8:00 a.m. Call to order by Area 92 Chair, Debbie T. It was followed by a moment of silence and the serenity prayer, reading of the 12 Traditions and 12 Concepts in both English and Spanish. Debbie explained who the voting body is and asked for motion to record proceedings, approved. Debbie explained what is going to happen today. There were many new GSRs here for their first assembly. D2, D6 approved minutes. Debbie turned the meeting over to Kathy, Pacific Region Trustee. Kathy explained the 3rd Legacy election procedures and will facilitate our elections today.

Kathy gave her report explaining the PRT service position. Kathy was elected to serve on Grapevine Board as Treasurer and travels to New York eight times per year. Kathy thanked Allen D. for his service as WSEA 92 Delegate and said he did a great job. Kathy described the two newly elected Class A Trustees' background. Kathy discussed the new meeting guide app. There will be daily reflections and other news on the app to stay connected. The digital age is here, and the app is available on Android and Apple. Kathy reported on the corrections correspondence program. The Grapevine is sent to the inmate through the Carry the Message Grapevine program. You may purchase a subscription for an inmate. Kathy reported on the 2020 International Convention and 13,000 have already registered. It is difficult to find a hotel room so reserve early. Shuttle service is available from hotel to Convention Center. Kathy discussed PRAASA and reports that the 2020 PRAASA will be held in Tucson, AZ encouraging all to attend. Kathy reported on both boards, GSO and AAWS and how they are working together, "It's all A.A." We are working on one online store to purchase literature instead of the current two online stores, Grapevine and aa.org. Kathy discussed You Tube channels for Grapevine and AAWS. Kathy reported on the finance committee she serves on and how they needed to move to a larger office because they exceeded maximum seating capacity. They got a good deal at \$22 per square foot including utilities! They will need about 1 million dollars from the General Fund to renovate the office. She also discussed the new GSO business software and how this is progressing. Kathy discussed other countries setting up service structures and how the Service Manual helps, however we need to be flexible when helping other countries set up service structures. Kathy shared on new CPC exhibits to be approved by the Trustees Committee.

TRUSTED SERVANT REPORTS**Delegate-Allen D.-**

I would like to thank all of those I have had the honor and privilege of serving with throughout my life in Ara 92. It has been an incredible journey. The friends that I have made across the US and Canada will forever be in my heart. Alan F. Area 72 Delegate who is here assisting us this weekend is one of those. Kathi F. our Pacific Regional Trustee has been an inspiration to me with her knowledge in service and guidance. The Past Delegates who I will be sharing a seat with soon have also been a major part of my life in Service and out. Dave M. my dear friend and Service Sponsor I love You! Experiences of a lifetime. Serving you, Area 92, and this wonderful program and at the General Service Conference cannot be

matched by anything, Congratulations to the Panel 70 Elected and Appointed officers, who will be carrying the torch. Have fun in what you do as I have. This banner that you see here today is something that I would like to give to Area 92. It represents the importance of Unity with in our Area. I've felt a closeness to our Spanish speaking districts, like no other. Coming from Honduras has helped with my communication with or linguistic Districts. Their Gratefulness shown while serving has meant the world to me. Everyone here has and always will be with me as we continue our journey.

"If you persist, remarkable things will happen".

In Love and Service

Alternate Delegate-Gary P.

Good morning, I'm Gary, alcoholic, currently serving as your Alternate Delegate.

Since our last meeting in July I've been involved with assisting the Ad Hoc GSR School Committee and the SWEA 92 Web Committee in wrapping up the new GSR School curriculum and helping make it operational. We are pleased to report that Districts 5, 12 and 23 hosted the first GSR School using the new curriculum. Cindy H and Jennifer W will provide a report on this event later today.

Lisa G. translated the new curriculum along with Allen D and will announce the roll out of the Spanish version GSR School curriculum. All the information is posted on the website and I'm grateful to have participated in this project.

I also assisted the Handbook Committee with updates to the Alternate Delegate service position description. I trust this will help future candidates evaluate their decision to stand for this position.

YIS, Gary P.

Chair-Debbie T

It is with mixed emotions that I stand here today so, I decided to save the mushy stuff for last otherwise I won't get through this!

