Inside this Edition

Trusted Servant and DCM Reports

I am trying something new this month by composing the February newsletter in Google Documents. By doing so, I hope to get away from using Microsoft products (MS365) which cost money yearly for me and set the groundwork for future newsletter editors to be able to use Google Workspace, which is free to us and as Area 92 would like us to do. I’m also changing the format in an effort to use less ink in printing. I have had complaints from a few that “ It uses so much ink/toner when I print it out.”, so now you know that I have been listening. I also attended a Google Workspace training put on by our Technology Committee and would suggest that you all attend one when afford as it was very good.

Newsletter Submissions Info

So here I go with my first attempt in using Google Sheets for publishing our newsletter. Please feel free to email me comments, suggestions, or just plain criticism. Don’t worry about hurting my feelings, I’m practicing gratitude this year. To me, that means growing from making mistakes and hearing the truth when it comes. I’m keeping my glass half full no matter what comes my way. There is ALWAYS something to be grateful for!

Area Elected and Appointed Reports

Area Delegate

Greetings WSEA 92 Fellowship!

The 73rd General Service Conference Agenda has arrived! Once again we roll up our sleeves and dive in to join the collective voice of our Fellowship as a whole. This is our A.A., and this is our opportunity to participate in the direction Alcoholics Anonymous will take today and into the future.

Our Area committee's enthusiasm and commitment to summarize this years' GSC Agenda Items for our Groups to review has been awesome! Our responsibility is to serve the Groups of WSEA 92. An area-wide ***informed*** discussion, to gather the *experiences and viewpoints* of our members is the goal. Planning, preparing, and tweaking the agenda summary process recently with all of you leaves no doubt we will accomplish just that!

We are on schedule to have Agenda Items Summarized and out to the Groups on or about February 28, 2023. In the meantime, the 73rd GSC Agenda Items (topics) final list is available for all to view on the area website, <https://area92aa.org/>. I would encourage everyone to visit the website and become familiar with these Items in preparation for the March Standing Committee Workshop, as well as the April Pre-Conference Assembly. What issues are important to your Group?...check it out!

As last year, I am available and eager to visit your Group/District to discuss the upcoming agenda in person or online at any time. Put the coffee on and I'll be there! :0)

District 5 hit a homerun with a fantastic Quarterly in Wenatchee. Thanks to all who helped and all who attended...WSEA 92 in action, setting the stage for our next stop in the fellowship of service! March Standing Committee Workshop, Ephrata WA....SEE YOU THERE!

73rd GSC Theme:

A.A.'s Three Legacies – Our Common Solution”

Thank you! Always grateful to serve,
Ben

Area Alternate Delegate

It was really great to see all of you at the January Quarterly in Wenatchee. We enjoyed the location and all the fellowship.

I am continuing to attend the (NAAD) No American Alt Delegates meeting once a month as well as the Area Registrars meetings online. I've learned alot and look forward to sharing it with you.

Districts 6, 20 and 10 on Saturday, January 28, 2023 hosted a GSR School in Yakima. Dolores E Panel 64 Past Delegate and Gary P Panel 70 Past Delegate were the presenters. We had a great turn out and were able to do it as a hybrid meeting.

If your district or large group is interested in hosting a GSR School please contact me either by email, phone or schedule a date on the Area website GSR School calendar. There could be members in your groups considering stepping up to be either a GSR or alternate GSR but have lots of questions and these presentations are a great place to ask them and get feedback from fellow members. What better gift to give new and interested members than an opportunity to learn about becoming a GSR. We try to keep these sessions open to questions as I know when I first came around I had lots of them.

I have made my reservations for the 2023 PRAASA in Los Angeles. As far as I know Dolores, Gary, Ben and I are going to represent Area 92. Let Ben know if you are planning to attend. Gary and I will be traveling over the pass to Seattle and catching a flight down and Dolores will meet us there. I plan to attend both the Alt Delegate and Registrar roundtables and I am excited to meet some of the people in the pacific region that I am online with monthly.

