

Hello Area 92

July 2022

Area 92 Newsletter

Mission Statement

To Report directly “to those they serve”; to publicize AA events; to be a forum for sharing and comment.

Greetings Area 92!

Hope your all well and happy, joyous and free. I would like to inform you the we have a new Bridging the Gap Coordinator, Jason U. whom you can read his introduction under the Treatment Chair. We also have our new Area 92 Secretary, Naomi J. introducing herself in the Area Secretary report. On behalf of the Area, we welcomed you both in service.

Speaking of service, ask yourself “if there was no service in AA would AA continue to be?” Good question that I hope we never have to answer. In the Language of the Heart, “What Is the Third Legacy” pg. 160, defines what service is and continues on pg. 161. It’s a good read and I am grateful to a sponsor in my early sobriety who showed me by example about service and expected me to be in service to. So, if I want the hand of AA to always be there, you must be there! That’s why I do service.

Greetings WSEA 92 Fellowship!

How about that June Standing Committee Workshop?!! How fantastic to have that many people participating both in-person and online! Hats off to District 2 and our technology folks Dan M. and Larry E. The virtual aspect of our meetings is constantly improving our Concept IV efforts of "participation"an informative successful day for everyone. Great Job!

The first report back, sharing my experience of the 72nd GSC with our friends from Spokane Districts 2, 3, 13, and 17 was so much fun. Thanks to all of you for your warm welcome and hospitality. Future reports are scheduled for Districts 6&20 in Yakima, July 30th, Districts 8&26 August 13 in Coeur d'Alene, and Districts 4&9 in Walla Walla, August 27. Details for these events are posted on the Area website events calendar. A virtual only report back, for those unable to attend in-person will be Saturday, September 3.

In the last few weeks, it was a pleasure to participate in the Pacific Northwest Conference (PNC) and the Washington State Conference of Young People in Alcoholics Anonymous (WSCYPAA). With the PNC being the oldest AA service event, and WACYPAA relatively recent, I am reminded just how far reaching the Fellowship continues to carry our message of hope.... a wonderful thing to be a part of.

Excited to see all of you in Libby for the July Quarterly. Plan the "road trip", it appears we have a full agenda with a fair amount of business to attend to, "unified in love and service"!

Area Alternate Delegate

Summer has finally arrived and spent no time at all jumping to the upper nineties in the Methow Valley. I'm trying to spend as much time as possible outside during this beautiful weather. We are hoping to hold several of the Methow Valley Speaker Potlucks outside as long as the weather is good.

I've continued to attend the monthly meetings for the North American Alternate Delegates. The topics at the NAAD meetings have been on how the Alt Delegates position is to be supportive of the Delegate and learning to be conference focused instead of Area focused.

The Pacific Northwest Conference held the last weekend in June every year

I was asked to do a presentation for the Pacific Northwest Conference (PNC). My topic was, How do AAs go to any lengths to unify? I think the reason I volunteer to do presentations is because it gets me into the literature. I've been reviewing Bill W's writing in "The Language of the Heart" and "AA Comes of Age". I always enjoy Bill's writing from the Grapevine as well as the business side of the program in "AA Comes of Age". I enjoy being involved and of service to the PNC and hearing from the other presenters. Since it was virtual, I had hoped to see a good showing from Area 92.

I'm looking forward to seeing you all at the Area 92 Quarterly in Libby, Mt either in person or one line.

Greetings Area 92!

Summer has finally come and it is so great to hear from the many Districts about summer fun in our AA communities. The fellowship with its many activities, shares the message of AA and how our lives have changed in sobriety, as we introduce newcomers to a life that is not boring and glum!

I attended the Standing committee workshop in Spokane, what a great event! It was heartening to hear that many people were first time attendees to a standing committee workshop. Great job done by District 2 and the Technology committee in producing the event. Thanks to all of the Standing Committee chairs for their presentations and committee work!

