Area Delegate

Greetings Area 92,

The month of March was a busy one for me, I started out in San Francisco, then it was off to Wenatchee for an Agenda Review, the next weekend was Ephrata for the Standing Committee Workshop, then back to Wenatchee to attend Polo's funeral then off to Walla Walla to meet with all 4 of our Linguistic Districts to participate in their Concepts workshop and to pass information onto them about the agenda items. I am ever so grateful for the amazing team this rotation, a huge Thank you to the Standing Committee Chairs and all the Districts for participating in reviewing the agenda items and putting together the synopsis sheets. You all did a wonderful job, it's refreshing to see everyone getting excited about service work.. I would also like to thank our Technology Committee for helping me get the sharing session for the Founders Writings set up and for helping me moderate, as well as getting all the background and synopsis sheets (and Dan) on the website for everyone to have access. I am looking forward to a well informed discussion of the agenda items. Please remember, if you can't make it to share your group conscience or just have any thoughts or solutions you would like to share with prior to the conference you can email me up to the 13th of April. After that I will be in Conference and do not know how much access or time I will have to check emails, I do want to hear from you. Several of you have already sent me your thoughts and concerns, thank you so much, I have read them all and printed them out to take with me to New York.

I look forward to seeing you all this next weekend in Yakima. Please feel free to reach out to any of the committee chairs or myself if you have any questions on the agenda items, there is no SILLY question.

In Love and service, Lisa G

Area Alternate Delegate

Hi everyone,

It's hard to believe another month has passed! I want to thank our District Committee Members for their outstanding work in keeping our meeting information updated for the Meeting Guide app and GSO. I'm here to support our service members in any way I can.

District 22's secretary shared a helpful spreadsheet for tracking service positions. I've passed it along to other DCMs, and it's a great tool to update GSO registrations. If you'd like a copy for your District, please email me at alt-delegate@area92aa.org.

Let's keep the AA service structure strong!

Yours in service,

Area Chairperson

It's going to be a busy weekend here in Yakima at the Pre-Conference Assembly. I've been mostly engaged getting the Agenda lined out and it looks like everything is in order on our committee, looking forward to seeing many of you in person (and virtually) this weekend.

We have some AA business to attend to. Just a couple items up for consideration are the "Plain Language Big Book" and an Instagram account for AA World Services. There is much more that we will be discussing and deciding on. The agenda items and synopsis sheets are all available on the Area website.

Just a shout out and reminder to prospective districts: Our planned election assembly next year at Snow Mountain Lodge fell through and we will be asking for a host committee to replace that event. Please get the word out on this.

Also, don't forget the Pacific Northwest Conference (PNC) is coming to Wenatchee in June. For those interested please find the flier on the Area 92 website, and don't wait much longer to make arrangements. Here's to an engaging and productive weekend in Yakima at our Pre-Conference Assembly.

Ready set go, here we come to Yakima. I love life and I am so grateful for all the blessings in my life. No matter what happens in life AA is a constant reminder that I can do anything.

The month of March has been filled with endless miles and blessings. Time with friends and amazing journeys. I learn and grow each day. It seems like an oxymoron that a woman of my years still has much to learn but in fact that is the best part of aging I would say.

So March I took off like the wind on a jet plane and landed in San Francisco. PRASA was such an adventure full of first time on an air train which for those who don't know just moves you around the San Francisco Airport where you can make a full circle. On to the Bart train to come out and finally see a gentleman wearing a purple vest that will guide us along the final leg of our journey. Let me just remind you laughter and learning, to follow directions could be key to any journey. PRASA was filled with amazing presentations and lots of learning. Next year will be in Alaska. I pray I can check a box off my bucket list and attend .

I also had the privilege to review agenda items that were presented at the March Standing Committee meeting in Ephrata. I had a wonderful time traveling with Kathy, our Alt DCM for District 15. Thank you Scott R. for working on them with me on Agenda reviews.

I also went to Walla Walla with Lisa where we got to participate in the 18th Anniversary of District 24. I shared on Concept 12.

Thank you District 24 for the invite and allowing me to share.
No matter what life is all about love and service don't miss the chance to be a part of something you never believed possible. I am truly thankful for another day sober.
Love and Service and a full and grateful heart. Fran L Alt-Chair Area 92

WSEA 92 NEWSLETTER REPORT APRIL 2024

Greetings from your WSEA 92 Treasurer's Desk.

We have a short deadline to submit our report this month and since the Assembly is in a few days I'll keep this short and save the good stuff for my report on Saturday. Long story short, I took part in the Area Audit which was an incredible experience. I was part of the audit team in 2019 but as the new Area Treasurer I viewed this audit from a different perspective which I'll speak more about later.

The budget is complete and ready to be presented to the body on Saturday, which I am excited and optimistic about. I see the Area moving in a positive direction and I am pleased with the support coming in from our membership. More on that Saturday also. I am providing you with the March Profit and Loss Report. Our Bank Balance on March 31 was \$21,972.43.

