives Chair service position description.

The WSEA Handbook Committee continues meeting weekly via conference call. We are making great progress on updating the WSEA 92 Handbook.

Please remember to place all reports in the box to my right on the Secretary table. Or better yet, email your reports to [area92secretary@gmail.com](mailto:area92secretary@gmail.com)

Thank you for allowing me to serve. David R WSEA 92 Secretary

#### **Registrar-Gary P**

Hello again.... You will want to pay close attention to this report.

Significant changes are being implemented at the GSO on a project which has been in the planning and development stages for many years.

You can envision these changes from a 10,000 foot level as follows: Many of the multiple, departmental and functional administrative information systems, some of which were originally installed decades ago, are being replaced by an integrated, organization-wide administrative information system referred to as an Enterprise Resource Planning (ERP) System.

The rollout is being implemented component by component if you will. This implementation work demands considerable care and attention to “minute” details.

We, along every other Area, are directly involved in several of these components. One of them is the Fellowship New Vision (FNV) system. The components of the new ERP system that will displace the current FNV system will be brought into “parallel status” on July 26th. Accordingly, starting yesterday, on July 19th, all access to the FNV was restricted, in order to allow all updates for GSR’s, DCM’s and new groups to reach the warehouses, where the requests for “Kits” are fulfilled. So, for the one week during this stage of the transition, the Area Registrar’s will be unable to enter FNV changes online.

This stage will be followed by the parallel mode stage where update entries to the FNV system will be accepted but re-routed electronically to the new ERP system. During this period, probably several weeks to a few months in length, a new data entry “portal” will be implemented and all the area Registrar’s trained in its use. When this is completed, the Registrar’s will be moved into the new data entry portal, the parallel operation will stop and the FNV will be “retired”.

The conventional wisdom is that these conversions never go perfectly, so we may need to practice some patience as this gets further underway.

Thank you.

#### **Web Team-Diana M.**

We had 4 committee members and 3 web team members in attendance. We introduced the new GSR ages to the team. We discussed how each page functioned and answered all their questions. We explained that we would be presenting it to the body during the quarterly as well.

As GSR schools are planned we will be adding them to the calendar so you can plan to attend one near you. We will also be adding the Spanish version of the GSR Workbook and PowerPoint to the website as soon as the Translation Chair completes them.

If you or your district thinks there are addition items for GSRs that you would like to see included on this resource page please let one of the web committee members or myself know. We want these pages to be useful to the new GSRs.

We also discussed the new PNW Technology for Service Messaging Board that has recently been developed by an individual to improve our districts and area websites by inviting A A members to post their questions and answers to the board. We suggest that any and all members who are interested in using technology to improve their district or area website to join. To do so please give your email address to either myself or Dan from District 5 and we will sign you up.

We also discussed the possibility of developing a new position entitled Digital Communication Person. We of course will continue this discussion during our committee meeting. Diana M  
Area 92 Alternate Chair

### **Finance Committee-Jan R**

The Finance Committee is busy working on a variety of projects including setting up a new savings account for the Reserve Fund. There was a long discussion on the savings account.

### **Handbook Committee- David R**

We had a small group of dedicated members and discussed the ongoing WSEA92 Handbook update including challenges and the size of the project.

### **DCM Roundtable**

Chaired by Neat, DCM D15

#### **GSR Involvement and Representation**

**Dan, District 5:** It came up in his District about how well we are representing meetings, which brought up that we have a variety of meetings, Leavenworth has 5 meetings and 1 GSR, so one group. That GSR and that representative, financially and with input at District meetings, has done well. We're always fighting the idea that not all GSRs are there, especially in smaller areas and rural areas. At District meetings, almost every group is being represented. If nobody is there for it (GSR) someone else will speak up about what they know about that meeting. They have been trying to talk to groups about, especially ones that aren't organized or don't have GSRs, why not become part of another group. One meeting group joined another meeting group, which will reduce the amount of GSRs, but in the end, the word is getting out about groups at district and area. The GSR school coming out will help a lot. The question for groups is, can you financially support that GSR to go to assemblies, and do they have the time to do it? Through this new idea, he feels they can better represent District 5. It just started, but it's been liked as an idea so far. Just know what's going on in meetings, even though there's not a GS there.

**Dennis, District 22:** At District meetings, they encourage people, if they have no GSR, to send some representative to District meetings; anybody can come, and they'd have a vote just like a GSR. 2 groups can't get a GSR elected, but they always send a representative. He always sends out agendas before every District meeting and the minutes of the last meeting. He's also blessed to have great secretary. Within 2 days of the meeting, he has everything sent out, and then it's the GSRs responsibility to pass that information. Having a good secretary is a big help.