I would like to help your District or group set us a GSR school either in person,online or or possibly both. Not sure how but it is always worth a discussion. We want to keep everyone informed and involved. If you have any questions regarding GSR school or any of the online meetings I attend please feel free to contact me

Yours in service,
Diana Marchiney

Area Chairperson

Greetings Area 92!

What an honor and privilege it is to serve Alcoholics Anonymous!

This last month has been busy getting ready for the Area 92 Quarterly in Wenatchee! What a great quarterly! Thanks to Carol N. DCM of District 5 and the host committee who helped put it on! Great Job!

Phone calls, emails, writing and copying documents, translating documents, video conferences with other area members, this is what makes up the time in preparation along with a few prayers!

It really feels like we are on a great path of recovery and I am moved by both the Second Step and the Second Tradition in this.

All people, places and things might be expressed together as a form of relationship. I am grateful that AA has helped me find my part in this. I am a trusted servant in all these relationships where God is the ultimate authority. This is what guides my actions. I am grateful in this age of challenge to have a purpose above the common commotion of the world. To serve, to be of service is that purpose, and it is a privilege!

I share in the solution with you as we walk the road together!

Best regards to all!

Benjamin G. / Area Chair / Panel 72 / AA

Area Alternate Chairperson

Hello Everyone,

What a wonderful quarterly in Wenatchee, thank you to District 5 and the hosting committee for all their hard work and service. I was thinking the other day how nice it is to be in a smaller venue, to me it just feels homier, relaxed and more like we're family and I think the "dessert social" was a big hit.

So, speaking of hosting.. we are still in need of Districts to step up and host the October 2024 Inventory Assembly as well as the January 2024 Quarterly and in April we will be looking for a host for the April 2025 Pre-Conference Assembly. I am personally asking for your help in hosting, please talk to your groups and districts about hosting, we are here to help in anyway we can but we also need your help.

I traveled to Pasco on Friday to meet with District 24 hosting committee. Their excitement about hosting an area event is so refreshing and renewed my spirit about service. I would like to thank Juan Carlos for treating me to lunch and Virginia, Arturo and Hermene for their hospitality and their service to the fellowship. I'll go Salsa dancing next time! They thought I was crazy for driving back to Montana in the same day, but hey, we go to any lengths right?

Fran and I will be headed to Los Angeles next month for PRAASA. I am really looking forward to some sunshine and fellowship, I have been asked to participate as a timer. What an honor and a privilege to represent Area 92 and be of service at such an amazing event. At my very first PRAASA in Utah, I met a lady named Carol, she is from Area 72, we forged a friendship that weekend while we went on a cigarette run, we are still in contact and I can still call her my friend, that would not be possible in my life today without all of you, I thank my Higher Power everyday that I finally discovered the fellowship of Alcoholics Anonymous and I have certainly been blessed to have all of you in my life.

Remember to share the Love of the Fellowship this month, Happy Valentine's Day!

Thank you for your service,

ILAS, Lisa G.

Area Treasurer

News from your Treasurer.

Here it is in July I was locked out of the bank and in the process of gaining access I have made several errors. In working on the system learning as I went along, I made mistakes that I have tried to correct since. One minute you think you find a solution and then it ended up making things worse. So, this is the reason why there have been endless questions on my financial reports.

As we enter a new month we are working on solutions. As reported before Cindy our past alt Treasurer has agreed to help us with our QuickBooks data entry issues. She has been trudging her way through expense and deposits re-entering data and finally getting and making headway in getting the software where it needs to be. While you as a body would like to hear that everything is fixed it takes time to get to the end results.

Bryan and I met with Cindy today Feb 5th for 2 plus hours coming up with solutions and plans to finish this project.

We will be meeting with the finance committee tomorrow night and discussing some of these projected solutions for the future.