During the past three months since we last were together, I attended a Delegates report and have been planning for this assembly. I was excited to design the ballots and find a local printer that was reasonable enough with the charges to enable me to get them printed. How do you like them? I finished the summer with precious time with family and returned to work the end of August to begin a new school year. I am very grateful to this program for teaching me a new way to live and approach life. Because of the opportunities I received in A.A. and especially Area service, I find myself naturally assuming a leadership role at work and gaining respect from co-workers and administrators alike. This has only been possible by the grace of God, trusting my higher power, and a willingness to walk through the fear that had become paralyzing for me when I was drinking. If there is only one thing, I can leave with you with, it would be to NOT let fear prevent you from stepping out of your comfort zone. I am here as testament that the love and acceptance of this Area is stronger than any of the scary things you can imagine.

This is my last time at the podium in this position (Yay! Boo!). I cannot put into words the gratitude I have for your support during this rotation. Rad and Diana been amazing in helping me through. Rad, with his patience as we navigated our way through Roberts Rules of Order and the Concepts. Diana with her fresh perceptions at times when I was stuck and didn't have a clear vision.

I am very proud of the things we accomplished as an Area, and I know we could not have done it without a lot of love, patience, and tolerance on all our parts. As I begin a new chapter in my life, know that I will miss each one of you and I cherish the memories I have of serving Area 92. Thank you for allowing me to serve!

Alternate Chair-Diana M

Diana encouraged members to step up and write out a resume if interested in serving as an appointed committee Chair and to e-mail to area92alt@gmail.com. The cutoff date is 11/20/2019. The Selection Committee will meet on 12/01/2019. The outgoing and incoming chair meeting is 12/14/2019. Service is what this program is all about. My mailing address is Diana M. 19140 Highway 20 Winthrop, WA 98662

I want to thank District 16, Juaquin for all their work hosting this weekend. I especially want to thank Virginia as she has been a real blessing to me as she did all the translations of our conversations. We talked almost weekly the past couple of months. Thank you so much.

I also want to thank WWA 72 for coming over to count ballots for us. I've enjoyed getting to know all of you. Thank you all so much.

I've contacted the hosting committee chairs regarding their upcoming quarterly and assembly meetings and want to report that all is going well. A week or so ago I sent an e-mail to all Chairs asking if anyone would like to meet with me to discuss their upcoming events, so we met last night during dinner and plan to meet more today during lunch to go over any questions they might have regarding hosting events.

I attended the September SCW in Kennewick along with out a DCM, Cindy and I was able to meet several members from the Central Office in Tri Cities. we read the section in the Service Manual on p. S42 entitled, "Working with Local Inter Group and Central Office." I hope this reading and discussion helped local members understand how we all work together to carry the message of recovery. There was also a discussion on whether or not there is a need for SCW or should they be combined with Area Quarterlies.

I attended the Delegate report on 9/8/2019 and Allen gave a very good report. It was hosted by D12 in Omak and was well attended. I also attended a GSR school in Chelan which was hosted by D5, D12 and D23. Rad and Dave did an awesome job and this event was well attended by more than 50.

I attended Soberfest in Leavenworth hosted by D5 and was asked to present on the topic "Anonymity and the New Media" along with Rad and Gary. My part of the panel was to discuss on how SWEA 92 protects the anonymity of our members on the WSEA92 website. It was well attended, and the audience response was great with many questions and comments about Facebook and anonymity.

For fun I attended a women's spiritual campout in August at Alta Lake. I enjoyed the meetings, food and fellowship!

Recently we received a request to post a new meeting to the Meeting Guide app. I referred it to the Web Committee, and it was decided it is best to reply to the sender stating that according to WSEA 92 website Guidelines we need to verify that all requests for postings adhere to AA's 12 Traditions. Unfortunately, we were not able to post their flyer to the Area website or onto the Meeting Guide App which is administered by AAWS.

The active web Committee members have been meeting weekly by conference call. This quarter the main topic of discussion has been the benefit of using Google for nonprofit for the Area. Please note that my email address is now: Altchair@area92aa.org

If your group or District has a flyer to be posted on the website, please forward it to me at either of my email addresses. I only post WSEA92 functions such as Assemblies, Quarterlies, SCW and GSR Schools to the calendar. If you're sending a flyer to the newsletter, please include me so I can get it posted on the website calendar. Mo

I registered myself and my husband for the 2020 International Convention in Detroit. I have relatives in Detroit so it could be a big surprise.

If you have any questions, please see me at the break or email me. I want to say how much I appreciated this opportunity to grow and be of service to you in this position.

Yours in service, Diana M Alternate Chair

Alternate Treasurer-Jan R

Hello Area 92! I have been busy with the handbook committee weekly. It is coming along very well. I am excited for the finished product.

The Kennewick Standing Committee Workshop was well attended. The finance committee crunched numbers to work on the budget.

We had a wonderful time at the Three Rivers Big Book workshop. There were excellent speakers.