Much of this month was involved with phone calls and emails concerning Area Motions. I also had the opportunity to attend a few A.A. meetings in the Tri-Cities while working on projects there for work. I also have the opportunity each month to host video conferences with the Elected officers, Standing Committee and DCMs. These sessions are very informative and productive, there is a lot of shared experience strength and hope among the many Area Committee members.

I look forward to attending the July Quarterly in Libby, Montana. I'm sure District 26 will show us their very Best Hospitality!

We still need to fill the position of the Public Information Chair on the Area Standing Committee. If you would like to find out more information, please feel free to contact me at any time.

I would like to say how much it is an honor and a privilege to serve Area 92 and Alcoholics Anonymous! This month I am reminded that but for the Grace of God, there go I. Humility as one of the principles of the seventh step and the willingness to remain teachable creates the space for an ever-expanding spiritual growth!

Best Regards to All!

Welcome to June the month riddled with National Days. If you seek a reason to celebrate there is always a reason. This coming Monday June 6th is National Donut Day. Let's get real who doesn't love a donut. Donuts like humans come in all colors and shapes.

So, pause for a moment this month a find a reason to celebrate weather it is a donut or just another human it is worth celebrating

I am super sad I was unable to attend the workshop hosted in Yakima last month. I hope everyone had a wonderful time and the workshop was well attended.

June started with a trip to see friends in recovery for a campout. So grateful and thankful to have been present and enjoy the time away. I am also looking forward to some time with my youngest next weekend for a concert at the Gorge. I have a couple of Rodeo's on the agenda also to spend time with my oldest son.

In the service end of life. I am going to attend the Standing Committee workshop in Spokane with some friends. All the registrations are made for the July Quarterly in Libby for the elected and appointed. We will be having a fiancé meeting on Monday June 6th at 7pm if you have an interest in being a part of the Finance Committee, please contact Bryan B. our Alt Treasurer. I have a scheduled meeting with Elected Committee meeting on the 2nd Monday of June.

Area Secretary

Hello,
My name is Naomi J. and I joined the Area team in May. I have been doing my best to catch up and attempt to figure out what it is I'm doing, LOL. I have met with the Handbook committee and they graciously helped me get 25 printed copies of the current version of the handbook that will be available at the Libby quarterly meeting. If you are not going to be at the meeting you can contact me. I have also been working closely with Benjamin to get the handbook translated. I just finished making minutes from the January meeting from the online dictation, with Benjamin's help. Looking forward to seeing some new faces at the Libby meeting!

Happy summer Area 92,

Thank you, Mark, Rainey and District 2 for hosting the Standing Committee Workshop in Spokane on June 18th. We had 7 people on Zoom and 6 in person for the archive's portion. Thank you, Lisa D. and Gabrielle V., for the excellent presentations on some Area 92 history and archiving basics. District 12 will be hosting the next workshop on September 17th in Omak. We hope to see you there.

I attended the Pacific Northwest Conference on Zoom last month and heard some interesting panels and presentations, including some from our Spanish speaking members.

The Archives Steering Committee has been meeting and working on the motion that I will present at the quarterly this month.

Valerie DeWitt
WSEA 92 Archives Chair, Panel 72

Area Archivist

Hi everybody, Hope you are all having a lovely summer!

We had a lot of fun at the Standing Committee Workshop in Spokane. Valerie, Gabrielle and I shared a lot of information about Archives and I brought a small Archives Display including a 2nd Edition First Printing of the Big Book signed by Bill W. himself. I was able to share some Archive basics and guidelines and some amazing history on Jan and Fran P. plus Area 92 history. It gave me an idea to go deeper into the step by step timeline on how we became a New Delegate Area so I am putting that together as I catalog Ben Biegler's donations, who is our very first WSEA92 Panel 46 Delegate. This is going to take some time but I believe it is a project well worth putting the time into.

A question came up during the workshop that some members are wanting to know the number of items we have at our repository. I answered 50,000 items off the top of my head as my best guess but at our recent Archive Standing Committee Meeting, I was told my guess was way off. The number of items we have that include documents, reports, shirts, hats, cups, plates, pictures, tapes, cds, books, pamphlets, fliers, pins, coins, buttons, records, banners, maps and many other things numbers more in the range of 100,000. So much for my math. I wanted to give the Area an accurate estimate.