**Dawn, District 4 Alt DCM:** They have unique things in their District. Their District also has a Central Office, which has all standing committee, and they have a Central Office chair, and the District has all of

the GSRs, the DCM, and the Alt. DCM, so it's difficult to relay information back and forth when some people that are on Central Office only want to deal with local stuff, the "fun stuff" of AA., so that's kind of where there conflict is. The other thing is there is a Richland Fellowship that is one group with several meetings, and then they have an Alano Club, where every group is different, so 2 unique individuals, and it's harder for those smaller groups to send anybody. So, combining groups is a great solution.

**Jeff D14:** Referring to the money portion, they send contributions where they want money spent, not Area, so the money they do have is to fund any GSR who wants to go to an Area Assembly. Also, pre-approved from the group, to fund any activity regarding sponsorship workshops, up to \$200. If it's for a party or something it's seed money, and they expect a portion back.

**Dan:** They too had this discussion, but if they have \$100 left in the District, but have 2 GSRs who want to go, how do you prioritize who gets to go?

**Diana, District 23:** When we were part of Area 72, with one Assembly and one Quarterly, they never had a problem sending a GSR to that one Assembly. Now it's hard to send them to 2 and have some groups that have really backslid on having a GSR at all because they can only afford one Assembly & if they don't go to the Spring Pre-Conference Assembly, they're not informed. There are diverse groups and personalities in her District, and she can't see combining many of them. If they go back to one Assembly and 3 Quarterlies, they have a better chance of sending a GSR to that one assembly.

**Dan:** That's what precipitated this conversation in his District.

**Bill, District 20 Alt DCM:** A lot of groups can't afford GSRs to go to the Assemblies; if we can get them to come to District meetings & if the information is available at the District meeting, they can take it back to their home groups. As DCMs we can give that information.

**Dan:** What helps is having an agenda, sending minutes; he sends minutes to GSRs and to representatives who aren't a GSR. The agenda will help to know what's coming up, but also communicates we are going to respect their time, do business, and get out.

**Bill:** They have mailboxes for all meetings at the Alano club, so they can stuff mailboxes full of stuff.

**Eddie:** Had 3 GSRs show up at the District meeting, but they're not here at the Quarterly. There are 15-16 home groups in his District, and last Monday was the first time a GSR went to the District meeting, and the mailboxes are stuffed with information from the last 3-4 months.

**Debbie, Chair:** As a DCM, it is your responsibility to get the information to the GSRs and the groups; why do they have to come to you? Some GSRs can't make it, so can you get some time with their group conscience to get the information TO THEM. What if we go to them?

**Anna, D6:** Her district set up a small committee to go to the Groups to inform and get them to go to the District meeting; they have their business meeting dates and times. It takes a lot of time, but get multiple people involved.

**Dawn:** When she and Adam (DCM) were both elected, they decided to make the effort to go to every home group's business meeting at least once per rotation. Because of this, they have gotten invitations to go to people's home groups. There is a women's group that has been running for many years, but

they've never gotten a group number, and because of Dawn and Adam's participation, they are a real group now and they participate. If we take our sobriety and service position as seriously as we did our drinking, we can find a few minutes to send that email, make that call. We are doing the best we can, but there may be 5 mins to grab someone else, make a call, or have the secretary do it.

**Anna:** They also did a flyer to inform. Groups think they can't afford a GSR, but it doesn't have to be traveling and Assemblies/Quarterlies; it can be District meetings. If you don't come to the District meetings, the District doesn't know you're struggling.

**Dennis, D22:** One group had a GSR, ended up in jail, so he couldn't go to the District meeting, then another GSR got thrown in prison. So, he went to their business meeting; they had \$600 sitting in their 7th tradition and didn't know what to do with it. He couldn't tell them what to do because they're autonomous, but it's informative what you find out when you go to them.

-----

**\*\*Dan:** New Topic: How is everyone doing with the meeting guide and website and updating meetings?

**Anna-** If you do it regularly, it's fine.

**Cindy:** She's not familiar where to go; someone asked her what their group number is, so she went in and looked for it, but it wasn't in there.

--Neat: Gary has it.

--Gary: Group numbers are on the FNV, GSO's website.

--Dan: You could put them in there; there's a group section in that, so you can add notes.

#### **Brian - Treatment and Accessibility**

At the service workshop in Ellensburg, they discussed having trouble with the Bridge the Gap program. Maybe ask the DCMs who don't have a treatment committee if they can give the Area a hand - printed handouts for all DCMs.

The volunteer will go by and pick up the person exiting the treatment center. That person will fill out a form with their info, including their zip code, and Amy W. will send that information to the appropriate District. Once they get to that District, this is where the DCMs come in; when you go to your District meeting, you have all your GSRs there, have them bring the sign-up volunteer form with them back to their Group, pin it on the bulletin board; it's a list of people who might be interested in taking someone to meetings. If people don't know this form and opportunity exist, they won't sign up for it. If the DCMs get a call from Amy, they can look at their list to know where to pick up the person. That's where we have trouble with the Bridge - the information isn't getting where it needs to go. They're having success with panels that go into treatment centers & are explaining the Bridge the Gap program. It shows them the opportunity is out there. They will also let them know if they don't want to do it, nobody will bother them again. This form will help get contact into the district.