I applaud everyone for your generosity. The contributions this month were \$2925.51. The contributions for the third quarter are \$10,983.98. Good job AREA 92!

Our UPS mail contractor re-mails your contribution to the Alternate Treasurer roughly every other week. If at any time you would like me to send you a copy of the spreadsheet, please send me a request per email or phone. If you are returning seed money or the overage from a quarterly of assembly, please indicate that on your check. Otherwise it may get recorded as a district contribution.

Please send all contributions to:

Washington State East Area 92
1314 S. Grand Blvd. Suite 2, Box #103
Spokane, WA 99202-1174

This report includes all monies received including: Birthday, Individual, Group and District Contributions, Seed Monies Returned, Balance of Excess Funds and Reimbursements. I am pleased to report that most Districts have contributing Groups. Will all DCM's please take the responsibility to review inactive groups with the AREA Registrar. During your District meetings please encourage your members to include:

Group Name,

Group ID Number and

District # on their contribution(s) to expedite acknowledgement in the Area Newsletter and so that I give proper credit to the contributing groups. The District # will really expedite my passing back all of the receipts properly. I still occasionally receive contributions without enough information. Also, please include a return address, and a contact phone number and email if you have one for follow up questions. Note cards are available at the events. These are to fill out and give to the alternate treasurer. Donations can now be made on the Area 92 web site by PayPal. It is set up to generate all personal/group information. If you use PayPal please be complete with your information. I will give receipts the same way as I have in the past: assembly or quarterly. Thank you to everyone who has made contributions of time and money.

Respectfully submitted

Archives- Sarah B. –

Hi Area 92, I'm glad to be here in Sunnyside, even in the rain. I haven't really been in this area since the mid-eighties.

The work party that we held in July was awesome. We had a book covering assembly line that was hard to keep up with. The hygrometer for the Repository did not get installed at that time, however. I tried to install it in September with the assistance of Area 72's Archivist Al, but we needed a password for the laptop that was donated three years ago to the Archives and I'm glad to report that problem was taken care of last night.

The Regional Archives Workshop on August 17th went very well. I think the attendance was up from the first time I hosted it three years ago.

I went back to digitize more tapes and completed about 150, so together with the downloaded ones that's about 200 completed. I was going to go back the end of September to finish the job, but literally got waved off at the last minute by a phone call informing us that the wife of our host was stricken with an unknown illness and we were advised not to come. As the say "Compost Happens". Now the plan looks like it may be completed the beginning of November. Grateful to be of Service, Sarah

CPC-Rex H.

Greetings,

This quarter I attended the standing committee workshop in Kennewick in September. I will be attending the final committee workshop of this rotation in District 8 in December.

Exciting news on the national front. We have formed a group with CPC reps from all 93 areas. We have a quarterly conference call, the first one was last week. We have created a email chain and a dropbox to share information and concerns.

The LinkedIn page is moving forward. The CPC chair in New York is being asked to help with the implementation of this.

The pamphlets that needed revised will be hitting the printers soon.

I will not be making myself available for a standing committee chair position next rotation, so this is it for me. I want to thank you all for this opportunity to serve. I'm honored. You guys have been amazing and i have grown tremendously. It has given me the courage to challenge myself. It worked because I just took the position as director at my place of employment. Thank you, YIS, Rexann H

Corrections-Ben-

Thank you everyone for putting your trust in our Committee these past two years. I am happy to say that the literature and volunteer needs were met, not only in the 5 prisons in our Area, but the jails as well. When we began, our Chair, Debbie encouraged me to form an active committee with at least 5 members. Today we have over 30 on the Corrections Committee email list.

We have used slightly over half of the credit line allotted for Corrections these two years, so that is good news.

In addition I would like to recognize our Corrections Bridge, Lori T for her outstanding efforts as well as prison AA facilitators Mike T, Washington State Penitentiary, Mac M, Coyote Ridge Correction Center, Bill D. Airway Heights Corrections Center, Steve W, Idaho Correctional Institution Orofino, and Mark S North Idaho Correctional Institution. It is by their dedication and help from all who support them, AA is in good standing with these facilities.

My recent attendance at the Coyote Ridge annual Volunteers Appreciation night sums up my experience of the last two years....during dinner a young inmate repeatedly stated: "I can't believe all you volunteers would take your time to come here for us".....after listening to this for some time, I said: "You have no idea what a huge part of my recovery this is!... His reply: "that's so cool, we help each other!"

Thank you to everyone for your trust and support.

Grapevine and Literature- Gary H

I attended the standing committee workshop in Richland last month. Committee chairs had a nice round table conversation and we were able to share our service duties and experiences.