I am really hoping the motion passes for the new repository so we have an appropriate place to receive, process, catalog and safely store our precious priceless Area 92 history. I did come across more damaged (bleeding) documents as I was processing Jan and Fran P's items from the 60's and 70's which are concerning.

I believe this new repository (if Area 92 decides to go forward) will be a place that we can come together to view, learn and enjoy our history. It will belong to all of us.

SIS,

Lisa D.

Area Corrections Chair

Hello All,

Reminder for all in Area 92; Corrections *Focus* for Panel 72:

Connect, Inform, Network, and Serve All Levels of Corrections

Continuing with new connections in our correctional facilities with more and more meetings! I am here to inform and network with Area 92 members to find volunteers interested in serving in our correctional facilities, have been vaccinated against COVID and have at least the suggested one year of sobriety, please write me at: corrections@area92aa.org and share who you are, where you are from, and your contact information and we will do all we can to get you into to Share Alcoholics Anonymous with our "Inside Members!"

The Standing Committee Workshop was fantastic! Thank you for all that were of service and those that participated directly with Corrections! I left on vacation right after the workshop and am still out there on the Road of Happy Destiny so I still have some follow up to do. This is a message to those that are wondering about my follow up tasks...getting on them as soon as I can!

Area 92 Corrections is still looking for a volunteer to fill the Bridge Program Coordinator position which is a very important service position in helping those getting a bridge from incarceration-to-the-Fellowship of Alcoholics Anonymous. If anybody is interested in this position or would like to join the Corrections Committee, please let me know at corrections@area92aa.org! Please...we need help here.

Excited to see everyone at the **Libby, Montana** for the Quarterly; I will be there in-person and hope to see many of you too.:

Love you all and grateful/honored to serve...Marc Mc.

Area CPC Chair

Along with participating in the June Standing Committee workshop we had several other activities that we hope will allow us to reach those still struggling.

- Met with Breakthrough Recovery (Spokane Valley) leadership team. Discussed how AA can be of service to them. They have agreed to have AA trusted servants meet with their clients to share Experience, Strength and Hope on an ongoing basis. I personally shared with their client groups during the month and will continue to get other volunteers involved in doing the same. Personally, I introduced a couple of their clients to their first AA meetings.
- Met with Dr. Darin Eckert from Multi-Care. Discussed how AA works and how we could be of service to those struggling with alcohol abuse. Prepared a package for him to review and will follow up with him this month.
- Assisted Sam K. (District 8 CPC) with the preparation of a presentation for the Post Falls police department. Have an upcoming meeting scheduled with the department leadership.
- Met with University of Washington School of medicine. Preparing presentation package for follow up.

STANDING COMMITTEE WORKSHOP

- Meeting chaired by Jay J. (CPC Chair) and Ben Nelson (Delegate) who filled in for the vacant PI position Chair.

AGENDA

- Item #1 - Meeting Overview & Expectations
- Item #2 - Who have we reached out to thus far?
- Item #3 - Who else can/should we reach out to?
- Item #4 - Continuity of approach
- Item #5 - Area support to districts. Districts teaming together and creating sub-committees.
- Item #6 - Virtual Meetings to be held monthly to support process and provide support.

Greetings Area 92,

Sorry for such a late Newsletter but I had foot surgery on Thursday the 7th and it turned into a slow bleeder requiring bandages to be changed and keeping my foot elevated with ice. So, I wasn't able to really start on the newsletter until Friday night for a little bit. So, I now finished it today, Sunday, July 10 and sending it out. Sorry for the delay but we must take care of ourselves first in order to be of service to others.

The Technology Committee is meeting weekly to prepare for the July Quarterly. We have a plan on paper and did a simulation with all the needed technology.

We have investigated how the Area could provide the Audio/Visual equipment and setup for Area Events and how much money this could save.