We have also consulted with Past Delegate to discuss how this information needed to be presented. That is why at the top of this report I tried to detail some of the things that happened to QuickBooks software.

We are exploring the option of upgrading our software that currently does not have the option for us to have back up, tech support or online training. These 3 components would be helpful for future Treasurers.

We are also working on Training for both Bryan and me for our individual tasks and how we can make sure the next elected person in our positions will be set up for success.

We have scheduled an additional meeting on February 12th to work on these goals. We will be discussing the software options in the finance committee that meets on Monday February 6th at 7pm

We wrote checks to trusted servants, paid for hotel accommodations in Wenatchee for the January Quarterly, I have also sent a check to GSO \$1800.00 for the suggested contribution for our Delegate to attend the General Service Conference.

Total expenses \$8,839.19.

We have 3 outstanding checks in the amount of \$2,214.68

January 31, 2023, Checking ending bank balance was. \$29,270.78

Savings for our prudent reserve is \$2500.82

Total available area 92 funds are at \$31,771.60

I look forward to continuing to seek solutions and grow as individual trusted servant. Love Fran

Greetings to the body

I'm looking forward to PRAASA upcoming shortly the first weekend in March and have been asked to be some kind of presenter there. I suppose it's best to not know for what as I don't have more time to worry about it.

The quarterly in Wenatchee was productive and it seems some previously unoccupied positions are filling up and the enthusiasm for our work is on the uptick.

I'm sorry to say there are some discrepancies in my contributions report that I don't yet know how to fix in Quicken and I don't want to make things worse by trying to fix them without guidance. I have requested some assistance and in the meantime for full disclosure here are the discrepancies:

Two deposits that show up on the report are incorrect. One was the amount returned by the Richland assembly and that is not a contribution but rather a return and "overage" from that event. The other is a duplicate of a contribution I originally mischaracterized as a personal contribution but is rather a group contribution. This contribution reports twice instead of once.

Bottom line, I don't know how to fix them without some assistance and I'm not going to make things worse by trying to fix them on my own.

Sorry.

So actual contributions for January were \$4,209.51, not the reported \$6,021.21.

January contributions total \$4,209.51

In Love and Service, Bryan B, Alt-Treasurer

Hi Everybody!

So much excitement in Archives this month! We moved into the new repository and it is just amazing! The move went really smoothly and everything was transported safely. We had such a great group of people that worked hard to make this happen. Thanks to all that participated in this large endeavor.

There is a lot of organization to be done but we are planning on having an open house so everyone that wants to can come see the new repository. I will put out a flier as soon as we can decide on a date. I am just so happy that our archives are now in an environment that will keep them from deteriorating and can be processed and stored the way they should be. It was so nice being in a place that has heat, electricity and light.

I will also be planning work parties with different themes so volunteers can come and learn skills on how to archive. I now have a place where I can bring people together to share the monumental work that needs to be done. Please send me an email if you are interested in getting involved in Archives at archivist@area92aa.org.

And finally a HUGE thank you to everyone that made this happen. We are truly moving into the future to save our history and our legacy. I can't wait to share it with you.

Sincerely in Service,

Lisa D.

Area Corrections Chair

Hello All,

Reminder for all in Area 92; Corrections *Focus* for Panel 72:

Connect, Inform, Network, and Serve All Levels of Corrections

As promised at the January Quarterly, I am submitting my Corrections Report to the Newsletter:

Attended National Corrections Conference on Nov 10-12, 2022 in Chicago, IL

- Highlights National Corrections Conference:
 - A92 has JPay (Digital Services provider to Correctional Facilities) in our Adult Correctional Institution in WA & ID in which our incarcerated populations have tablets in their institutions.
 - AA World Services have many titles available for download. And, Grapevine has five booklets, GV and La Vina print and audio options available download. Any resources are paid for and available for download at no charge to the correctional downloads.
 - What Can You Do?
 - Check out Facility Tablet Policies.
 - Let the facility know if there are tablets/JPay available, there are AA materials available for download at no charge.
 - Side Note: Not currently earmarked/targeted GV/La Vina digital subscriptions available.
 - Call Out from Eileen A (Corrections counterpart at GSO):
 - Reminder of Corrections activities for Workbook/Literature coming up 2023.
 - Inside Sponsorship started in CA
 - Separate program from Inside Meetings' Volunteer program where "sponsor" volunteers are connected to inside members that begin a sponsorship relationship through visits and correspondence. These volunteers are separate activities from taking AA meetings inside due to safety and security concerns/issues.
 - Corrections Correspondence Program
 - Started making connections in Canada as well.
 - Need more Spanish speaking volunteers to make more matches for the call for help in this service.
 - Literature
 - Newsletter "From the Inside" distributed
 - A92 delivered Literature, GV, and La Vina to our major adult institutions totaling approximately \$2400.
 - GV calls attention to the newly released book, "Free On The Inside" I will dedicate some of the budgeted Corrections Literature funds to send some copies inside.
 - GV asks for people to please submit their stories. Both English and Spanish requested.
 - Special AA YouTube channel available but didn't get a lot of info on this.
 - Professional Panel

- Drug Court and JUST program professionals shared their successes with an average county population of over 9,000 inmates with AA volunteers at the center of the process.
- Prisons in Area 92 are open and having meetings:
 - COVID "hoarding" (where general population groups at same custody facility are split into two "hordes" and run them separately for institution activities) has come to an end in our WA facilities so the meetings are no longer split into two and each custody level now gets a meeting once a week instead of once every other week.

See you all as we Trudge the Road of Happy Destiny

Area Treatment Chair

I attended the January Quarterly in Wenatchee. Thank you District 5 for your hard work and hospitality while hosting the quarterly. I met several new people that are interested in serving the Treatment/Accessibilities committees in their respective districts. I passed out some Treatment/Accessibilities literature to several districts for use in their committees and for distribution into treatment facilities.

I was able to connect with two district committee chairs and asked them to share at our monthly Treatment/Accessibilities meeting on the last Monday of the month at 7 p.m. They shared with the other district committees what they have been doing to carry the message into treatment facilities and other underserved venues in

their own districts. Thank you Michael B. Districts 20/6 and Danny H. District 7 for sharing what you have been doing. I would also like to thank Stan, Todd, Andy, Ricky, Kiley and Sam for your contributions to the meeting.

I will be contacting the Treatment Agenda committee persons shortly in order to review Agenda Items and prepare for the pre-conference Assembly to be held in Lewiston in April. Our delegate Ben N. has distributed the assignments and his plan for the Area to address the items so that he will have a good understanding of WSEA92's informed group conscious.

Finance Committee

The committee is in the form stage at this point. Committee members include Carol N/District 5 DCM, David G/District 22 DCM, Allen D/Delegate 68 and Dolores E/Delegate 64. Committee meetings will begin in February.

Currently the emphasis is on gathering information. Participation on the Finance Committee, and the Financial Review Committee is helping to understand the current state of the area's financial practices. Feedback from the recent Area 92 Inventory report is being reviewed for inputs to help better understand the financial needs of the area for financial reports. A review of the WSEA 92 Handbook, Treasurer Guidelines and Financial Committee Guidelines is underway.

Observing ongoing and upcoming area financial processes will provide the opportunity for understanding the area's business practices. This includes participation in the Financial Review and upcoming 2023 budgeting process.

The committee will work to gather current feedback on what groups and districts want/need on the area's finances. This effort could include a survey of the groups and districts.

Andy C, District 14 DCM and Ad Hoc Finance Committee Chairperson.

Website Committee

Hybrid Ad-hoc Committee

One of the questions the Hybrid Ad-hoc Committee was asked to consider is, "Who in the Area has the authority to make decisions in the event of an emergency." The committee put into words what seemed obvious - a group conscience process.

The motion and background as we composed it was not terribly well received at the Quarterly.