September also was a great time for me to be available for two different round ups, Soberfest in Leavenworth and back to basics in Colville, WA, both of which were great events to share information and sales of current literature. October brought the opportunity to coordinate literature sales to the Washington State Penitentiary. 2 cases of soft big books and one case of pocket big books.

During my rotation I have attended every quarterly and committee workshop, as well as all four of our conferences. The ability and availability, to be of service is very humbling and quite the blessing. Never in my life did I imagine my sobriety would lead me on this road of recovery. Finally, I would just add that the position of GV/Literature is very pleasurable and rewarding at the same time, there is work involved but rest assured I have left a great footprint for you to walk in. May god bless you and keep you forever and ever. Yours in service Gary

Newsletter-Rainey

I have a lot to report. I completed the e-mail purge. I sent the Newsletter service position description to the Handbook Committee. I visited the Airway Heights Correctional Facility and completed a Newsletter workshop in Coeur d' Alene District 8.

Public Information (PI)-Elizabeth

Greetings. I'd like to start by thanking District 16 for hosting our Fall Assembly.

The quarter has been very quiet. I was unable to attend the Quarterly in Colville due to a work commitment. There has been much discussion regarding the Meeting Guide App. I encourage everyone to read the latest edition of Box 459. The Issue highlights The meeting Guide App and is the first of several that will discuss the ways that AA is utilizing technology to carry our message. I encourage anyone who is reluctant to serve, to move through the fear and make yourself available. Your sobriety will be stronger, richer and will have much greater depth because of it. It has been an honor and a privilege to serve as your Area 92 Public Information Chair for the past 2 years. I am grateful for the opportunity and I have grown in unexpected ways because of it. Thanks to all who served in this rotation Alan, Gary, Debbie, Diana, David, Jan, Cameron, Sarah, Rainey, Brian, Ben and Rex. Thank you for the opportunity and for my sobriety

Secretary-David R.

Greetings! This has been a great rotation and I have had the privilege to learn more about service and think I've gained spiritual growth. This is my last report to you as our WSEA 92 Secretary. Since our last meeting in July I attended the 3 Rivers Big Book Conference in Richland and the SCW in Kennewick; both were excellent events! As I transition out to new horizons, I want to thank each of you. I will make myself available to meet with the new incoming Secretary to help train and pass on a flash drive with pertinent documents such as the WSEA 92 Directory and Handbook. Thank you for giving me this opportunity! David R.

Translation-Lisa G.

Hey Everyone, My name is Lisa and I am an alcoholic, I am currently serving as your Area 92 Translation.

Chair, it's so good to see you all here in Sunnyside. A big Thank you to our Hispanic Districts for hosting such a wonderful Assembly. You know my position as translation chair has been to encourage participation of all the Hispanic Districts, GSR's and DCM's and any other member who is interested, to act as a bridge of communication between the Area Committee and the Hispanic Districts, and to help in any way I can.

Treatment/Accessibility Brian

Brian said it has been a privilege to serve the past 2 years. I've had an opportunity to meet with all District in WSEA 92. Brian said he brought positive energy to DCMs to help with building treatment

committees. He gave them materials needed to form a treatment/accessibility committee. Brain said that due to health reasons he will go back and serve his District. Thank you for letting me serve!

Unfinished Business

Motion to rescind Archives/Archivist service description consensus in July, which would add these service positions to the WSEA 92 Handbook. Needs 2/3 majority; failed

New Business

Registrar-Gary P

I'm Gary, alcoholic, WSEA 92 Registrar.

The migration of multiple, disparate information processing applications at the GSO into Net Suite, an Enterprise Resource Planning (ERP) system, is nearing completion. This new system when fully implemented will combine our information into a comprehensive, integrated data base. The Area Registrars were first included with the FNV data conversion on 7/28/2019. DCMs may recall that the announcement of that conversion by the GSO Records Department was forwarded to all of them. All group, meeting and trusted servant data was transferred from the previous Fellowship New Vision (FNV) system to the Net Suite application on 7/28/2019. Since that time Area Registrar's have continued to enter new and changed data through the new FNV and these updates have been internally redirected by GSO staff to the Net Suite system.

Effective 10/18/2019 the migration to the new integrated Net Suite system is getting into high gear. A new data entry application called "My Portal" is being implemented and Area Registrar's will begin forwarding all requests for new and changed data via Change Forms to the GSO Records Department for entry by GSO staff through "My Portal." This interim process will be underway until Q1 2020 to allow all 93 Registrar's to receive detailed documentation and training on the use of the new My Portal. More details relating to this process was included with Group Information Packets that were placed in District mailboxes this morning.