We are also discussing changes to the website and what information can be seen by the public.
I want to express my appreciation for the opportunity to serve with this talented group on our technology committee!

Treatment/Accessibility Report EOM June 2022

The month of June seemed to fly by for me. I attended the Standing Committee Workshop (SCW) in Spokane early in the month. Thank you to District 2 for your wonderful hospitality and the fantastic job you did putting that event together. We concentrated our efforts on navigating the Area 92 Website and discussed the various forms available on the website. These are accessed via the Standing Committee link, click on the Treatment link, click on Bridging the Gap link to find the following forms: 1. Form for person coming out of treatment, 2. Pamphlet and volunteer form (for members that want to help Bridge the Gap (BTG)). There is a lot of information on this website that helps clarify the Alcoholics Anonymous (AA) role in cooperating and not affiliating with outside entities.

I introduced Michelle P., my new co-chair for Accessibility. Michelle brings a lifetime of experience to this role and is already enlightening me on issues I had no clue about. Tom B. (D8 Treatment Chair) shared access information to the GSO website and how to access their pamphlets and forms for treatment contact.

We had our second Treatment/Accessibility monthly meeting on June 27th @7pm. We will have a monthly meeting on the last Monday of the month moving forward. If you wish to attend, send me an email treatment@area92aa.org. We discussed suggested updates to the website, proposed projects for Accessibility and proposed projects for Treatment. Tom B. passed along information about two Nursing Homes that were interested in starting meetings. This information was passed along to the DCMs in the two districts involved.

My experience has been that when I do service work, I get out of my own head and I feel great satisfaction when trying to help others. "Practical experience shows that nothing will so much insure immunity from drinking as intensive work with other alcoholics." Alcoholics Anonymous, Chapter 7, Working with others. If you are struggling, get involved in service. The rewards are immeasurable.

Hello,

My name is Jason U,

I am happy to be serving you as the new treatment bridge coordinator for area 92.

I'm just shooting a quick email to introduce myself and to perhaps familiarize you with the area92aa.org website to volunteer to help bridge the gap between the treatment centers in area 92 and Alcoholics Anonymous.

The web address is area92aa.org, from on the cover page click standing committees, there you'll see a list of our area standing committees, click on treatment in the opening paragraph there will be a blue high light reading Bridge the gap, click here, this will take you to the bridge the gap treatment page where you can contact Our committee chair, learn more about area 92's temporary contact program, or make copies of our pamphlet and volunteer forms, Volunteer sign-up sheets, as well as the Bridge the gap form itself, for newcomers who are needing to be bridged that I'm is available to them in treatment before being discharged via the area92aa.org website

Thank you for your time

If you have any questions feel free to contact me via email at this address, treatmentbridge@area92aa.org or our committee chair Michael O.

Hybrid Ad-hock Committee

The Hybrid Ad-hoc Committee has been meeting weekly to finalize our first motion and its background for presentation at the Area 92 Quarterly on July 16th in Libby, MT. The Area 92 Technology Committee will be answering questions at the Quarterly.

The purpose of the Quarterly is for the DCMs to see if the motion is clear and concise. All other presentation is to make sure DCMs have a clear understanding of the motion and background so they can take it to the home groups in their districts. We will not be debating the merit of the motion at the Quarterly. We are not trying to sell it. We will answer questions in order to facilitate the most informed group conscience at the home group level. The home groups are the ones that will decide yea or nay on the motion itself.

See you in Libby!

District 2

District 2 hosted the Area 92 Standing Committee Workshop on June 18th at Manito United Methodist Church. Thirty-five people came in person and twenty more came online. Of the 35 people in person, a full 17 of them said this was their very first Standing Committee Workshop! The District supplied coffee, water and chicken and other people provided a few salads and a lot of desserts. About 15 people worked on this event including a pre-shopper, shoppers, set-up, kitchen, technology, venue contact, a chairperson and the Area contact person. We learned one major lesson for future reference: Area Standing Committee Chairs need to come early, set up their computers, log on, and do a sound check.