Get the names of volunteers to your DCM and Amy will take care of the rest. This list is confidential. If you choose one person, that's the only person you give the information to everyone about the graduate, only the person who has been contacted

.

Any problems or questions, contact Brian

Anna: Goes to a lot of treatment centers, they do the treatment panel presentation, and the people are shocked when they hear about the Bridge the Gap program, to know someone is there to help them get to their first meetings, not alone and scared.

**Allen**

Is there anything you'd like from your Delegate?

Anna: Need to schedule Delegate's report (dates of reports are not posted on the Area events page)

Rotation is coming up - DCMs are being looked at for Area positions & they hope DCMs will make themselves available. Sometimes a full-time job is challenging, but he still made himself available. Service is important and the 3 legacies are vital to sobriety.

**GSR Roundtable**

Tom: 18 SR's, 38 present. Diana, alt-chair suggested that we focus on 3 topics:

Topic 1: Suggested by Sean S, GSR "getting people to show up for monthly business meetings or group conscience". Discussion included Diana, alt-chair stating that the 2 best ways to get folks to AA event is food or controversy. Others said to invite people to come! One idea was to stop serving coffee at the home group to create controversy. May get people to the business meeting.

Topic 2: How to get new members involved. It was suggested by Jackie GSR, D17. Discussion included "do not lean on them or give them a sense of obligation, lead by example" Sponsorship, show them the way. Break service down into "bite-sized" chunks. As the, to greet, set-up, clean up, tear down, etc. Tell them the "secret handshake" s service work! Have a monthly coin birthday cake meeting immediately followed by the business meeting. Tell them "we need their help" not "you need to do "x" or force a job on them.

Topic 3: Suggested by Debra, GSR D17. Lack of financial resources with smaller groups for GSR travel. Suggestions "carpool, carpool, carpool" The best part of the weekend is the meeting on the road, to and from. "Charity begins at home". Prior contributions to service entities ensure money for GSR travel. Pooling money from multiple groups, send one GSR on an alternate basis to quarterly. Moc the importance.

In Summary: A very lively discussion with almost everyone contributing to the finished product. Certainly the best GSR Roundtable that I have attended.

Respectfully submitted: Yours in Service, Tom A

**Concerns and Solutions:** to increase attendance at Quarterlies.

**D16 Joaquín DCM,**

**Translation:** our business meeting is the last Sunday of the month and the GSR's were motivated in practicing the traditions and to communicate this with the DCM's of Districts 21 & 25. I would like to thank my partners for the support of the Delegates report from Allen. Our local district16 with contributions of \$40 by passing the hat."

**D17- Spokane:** Brande G 4 groups represented today

**Standing Committee's:** Treatment & Bridging the Gap. No last quarter activities.

**Planned Activities:** Sponsorship Workshop.

**Concerns and Solutions:** Trying to encourage people to fill positions next rotation.

**D18** Unsure how many groups participate in district. Last quarter activities: Pig Roast happened again Memorial Day Weekend. The crowd was smaller but awesome sobriety was celebrated. It is still the "affordable campout". We still don't have a district email so we rely on the secretaries reports for what's going on.

**D19-Ephrata,** Steve H, 40 group, 1 here today.

**Active Standing Committees:** PI-Cpc, Grapevine & Literature, Archives and treatment.

**Last Quarter Activities:** Nothing to report other than that District mtgs are rotated between 3 venues; Ephrata, Moses Lake and Quincy.

**Planned Activities:** Annual picnic and BBQ 7/27/19 at Connelly Park Moses Lake. Gratitude Banquet 11/16/19 ERC. We are hosting the January Quarterly at the Ephrata Rec Center in January 17.

**Concern and Solutions:** Lack of attendance at District mtgs. Maybe more consistent announcements regarding district meetings.

**D20- Yakima, Eddie G,** number of groups 15, 1 represented here today. ;Treatment, PI/CPC Corrections, Archive and Literature Chairs are in place;

**Last Quarter Activities:** Hosted service workshop with D6.

**Planned Activities:** Host Delegate report Aug 24 11-2 at the Alano in Yakima, 1105 S 3rd with D6, D10 and D11.

**Concerns and Solutions:** Lack of GSR's showing up, make flyers and deliver them to other home groups about the importance of a GSR.

**D21-Hispanic, Rogelio C, Hola, MCD del district # 21** the district has 11 groups and business meetings are held every 3rd Sunday of the month.district # 21 has the full table here and the literature committee. And we are still working with the groups and the 21st district is working together with the 16th, 24th and 25th districts to get ready for the October assembly of the area and we get together 3 district for the delegate to give us information 16, 21, 25, thanks

**D22 Latah County ID and Pullman, WA;**Dennis D DCM 13 groups, 1 represented here today.