When completed, Area Registrar's will have secure access through My Portal to the Net Suite system. The entered data for their area groups, meetings and trusted servants will be linked with overall financial, operational, literature, warehousing, mailing, distribution and contributions information through a seamless, integrated system.

In closing, many thanks to the District Trusted servants who have worked with me to keep our records up to date over the past 7 Quarters! What ride! Gary P Alt. Delegate

DCM Round table-

Anyone have ideas on panel speaker subjects? Preparing for 2020 quarterly

- There's a list of topics suggested, shown in the final report from GSC

District 22 in Moscow is putting on a GSR workshop on December 7, 2019 from 11-2; Gary is coming down, they'll have a facilitator and potluck. There's a flyer on the district website. They're putting it out there that you don't have to be a GSR to come and learn. This was not done through the GSR School request through the Area website.

- Have to line up food, lots of printing to do for workbooks; a lot more than you'd think. Scheduled for approximately 3 hrs.

- What percentage of attendees at a GSR workshop are interested in becoming a GSR?

- 100%

- Vs. they're already a GSR and just want more information

- Then probably 30 out of 50 (districts 5, 12, 23)

D6: Yakima: Comment for feedback: This other District did a GSR school and got 50+ people there - what was your main point of getting attraction to your people to come to these workshops?

- Food

- D6 probably had 20-23 groups in the district, and maybe 3-4 GSRs attend. They wanted to do a GSR type workshop, but can't seem to get the attraction from other groups to attend

- Make flyers to advertise in meeting locations and the help and people come; just word of mouth doesn't work

- Talk to all GSRs who come to district meetings and say if you're outgoing, grab an incoming GSR or anyone interested and bring them with you. This is information they'll need.
- Select as many people from different groups to help on the committee, and then they will bring their people into the workshop
- Partner with a neighboring district to try and get more attendance
- District tried to go in person and invite GSRs to gain interest, but then nobody shows up and nobody helps

Dealing with people who only go to a meeting to get a slip signed; all they need is the meeting and they're gone. What solutions are there, if any?

- Try to get people involved in fellowship fun stuff, like potlucks, banquets, feel more about unity
- Recovery is first, then service - so get back to basics with sponsorship and working the steps. Once they get their recovery going, they'll want more and maybe it's service
- Try to capture newcomers, make them feel welcomed and loved. At district meetings, they keep it to one hour.
- Conduct a homegroup workshop to strengthen groups, which will in turn help the newcomer

Do districts host a bunch of functions?

- Consensus was yes, most districts have an activities chair and events put on by the district
- Do you have an events committee? - Central Office used to do those things, but now Central Office is struggling, so nobody is doing it and nothing new has been established.
- His homegroup does quarterly potlucks and events, getting 70-100 people at these events, and a group has a mystery speaker, and those go well, but what he's trying to do is take that homegroup stuff and apply it to the district.
- A service committee and an events chair could be useful at district.

What suggestions do you have for an incoming DCM?

- Outgoing DCM be there for information and support, show them the ropes, maybe even before the rotation starts, if possible (depending on when elections are), send links to different literature and information as much as possible. Make yourself available.
- DCMs have the information for updating information on the website, and can pass it on to the next person
- Look at the service manual, district handbook, area handbook, aa.org, area92aa.org, the information is everywhere. Also, the GSR school goes through all that and the information is on area92aa.org

What are you doing to promote the next election of officers in your district?

- Bring it up at district meetings and have GSRs take the information back to home groups and bring it up to gain attraction, there may have even been flyers made at one point
- Recruit! Go out and see who is doing what in the district or homegroups and let them know they'd make a great X position.

GSR Roundtable-

Diana M opened the meeting with a reading from the Service Manual regarding the third legacy and what this means, carrying to the message. Several GSRs asked questions about the upcoming elections for Area service positions. We discussed the group conscience vs. personal opinions. We also discussed the resume for service positions. We talked about delegated authority from our groups and how we have the right of decision from our home group. Rad recommended going to our website area 92aa.Org

to read more information about GSR service position. We also discussed the importance of minority opinion and how important it is to listen to their voices in AA. Angie L (509) 429-9238

Diana asked for help. We need to start collecting resumes for Archivist. We need someone willing to work on archives, preferably someone from the Spokane area. If you know someone have them contact Diana. The Archivist will be chosen by the Archives Steering Committee. We would like someone who is in the program/fellowship but that is not a hard requirement. The candidate would need to meet with Steering Committee.