The four local Spokane Districts have been addressing the meeting information presented on the Meeting Guide App. We met with the Central Office President/Webmaster who is also the Area 92 Technology Committee Chair and came to an arrangement that will work for all of us. The project is now in the lap of the Central Office and the Area 92 Technology Committee. Meanwhile, please find current and accurate meeting information at www.area92aa.org.

Rock on!

District 3

Greetings from District 3, covering north central Spokane and cities west on US2 to Wilbur and US395 to Lind.

Last month's Delegate Report Back event took place on June 25th at the Corbin Senior Center in Spokane. District took the lead on this 5-District effort with Districts 2, 3, 8, 13 & 17. We had 19 people in person and another 9 online with a trouble-free hybrid event.

All Officer positions are filled and all committee chairs except Bridge and PI/CPC are filled.

Our own SPOKYPAA hosted the Washington State Conference of Young People in Alcoholics Anonymous (WSCYPAA) in Spokane July 1-3 at the Centennial Hotel. They had a great turnout and a successful event.

We are working with Districts 2, 13 & 17 on an All-District Potluck/Speaker Meeting Sunday, August 7 at the Spokane Alano Club.

District 5

Greetings from District 5. The weather is finally warming up now that Summer has arrived. Our District changed the location, day and time of our monthly meeting in hopes of making it more convenient for members to attend and hopefully increase participation. We were meeting in a rather remote location in Cashmere and moved to Duncan Fellowship Hall in Wenatchee, which is a building a group of AA members came by and volunteered their time, energy, skills, and many members generously donated funds to renovate and bring the building to code. It has been four months since we have been meeting there, and I am pleased to announce a substantial increase in attendance. In addition, Duncan Fellowship Hall is now home to many home groups who fell victim to COVID19 and lost their original homes. District 5 has also reinstated the monthly Birthday Potluck with cake and coin celebration on the last Saturday of each month, currently held at Walla Walla Point Park. Each month a different home group hosts the event. In June Women of Courage hosted. That's all for now. Happy 4th everyone! Be safe and have a great July!

I hope you had a great holiday weekend. The weather was a little uncooperative but that didn't stop the fun. I enjoyed working in my garden, it fills my heart with joy and my hands with dirt.

Yakima (Districts 6 and 20) has been very busy with different activities every weekend in June and many more are planned during the month of July. We are not a glum lot!!!

There are two ladies coming with me to the Quarterly in Libby, Montana on the 15th. Do I hear "girls' road trip"? Watch out Montana, here we come.

We will host a Delegate Report on Saturday, July 30th from 1 pm to 4 pm at the Bethlehem Lutheran Church located at 801 Tieton Drive, Yakima, WA 98902. I am really looking forward to hearing back from Ben N. Come join us and learn more about what transpired at the General Service Conference in New York. Coffee and water will be provided. Bring your favorite shareable munchies.

District 7

Greetings from District 7!

Our district has been planning the April Spring conference assembly and we have been meeting monthly with that. We have finally confirmed our location and have had our walk through!

We are currently in conversation with District 22 for hosting a Delegates Report (Hoping for late August) I have reached out to the local Alano club to reserve that time.

We do have lots of camp outs happening in the area which is a great and fun fellowship opportunity. We have recently brought back a tradition study to the beginning of our district meetings and starting Jan of 2023 we will do a tradition and concept per month! We are still looking for participation in a complete handbook overhaul for our district and hope that we will get that support, there have been multiple people who have stated interest but so far we will need an adhoc chair to facilitate. We currently have 2 chair positions open CPC and PI and would love to fill those!

I am looking forward to virtually seeing everyone at the Quarterly!!!!

AA works in our lives because we let it.

The conversations at the PNC last month was, well, I'm still pondering and listening. I came across the thoughts of Ward Ewing, Chair, General Service Board sharing with us a look at what can separate us (here he's talking about God/religion) and the importance of finding and living in unity through the fellowship, program and principles of AA. He says,

"For those of us who are comfortable with traditional language for God, we must remember others are not so comfortable; the language is not all that important. What is important for those who are members of this Fellowship and for those who walk through the door for the first time is to be able to discover the hope that is the spiritual foundation that will bring sanity and serenity to his or her life. Clearly such spirituality welcomes all who desire to stop drinking."

