Area Delegate

Happy New Year and Welcome to Panel 74!

I am beyond honored and privileged to serve as your Panel 74 Delegate. As our Big Book states "We have found much of heaven and we have been rocketed into a fourth dimension of existence of which we had not dreamed." I am looking forward to this next step of our journey together. My email started going crazy on the first of January just like Ben had stated, the excitement of all the new delegates and Panel 73's is highly contagious and I hope to pass it on to all of you as well. I have been assigned to the Conference Committee on Finance for the next two years and have just learned who my conference buddies will be, yes that is plural because I actually have been assigned 2 buddies, they must have known I might need a lot of help! I have completed my "Onboard" training. Onboard is the new dashboard (tool) for the delegates to use to collaborate and communicate with the conference, our committees and the General Service Board. By the time you read this I will have also had my second call with the other Pacific Region Delegates and our Pacific Region Trustee, Reilly K. Things seem to be moving right along, we have received the Preliminary Agenda for (informational purposes only) with the final agenda being released after board weekend at the end of

January, and after translations are complete. I did hear the background should be out the week of the 16th of February, so I will be scheduling some in person agenda reviews as well as a virtual one. I have assigned all Districts to a front facing committee for the next rotation, and should be hearing from your appropriate Chairs, as DCM's you are part of the Area Committee now and I would hope that you will participate in these committees all year long and not just for the General Service Conference Agenda Items, we also would welcome any District and or Groups chairs to join in as well, very helpful in learning how to do committee work, as we have much more work to do than just the agenda items, there are workbooks and kits to review, there are job descriptions in the Area handbook that could be updated etc., so we are not done doing our work after the April Assembly is over, which makes it seem as if we have gone stagnant after that event and don't do anything else.

There is just so much that has been going on in the last few days, I know I am forgetting something, I am available anytime if anyone has any further questions, please feel free to email me or give me a call.

In Love and service,

Lisa G., Panel 74

Area Chairperson

Greetings to the body and Happy New Year!!

There is a lot going on behind the scenes as our rotation is in full gear at the moment. Only yesterday I gained access to my email and we have already had a couple google meets with the new peeps. Everyone and myself included are happy and excited with our new roles. Next stop Wenatchee quarterly.

This time of year until April is always a flurry of activity because of the time constraints to get the agenda items out to you all for feedback and then back to our Delegate in time for the Conference. I encourage all not familiar with this process to show up for your group conscience and take your place in the AA decision making process. Those of you who sponsor and are familiar with this don't forget to "voluntold" your sponsee's to get involved. The rest of you I'm just preaching to the choir, but it will make Lisa's life easier the more people are involved and active in this process.

Contact me with any questions and/or concerns.

In Love and Service

Bryan B, Chair

Area Alternate Chairperson

January 2024, amazing. I count each day of life as a blessing. I am looking forward to this amazing rotation. I am preparing for the January Quarterly and I hope all of you are as well. There is always something fun about that first trip of a new rotation.

I will be checking in with our hosting district to make sure the coffee cake is ready, and the stage is set. We will have some work to do this Quarterly as the past rotation of positions was busy right up to the hand off.

Reminder to Hosting Districts, let's set some time aside to communicate. Let's get flyers out so the planners can book there rooms and host districts can plan ahead for all the fun we are going to experience

April 2024 Pre-conference will be down in Yakima combined hosting Districts 6 & 20

July 2024 Quarterly Will be in District 2

October 2024 Inventory will be hosted in District 8

Our new Delegate Lisa has already given out some assignments to prepare us for the agenda items. I know that I am excited to be working with our past delegate Scott R for the next two years on Agenda items. I am breaking out my

General Service Conference report to see where my agenda items left off at the conference printing out box 4-5-9 and our quarterly reports all that are available on GSO Website.

Ricky will have new service manuals to purchase, and I am hoping our secretary will have new copies of our handbook as well.

Final items remember our area is self-supporting please remind your home groups that your donations ensure we as an area can continue to serve you with your generous donations. If you want to make personal donations to the Area that would be welcomed as well.

Final note: Let's talk about the birthday plan. GSO started this many years ago, to send a dollar for every year you are sober during your birthday month to GSO. We could also do this in Area 92.

Healthy and happy to serve this wonderful WSEA92 –
Panel 74 as your Alt-Chair Fran L.

Area Treasurer

Greetings and Happy New Year from the WSEA 92 Treasurer's Desk. My name is Carole, and I am a grateful recovering alcoholic, honored to have been elected to serve as your WSEA 92 Treasurer for Panel 74. Thank you!

I do not yet have signing authority of the Area Bank Account, and I do not yet have administrative authority on either the Bank Accounts or the QuickBooks Accounting software, but we are working on it and at least I can access both and do the work that needs to be done at this moment.