Since the motion was sent back to committee, we have the opportunity to approach the question afresh. Right now, there is no motion. We are not simply reworking our initial presentation.

We'll be hearing from Diana herself this month. Then we'll invite Lisa, Allen and Dave to share their thoughts. We will listen only to understand. With open minds we can gather input first and then prayerfully decide what to do per our scope. What seemed obvious (to me) the first time around is set aside. We have a blank slate.

Some of the members of the committee have had to step down over the course of the last year. We have the remaining members and some new members. I look forward to this adventure lead by the Spirit. We will listen without preconceived ideas.

I look forward to this adventure in listening and learning.

Anyone is welcome to join us. Contact me for an invitation to the virtual meeting on the 3rd Tuesday of the month from 5:30-7:00pm. dcm2@area92aa.org or 509-279-5640.

District and DCM Reports

District 2

All our service positions are filled except CPC/PI. There are no Corrections facilities in District 2. However, our District Corrections chair is full of energy and inspiration. He's meeting with the Corrections chairs from Districts 3 and 13. I'm really happy to see this service position getting energized.

Our Treatment chair is, dare I say, an elderly gentleman, who is valiantly taking meetings into treatment facilities here in Spokane. I really admire his determination to stay sober through service. We were gifted with some packages of treatment facility AA literature from the Area Treatment chair. I passed those on to Mel and he will take it from there.

Our Treasurer proposed to change the way we manage our money and we were happy to discuss it and accept the suggestions. Thank you to Susan for putting in the thought and effort.

District 2 is hosting the 2023 Election Assembly in October. The chair of the committee reports that they are right on track. A venue has been chosen and now they're working on the menu so they can come up with a registration fee.

As the DCM I am visiting all the meetings in District 2. The Alt-DCM will be visiting those meetings that occur during my work hours. I am open to visiting the business meeting of men's meetings, otherwise a male service sponsee will be visiting the men's meetings.

The two motions that came out of the Quarterly have been passed on to the groups in District 2. We will be discussing them at the District meeting this month.

And of course we are gearing up for the General Service Conference agenda items that we expect to see here shortly. We are waiting for the background to be able to schedule an Agenda Item Discussion with our Delegate.

District 2 salutes you in service!

Rock on!

Rainey M.

District 3

District 3 meets the 2nd Tuesday of each month at 6:30pm at the Corbin Senior Activity Center in Spokane. Our territory covers north central Spokane then west on Highway 2 to Wilbur and southwest to Lind on Highway 395.

We started working in April to review and update our handbook. The final version from the ad hoc committee was presented at our January meeting and was approved unanimously.

We have elected a new Alt DCM, Larry P.

Outgoing Alt DCM, Dave K, was appointed to the CPC/PI Committee Chair position. Thank you Larry and Dave!

Current standing committees are:

Archives, Grapevine/literature, Treatment, Corrections, Social Activities, and CPC/PI. Our Archives chair resigned due to work conflicts. The position remains open.

Our next meeting is February 21, 2023.

Yours in Service,

District 4

District 4 has seen an uptick in participation at our most recent events. Our Gratitude Banquet in November was well-attended, as well as our New Year's Eve Dance Potluck & Speaker event. We had our first Alcathon since the shut-down over Christmas, and it was well-received. Thank you to the Alano Club in Kennewick for hosting!

We are pleased to report that nearly all of our standing committees have chairs! We have struggled to get more participation from GSR's at our District Meetings, and would love to hear ideas for engagement from other Districts in our Area.

Announcements:

Chapter 5 is hosting a speaker meeting and potluck on February 19th at the Mid-Columbia Library in Kennewick. We will eat at 6:15 and the speaker starts at 7:15. Please contact Melissa R. For more details (509) 539-0058

District 6

Good afternoon 🌞 compadres. It's been a very busy month for District 6. Let's review ...