District 13

Hello from District 13. Things are going great in District 13. We just had our 2nd quarterly District 13 Potluck, 6/18. There must have been at least 75 people in attendance and a good time was had by all. I was thinking how far we had come since last year and the gratitude I felt that we were able to come together in such a wonderful way. In district 13 we had our Archives Chair step down but had a replacement take her position and is very up to speed on our money issues involved with Archives. We also had a member make herself available for PI/CPC. We will vote on that 7/12 in our District 13 Business Meeting. We also had BTG calls and Treatment calls that are being worked by our Treatment Chair. That's about it until next month.

Thanks for allowing me to serve,
Jamie Kane

Hola Area 92! Greetings to everyone in the Area 92 A.A. community. I hope this finds everyone enjoying this time.

In our district we have had many activities in the month of June. We were invited to attend PNC hosted by Area 72 by zoom. Unfortunately, I was unable to attend due to supporting another service. On 6-19-22 we joined District 21 and 24 in Grupo Nuevo Horizonte and on this same day Grupo Milagros celebrated their 29th anniversary. On June 25 Grupo Sobriedad Viva celebrated their 25th anniversary. We are grateful to have our Area 92 Translation Committee, Johnny present. In my home group 30 de Julio our GSR celebrated his 3rd. sober anniversary and our ROI his 4th. sober anniversary. The group 30 de Julio celebrates its XXXII Anniversary on Friday July 29th from 7 to 9pm. it will be a Plenary meeting with speakers. Visiting us will be a psychologist and on the 30th there will be a Public Information Meeting at the park AHTANUM RD. #1000 , Union Gap, WA. 98903.

The La Vina Committee from our Intergroup office informed us that the Group Nuevo Horizonte of District 21 were visited by the Pacific Region La Vina Committee to give a report of the work being done on the 26th La Vina Anniversary which will be held on July 22, 23, and 24th, 2022 in Las Vegas Nevada. This anniversary is to have a major amount of La Vina subscriptions.
I have encouraged the GSRs to attend the quarterly assembly in Montana.
I wish you happy 24 hours.

Hello everybody in Area 92. I hope all is well!

District 26 is having our annual sober float on Saturday September 3rd 2022. We would love to have some out of town participation, so if you're into floating the Kootenai River for about 2.5 hours please let me know.

The Area 92 July Quarterly planning is going well. The Planning Committee is meeting every week now to nail down details and keep up on registrations. If you are planning to attend on-line, please send in your registration in advance. We are preparing for last minute attendees on Zoom, but we would really appreciate to know before we send out the mass email which should be a day or two before the event. If you're having difficulties registering, please let me know! We don't want anybody who would like to attend to miss it!!!

We are also working with District 8 to co-host a Delegate Report Back to be held on the 13th, 1:30 p.m. at the Alano Club in Coeur d'Alene Idaho. More will be revealed as to the details of that event.

That's about all I have this month. If you have any questions, please let me know.

Motion Submitted

3 Forks Motion for 2023 General Service Conference

Motion: That the General Service Conference take an advisory action as it relates to the present language in 'Pass It On'. Specifically replace the references to alcoholic African-Americans as "colored" and "Negroes" on pages 316 and 317 with language that is respectful and inclusive.