That said, the good news is contributions were up, Spokane had a bit of an overage that they returned to the Area and while we did end the year in the negative, it was not as bad as I feared. You will be receiving Year end reports at the Quarterly and in your email, but for now I will provide you with the following numbers:

	<u>ACTUAL</u>	<u>BUDGETED</u>
2023 TOTAL INCOME	\$50,316.36	\$50,787.29
2023 TOTAL EXPENSES	\$58,280.99	\$65,371.78
2023 NET INCOME	-\$ 7,964.63	-\$14,584.49

In December we had a little over \$9,000.00 in deposits and that really helped pull us out of the hole, so thank you all!!

I am attaching an Income Statement with the bank balance information for your reading pleasure. I hope there's room in the Newsletter. Looking forward to seeing you in a couple of weeks!

Forever Grateful,

Area Alternate Treasurer

Greetings, Area 92.

A) I have not been able to get into QuickBooks because Intuit has my old phone number on file and they want to send the code there. I've called, but haven't been successful at having them change it.

B) When I try to log into alt-treasurer@area92aa.org, it won't take the password I set. When I try to get a code to reset the password, Google says my phone number has been used too many times. I have logged into this email, but now it won't let me.

C) I'm ready to pick up the mail, but have not yet been authorized to do so. It seems the previous alt-treasurer needs to do something.

D) I'm not in the bank account yet. We're trying to coordinate with the previous Treasurer.

E) The Finance Committee will meet January 11th at 6:00pm on Zoom. We are preparing a motion to update the Area 92 Handbook. If you are interested in serving on the Finance Committee, please contact me at mymahelona@gmail.com for now. or 509-279-5640

That, I'm afraid, is what I have to report so far. I cannot run the reports for December 23 because of item A) above. However, it's only January 4th. Over the weekend (past the newsletter deadline) I anticipate getting hold of various parties and resolving these issues.

Until the Quarterly,
Rock on!
Rainey

The Submission deadline has been changed from the 10th of the month to the 5th of the Month.

Area Archives Chair

Welcome to 2024 ... what does God have in store ...

I am so excited to be YOUR Archives chair.

Thus far, I have done a lot of research, reading, and watching videos. There are so many resources on the Area and AA website that I was totally unaware of. I contacted GSO and introduced myself and chatted a bit. So friendly and informative. In addition, archivists in the Area have welcomed me into the fold and immediately suggested I take a look at the District Archivist Handbook on the Spokane Central Office/Intergroup website. More reading ...

I attended the Archive Steering Committee meetings in November and December of 2023. On January 2, 2024, I chaired my first committee meeting. I am looking forward to working with this dedicated and diverse team.

I have received the District assignments (12/17/19/21) to the Archive Committee for the next two-year rotation. I will be reaching out to introduce myself and welcome each member to the committee. As a committee, we will need to agree on a day and time to meet and I will send out an invitation to meet on Google Meets. This is a WE program and I need your help reviewing the archives agenda items and I would like to continue working with you throughout the year.

I am looking forward to the January quarterly and I can't wait to see my friends. While I am in Wenatchee, I want to meet my team members personally. If you are on the Archives committee, or, if you are interested in archives, I want to meet you.

Yours in Love and Service

Area Archivist

Hello Everyone and Welcome!

As I start my 2nd 4-year term as the WSEA 92 Archivist I am so excited about the future of Archives. Through so much work to get settled into our new repository we now have a place to bring in volunteers to participate in taking care of our collection. I will be planning at least 4 work parties this year to share my skills in preparing, cataloging, and appropriately storing our many documents, artifacts and books. It is such rewarding work to experience and I look forward to sharing it with anyone that wants to volunteer. We have nice big tables and work spaces now so there is room for anyone wishing to help!

I am also going to be working on creating Digital Archives. I have recruited Caroline, who is the District 13 Archivist who has a lot of experience in this area along with the assistance of Jim B. from the Tech Committee. This will be a monumental project that I am excited to get started on. Since the pandemic a lot of reports, minutes and other important history has not been forwarded to the Archives so we need to remedy this problem and make sure we are not losing history.

Area 92 will also be hosting the Regional Archives Workshop this year so it is going to be an eventful year!

I am looking forward to hearing from anyone that is interested in volunteering and if you have donations please contact me for a time to bring them in.

SIS,
Lisa D.

Area Corrections Chair

Hello Area 92!!

Well, here I sit trying to get familiar with this Google platform and hoping I am going about this month's Area Newsletter submission for our Corrections Chair in the proper manner. While doing so I am struck by how often since selection for this position that I have once again found myself in unfamiliar waters. As I paddle and splash about it also occurs to me that this is what the opposite of sitting on one's laurels feels like,,, continued enlargement of my spiritual condition. I am sure this is going to prove to be more on the progress side, than the perfection. True gifts of service I encourage anyone in recovery to experience.