Anna and I attended the WSEA92 January 2023 Quarterly at the Jack & Edna Maguire Center in Wenatchee, WA. The facility was absolutely amazing and District 5 did a fabulous job hosting. We slipped away for lunch with my best friend, who lives in Wenatchee, so it was a double winner visit for me. Thank you Anna for being my chauffeur while I was on Zoom Saturday afternoon. I promise to return to my navigating duties next trip to Ephrata, WA for the Standing Committee Workshop on March 18th.

On January 28th, Districts 6, 10 and 20 hosted a Hybrid GSR SCHOOL at the Bethlehem Lutheran Church in Yakima, WA. We had a little technical problem that a quick trip to Target and a great team of people who got us up and running. We had a great turn out with 40 participants.

The Past Delegates, Gary P. and Delores E., made an impressive presentation. I really saw how people started lighting up when they started asking questions. It was like the light bulb was flickering on and off as they tried to absorb soooo much information in such a short amount of time. We enjoyed much camaraderie and a potluck lunch with fried chicken, hot and cold sides, fruit, donuts, muffins, cookies and hot blueberry cobbler with whipped cream and lots of coffee.

I want to thank District 10 and District 20 for co-hosting this event. Many hands make light work for all. Teamwork was the theme throughout the day and I really appreciate it. I even managed to put some names with faces during the event (sorry Bryan N). I highly recommend doing activities with neighboring districts. I enjoyed meeting all of the new faces and working with them. This was a wonderful opportunity for me to see AA service at its best.

Coming Up Activities:

D6/20 SERVICE WORKSHOP PLANNING COMMITTEE - We will host our annual service workshop on May 20th from 10 am to 2 pm at the Bethlehem Lutheran Church at 801 Tieton Drive, Yakima, WA. We meet on the 1st and 3rd Friday of each month at the Yakima Alano Club at 6 pm.

The committee met on February 3rd and when Anna walked into the room it was full of 14 eager volunteers. I sent a text message to all local AA members in my phone inviting them to join us. I had no idea how effective this would be. I highly recommend it.

The committee took shape in no time and all of the job duties were filled. Thank you to everyone who turned out. For more information contact Anna V. at alt-dcm6@area92aa.org or darkcarnival313@gmail.com.

2024 PRE-CONFERENCE ASSEMBLY PLANNING COMMITTEE - this event is being hosted by Districts 6 and 20 on April 12 - 14, 2024. The committee met for the first time on Thursday, February 2nd at 6 pm at the Yakima Alano Club. We had 12 volunteers, many of whom are serving on the D6/20 Service Workshop committee also. We anticipate more people joining the committee after the workshop.

Thank you to everyone who have made themselves available to chair sub-committees. You're awesome!!! For more information contact Michelle W. at dcm6@area92aa.org or mlweese14@gmail.com.

Those motions that passed as clear and concise to move forward were the Hybrid Ad Hoc committee Motion #3 on changing Section 2.0 WSEA Assemblies wording and the Technology committee's motion for the funding of their committee. The Hybrid Ad Hoc Committee Motion #2 was sent back to committee for further review and the (2) Finance Committee motions were pulled requiring no further action.

Hello Area Family!

There are a lot of lovely signs of spring here. No! Not that Spring. The spring in your step when District 12's GSR's and Committee Chairs are willing to work together and step into clarifying the content of verbiage in our District Handbook, (which made for a longer meeting). The kinda spring in your step when a new alternate GSR says, "Yes!, I'll serve." Or when an enthusiastic member says, " I can do that.", stepping into another Committee Chair position. And when a technology member lives in our District and can upgrade our District Meeting by sharing visuals/spreadsheet's. We put in a good days work. Thank you.

Honestly, I'm looking forward to reviewing our Agenda Items. D12 was informed about the way we are approaching the "AI's" this year. Essentially, review, discussion, consider. I shared how the Pre- Conference Assembly "AI"'s will essentially be verbalized summaries, being presented by Ben N. We will also address the Action Items / Hot Topics first at the Pre- Assembly.