2021 GSC titled "AA in a Time of Change"

Passed Recommendation:

Consider an item related to request to update the pamphlet "A.A. for the Black and African-American Alcoholic": The committee discussed the 2020 Conference

Committee on Literature's recommendation that the pamphlet "A.A. for the Black and African-American Alcoholic" be updated to include fresh stories and a new title ***that is respectful and inclusive***, noting that this item did not receive enough time for a vote during the abbreviated 70th General Service Conference. The committee also discussed the placement of this item on its agenda as a result of a 70th General Service Conference Floor Action and subsequent forwarding of the item from the trustees' General Service Conference Committee to the trustees' Literature Committee. The committee discussed that the recommendation and Floor Action were both impacted by agreed-upon procedures adopted for the unique, abbreviated 70th General Service Conference. The committee agreed that while the recommendation was not voted on at the 70th General Service Conference, significant support was present for the pamphlet to be updated. The committee noted that the pamphlet in its entirety has not been updated since 2001. To inform discussions on the possible updating of this pamphlet, the chair appointed a subcommittee comprised of Nancy M., chair, Mike L., and Amalia C. to:

1. Explore what approaches might be most effective for reaching out to foster significant amounts of submitted stories for when the pamphlet update may be approved.
2. Gather shared experience to inform discussions for updating stories and making the pamphlet as relevant as possible.

Trustee's Literature Committee Actions:

1. Consider updating the pamphlet "A.A. for the Native North American": The committee considered this request and noted the need for an overall update including ***ensuring that the language is respectful and more effective at carrying A.A.'s message***. It was recognized that research will likely be necessary for a comprehensive revision. The committee agreed to forward the item to the 2021 Conference Committee on Literature.

1. Did not take action on:

Consider returning to the practice of not changing Bill W.'s writings: The committee discussed this request and took no action. The committee noted that past advisory actions reference not making changes to certain writings of Bill W. and that editorial practices as well as ***past advisory actions have resulted in certain changes to other portions of Bill W.'s writings***. The committee also noted that the group conscience of one Conference is not binding on another.

0. An Advisory Action was made:

A revision be made to page 117 in the book, Twelve Steps and Twelve Traditions, replacing the phrase "opposite sex" with the word "partner" as follows, and **that a footnote be added** to provide context to the change as it relates to inclusivity:

Other points to consider:

"Join the Tribe" from personal stories was not carried over to the Fourth Edition of the Big Book.

Spokane Districts Revive the Monthly Potluck/Speaker Meeting.

Years ago, the Central Office sponsored an all-city potluck/speaker meeting on the first Sunday of every month at the Alano Club. It was an open meeting for AAs all over Spokane, Spokane Valley, and outlying areas. The purpose was strictly fellowship and unity.

At that time, all the group reps met together as the Intergroup and signed their groups up to host one of the potlucks. Each group used their own meeting format so that we got a flavor of other meetings.

The Central Office paid for the venue, the coffee, creamer/sugar, etc., and the non-food stuff like paper plates, napkins, etc. A basket was passed during the meeting portion of the event to defray the costs incurred by the Central Office, so the event could be as self-supporting as possible.

When the board of the Central Office was reorganized about 8 years ago, local AA unity was fractured into 4 separate districts and the monthly potluck/speaker meeting went away. We want to bring it back! We want to reunite as a Fellowship here in the greater Spokane area.

The 4 Districts will co-host the first event. Eventually, we'd like to see groups from around the city sign up to host the potluck each month. The host would get the speaker and host the AA meeting, set up and clean up, make the coffee, pretty much the normal things we do when we have a potluck meeting.

The idea has been reviewed and approved by the GSRs/ reps at all 4 district meetings. The districts have agreed to split the costs for this event. We want to raise a "seed money" for the event, a kind of a kitty, to pay for the coffee etc., the non-food items needed, and the venue. (Note: We've held two all-district events successfully so far.)

We have asked the Central Office if they would like to have a table to display and sell literature and other Central Office product.

Hopefully, this will be a regular event where Spokane AAs can get together from all over, see people they might not have seen in a while, and feel like a whole family again.

DID YOU KNOW?

In 2022, the Grapevine Conference Committee discussed the wide-ranging impact the AA Preamble change has had on the Fellowship. The committee felt that after careful consideration of Fellowship feedback, it would be premature to quantify the impact when many AA members are still either uninformed or ambivalent about the change. The committee emphasized that at every level of our Conference process there is a reciprocal responsibility of all AA members and trusted servants, of participation and communication, to embrace the guiding principles of trust and transparency.