This first submission will be fairly general in nature, but what I wish to do specifically is thank the outgoing WSEA 92 Panel 72. As a GSR for my home group and Corrections Chair for District 2 I watched this panel do the work of AA for our area as a unified and informative body. The spirit of service as I have come to know it at this level was upheld through our Traditions, the still suffering alcoholic always at the forefront, and the seeking of an informed group conscious at a spiritual level continually reached toward. What we do as a body together never ceases to amaze me, and the guidance, wisdom, and humility of our outgoing Panel 72 provided us the structure to do this work. I thank you. To our exciting Corrections Chair Marc M. I express my appreciation for all his hard work and a lively chair of activity bestowed to me. I anxiously await to see where God drives it to from here.

Next stop, our WSEA 92 Quarterly in Wenatchee where I look forward to working with the new Panel 94 and get to give a report to you on what's going on behind the scenes of your Area 92 Corrections Committee.

Regards,

Dale B. Corrections Chair / Area 92

Area Public Information Chair

I am excited to begin the journey as the Public Information Committee Chairperson for the 2024/2025 rotation. The journey started with the December 9, 2023, Standing Committee Workshop in Spokane, where the transition process began for the new rotation. Thank you, Ricky, for leading the PI session. We also had our monthly Standing Committee virtual meeting on January 1 to discuss getting ready for the General Service Conference Agenda Item review process. With recovering alcoholics, you can actually get something done on New Year's Day! I will begin reaching out to the new DCMs to find the names of their district PI chairs to help build the new committee for this rotation. The upcoming Quarterly in Wenatchee will also be a great opportunity to seek inputs from the body on how best to carry the message through our public information efforts. Look forward to seeing you there.

District and DCM Reports

District 2

Happy New Year Area 92!!

I hope everyone had a wonderful Christmas and is looking forward to the New Year.

My name is Oleta B. and I am the DCM for District 2. I first wanted to tell you a little about myself. My sobriety date is September 25, 2018. I have a home group, Women Off the Hill. I was the GSR for them for the last three years. I have taken meetings into the Adult Psychiatric Unit at Sacred Heart and helped coordinate volunteers for it for the last two years. I believe service work at all levels is very important and I am looking forward to serving District 2 and being part of the WSEA92 committee.

District 2 has been very active over the past month. We had a strong showing at the Spokane Alcañon with two weekends full of fellowship, food and 36 hours of continuous meetings. One of our groups stepped up and covered the midnight to 6am time slot. All four of Spokane districts participated. Thank you District 13 for an amazing Alcañon. We have lots of things in the works for the next couple of months and I am looking forward to seeing what amazing things we are going to do. I know that the people that have made themselves available for committee work at the district level are just as excited as I am. They are:

Archives- Cyrus C.

Activities - Cris P.

Corrections- Mary J.

CPC/PI - John L.

Treatment/ Accesabilities - Laura L.

Secretary - Amanda G.

Central Office District 2 Trustee- Doug Mc.

We are looking for an Alt-DCM and a Grapevine/ Literature chair. We have someone that is making themselves available to be treasure at our next district meeting which will be held January 9th at 5:30pm at the Spokane Alano Club or via Zoom.

Looking forward to seeing everyone at the upcoming quarterly.

Truly blessed to be of service.

Oleta, DCM

District 3

Happy New Year Area 92!

My name is Cari S. and I am the newly elected alternate DCM who is assuming the duties of the DCM for District 3. I am excited to serve in this new position. I have recently served as a GSR for my home group, have over 7 years of sobriety and have been learning all sorts of things serving as a GSR and making myself available for other district service. I plan to do my best keeping the communication lines open from GSO down to the groups and will need help in this upcoming rotation!

District 3 has our Treatment and Grapevine/Literature Chair positions available. I am assuming the position of DCM for now due to a recent vacancy and will be making myself available for the DCM position at our upcoming District Meeting on 1/09.

District 3 technically hosted the December 9th Area 92 Standing Committee Workshop, but The Road to Recovery Home Group did almost all of the work! They put together a wonderful event with some fabulous food, great coffee and kind volunteers.

Our past DCM Larry E has committed time and care to assisting me with learning this new position and I am grateful to have had him as a role model in service. He has worked to increase group participation in our district during his time as DCM, and I hope to continue working toward that goal. His presence as our DCM will be missed!

Our next meeting is on January 9th at 630pm at the Corbin Senior Center. All are welcome!

Sincerely,
Cari S.

District 7

Greetings from District 7, the beautiful Lewiston-Clarkston valley and surrounding communities!

It is with mixed emotion that I submit our first District report of the Panel 74 rotation. On Tuesday, January 2nd, we received news that our long-time (36 years sober) friend and current District 7 Archivist Carol S. passed away. Carol knew just about everybody and was a wellspring of knowledge and wisdom to our local AA community. She will be missed, but we're sure that God probably already has her cataloging and organizing things in the Great Repository.

For the rest of us, we are still accepting service resumes to fill our rotating committee positions. We have our next business meeting on January 13th and are hoping to fill most (if not all) of our positions at that meeting. We are actively working with District 22, our neighbors to the north, to host a GSR School in February - tentatively scheduled for Saturday, the 10th.

I'm looking forward to seeing all of you at the upcoming January Quarterly in Wenatchee, either in person or via Zoom.