We also discussed the simplification of the summary sheets. Concluding the decommissioning of, Preference. Support. Oppose. Add Comment. What's the motive? For Ben N. to go to Conference having the knowledge of group conscious for Area 92.

We, DCM's made contact with the finance committee, through a formal request letter written and submitted by District Chair Benjamin. The DCM's are requesting a income expense report with current bank information so as to be better informed and have a view of voting support for the technology committee motion in April. And we Thank You, for reception of our request.

From our PI Chair, Cathy, she's looking forward to PI Chair Ricky's monthly PI meeting the 2nd Friday of every month! Nice.

Here's some super good news! Pete H., our Corrections Chair, informed us that the Covid moratorium for juvenile detention and jails in our county May 11th. Pink Cans have be and will be up and running in our District. Literature purchased. Conversations had with the professionals that allow us, AA, beck in to share the message of hope, fellowship and service.

Our Hotlines are hot...with a few robo calls and willing volunteers available to listen and be of service.

Welcome from District 13. Things are going well with attendance at the group meetings and as always we have periodic events, watch for flyers. We will have our quarterly Pot Luck/Speaker meeting in March, flier to follow. Our focus post Covid is to keep service opportunities awareness to our groups and to get more GSR's engaged. Looking forward to Spring and seeing you folks as we trudge the road to a happy destiny.

December and January were busy months. We approved a motion to establish a financial estimate and projection process so our groups know where we stand financially, and what we project to spend so we can manage our funds accordingly. The 2023 financial estimate was approved by the district at our January district meeting. The financial projection will be updated quarterly.

We approved a motion to make the hybrid format official for our district meetings. Funding approved for this motion included paying for the Zoom license and the purchase of a camera. At some point the district needs to acquire a projector to support in-person meeting attendees. We are also working on a motion to form a technology/website committee chair position. We currently have a member serving as our webmaster. We need leadership to help us grow for the future as technology becomes more and more important in carrying the message and keeping our groups informed on district, area, and New York activities.

The district continues to stay highly engaged with Area 92 through my participation on the Technology Committee and Finance Committee. The Technology Committee funding motion was finalized and approved as clear and concise to be forwarded on to the districts and groups. I joined up with the area Financial Review Committee in Spokane to help with the initial phase of the review. I really appreciate the leadership provided by Dolores E, Panel 64 Past Delegate in organizing the process.

The January Quarterly in Wenatchee was well done. Thanks to Carol and all the members of District 5 for putting on a great Quarterly! I feel the strict adherence to the time clock made for both an efficient and effective meeting. After the meeting, I came across the following comment from a Class A trustee. I thought it is worth sharing:

"A class A trustee shared how there are high-trust and low-trust organizations. Our natural inclination is to be trusting; in low-trust organizations there is bureaucracy, rules, pyramid, the pressure that someone's watching, and we must work twice as hard. High trust pays dividends, it means less stress, more engagement, is collaborative and productive. We can take an honest look in the mirror to appreciate how we can continue to grow towards supporting one another."

I feel the area continues to grow towards healthy engagement and collaboration. I think the Area Inventory was "an honest look in the mirror to appreciate how we can continue to grow towards supporting one another." Through engagement and involvement, I have learned to better understand and appreciate the trusted servants in the area. We don't need to always agree, but when we engage in dialogue and discussion, we can continue to grow towards supporting each other. I left the January Quarterly meeting with a strong feeling of personal and area spiritual growth.

Thank you for the space you allow us in the newsletter.

It was motivating to be at the quarterly in Wenatchee, although I fell asleep for a while. In the end I enjoyed it.

Well, here we go with our quarterly. We are just awaiting the approval of our Area trusted Servant Lisa. I'm very enthused because our committee are very young A.A.s energetic, with a desire to learn and bilingual.

Well, District 24 is also celebrating one more year, we will do this with a Concepts Workshop. I know that in A.A. there are no personalities, only principles.

Hola Area 92, greetings from District 25! I hope you are all in good health.

By the Grace of God, I had the opportunity to be at the quarterly in Wenatchee.

This month of January 2 compañeros celebrated their sobriety anniversary. One, 12 years and the other 29 years. January 29th. We had a Traditions Workshop and the participants were the District 25 groups members. February 11th there will be a La Viña workshop with 6 topics. This is going to be very interesting.

This is all for now. Thank you.

Happy 24 hours.

Welcome WSEA 92 Trusted Servants...HAPPY NEW YEAR!

Area Review - 73rd GSC Agenda

I am excited to serve with all of you once again in preparing our Area for a successful and *informed* GSC agenda review at our April Pre-Conference Assembly.

As the WSEA 92 Committee, our responsibility is to support our Groups by providing information and assist with any clarification or questions on the Agenda items. As last year, the main component in accomplishing that responsibility is the agenda item summaries created by the area committee.

At the January quarterly, the fun begins! You will find in your quarterly mailboxes, a "73rd GSC Agenda Item Review Process/Timeline", outlining our approach to meet two important milestones: discussion at the March Standing Committee Workshop and our April Pre-Conference Assembly. The timeline provides adequate time for a.) Teams to create agenda Item summaries, and b.) Distribution of summaries for Group review.

I look forward to coming together in service! Thank you for helping me with the responsibility and privilege to bring your experiences and viewpoints to the deliberations of the 73rd General Service Conference in Brooklyn NY!

Please contact me ***anytime*** should you have any questions or suggestions!

Always grateful to serve,

My powerlessness over alcohol does not cease when I quit drinking. In sobriety I still have no choice – I can't drink.

Attempting half measures to eliminate defects merely paralyzes my efforts to change. It is only when I ask God for help, with complete abandon, that I become willing—and able—to change.

The Origin Story

In the mid-80s Clancy was speaking at the Sunflower Round-Up and coined the phrase "Pockets of Enthusiasm". He was referring to clusters of AA groups with a high level of the "spirit within" for recovery. Following the Sunflower conference, Dick and Peggy M from Bellevue NE started the Pockets of Enthusiasm Round-Up in Omaha, NE. I was able to be a part of that conference for a couple years before moving back to Spokane in 1991.
(continued on back)

POCKETS of Enthusiasm!

(In 1993) Clancy I. had spoken at the Foxhall NW Group 2nd anniversary meeting. Several hundred people showed up to hear him share on Saturday night. Sunday morning Clancy and a few Foxhall home group members went out to breakfast at the Golden Corral Buffet. Also attending the breakfast was a small group from the Pacific NW meeting, Tacoma, WA, as well as a Pacific Group offshoot from Helena and Bozeman MT. Not knowing these "pockets of enthusiasm" were so close, I suggested we start a conference that would move from one community to the next each year. The Spokane, Tacoma, Helena and Bozeman groups would each host a speaker and all would share in the financial responsibility of the conference. We also invited the Spokane Al-Anon Family Group to participate in the weekend and offered two speaker times. The second year those from Montana suggested the conference should stay in Spokane as the travel to Tacoma would be too far. No surprise, Tacoma felt the same way about trekking to Helena. We stayed in Spokane. After about 5 years the Montana contingency backed out to start the Northern Rockies Pockets of Enthusiasm, and Tacoma resigned to spend more time and effort on their Sponsorship Conference. Spokane AA meetings, The South Hill Group, and the Prescription for Living Group have bowed out as sponsors as well as Spokane AFG.

Today the conference continues to host four AA and two AFG speakers with the help of many AA and AFG members.

"Exactly the same principle applies to each A.A. group and to Alcoholics Anonymous as a whole. So long as the ties which bind us together prove far stronger than those forces which would divide us if they could, all will be well. We shall be secure as a movement; our essential unity will remain a certainty." Excerpt From Grapevine Article by Bill W in 1955