Be at the Assembly this weekend where you will receive the Year-to-Date Profit and Loss, the 2024 Budget and the Year-to-Date Budget vs. Actuals reports. See you then, safe travels!

Forever Grateful to Serve,
Carole N

Area Alternate Treasurer

Greetings, Area 92!

The annual audit is done. Thank you to Ben N. for chairing the Audit Committee. During the audit, we discovered that PayPal contributions were being entered, but the PayPal fees were not. I've gone back and corrected 2024. Updated Contributions Reports will be available at the Assembly. And I'm glad to email reports upon request.

At our request, the Tech Committee has accomplished two important changes to making contributions through the Area 92 website. First, contributors will be asked to verify their membership in AA in order to make a contribution. Second, on the PayPal page, contributors are asked to provide the home group name and city, and a contact phone number in case we need to verify something. I've been calling and emailing people and contacting DCMs to find out home group names so they get the credit for their contribution. Now there's a place to put it on PayPal! Thank you, Tech Committee!

I've been picking up the mail and depositing contributions weekly. All checks and money orders should be written to WSEA 92 and mailed to:

Area 92 Alt-Treasurer
1314 S Grand Blvd, Suite 2
Box 103
Spokane, WA 99202

The Finance Committee meets monthly on the third Thursday at 5:30pm. Visitors are always welcome. Contact me at alt-treasurer@area92aa.org for an invitation.

I will be prepared to accept contributions at the Assembly and will have self-addressed envelopes as well. See you there!

Rock on!

1. PayPal: Identifying source of contributions as a member of the Fellowship – I've asked the Technology Committee if they can insert a pop-up form between the Area website and the PayPal website asking the user to confirm that they're a member of AA. The www.aa.org website uses such a form. If the user confirms, great, they go on to the contribution page. If they say no, they get an explanation of our self-support policy. This form would generate from the Area 92 website and the user could not go past it without selecting yes, no, or cancel.

When you contribute through the Area 92 website, you will see a plus sign next to “Add special instructions to the seller.” Click on the plus sign (+) to put in your group name and city or group number so the correct group gets the credit for the contribution. As always, when sending contributions by mail, be sure to put your group NAME and city or group number on it. We do accept contributions from non-registered groups.

Checks and money orders should be written to “WSEA 92.”

1. Audit Committee: Audit has been mostly done. Ben needs some more information to finish.
2. Seed Money motions: The Finance Committee is working on two motions: one for Assemblies and one for Quarterlies. When Area 92 separated from Area 72, we just adopted the amounts they were using in 1995. The amounts have not been increased since the inception of Area 92!!! It's time. The motions will go through the Quarterly vetting process in July.
3. Finance Committee: The Finance Committee is complete. Visitors are always welcome. We meet on the third Thursday of the month at 6:30pm on Zoom. Contact me to be included in the invitation.
4. Guidelines: Guidelines are a dynamic document, updated as our methodology changes. We have How to Host Guidelines, Technology Committee Guidelines, and Finance Committee Guidelines. They are for reference only, not part of the Area 92 Handbook.
 - A. The *Alt Treasurer's Guidelines* is simply a document that tells the next Alt Treasurer what to do. What I have looks like it was probably written by Cindy H. I'm working on updating it and getting specific. Some things ought not be left to good intentions.
 - B. The *Audit Committee Guidelines* we have now come from Dolores. Finally, someone wrote down what to do and how to do it! Another benefit of having Audit Committee Guidelines is that they will give the Treasurer a clear understanding of what will be needed for the audit.
5. Contributions: I have been picking up the mail and depositing contributions weekly. Our mailbox is in a UPS store. If you have any questions or concerns, do not hesitate to contact me by phone, text, or email. I guarantee a reply within 24 hours. Here is the Contributions report for February 2024.

Area Archives Chair

Hello,

We have all been working diligently with our assigned committees on the agenda item synopsis sheets (now available on the Area Website ~ area92.org), hosting and attending workshops (in person and on-line), attending the Pre-Conference Assembly this weekend, and preparing our Delegate, Lisa G., for the 74th Annual General Service Conference. As an Area, I feel like we have done everything possible for our Delegate to be an informed trusted servant who is ready and able to represent the Washington State Eastern Area 92.

So what will YOU do after the Pre-Conference Assembly? The Archive Committee is an active committee, working throughout the year on various projects, including co-hosting Archive Workshops with District's interested in hosting a workshop in THEIR area. I am responsible for scheduling and chairing up to four Archive Standing Committee Workshops annually, so if your district might be interested, please contact me at Archives-Chair@Area92AA.org.

We are seeking archive chairs, archivists, and anyone interested in archives. Are you looking for a new spiritual experience? Join our team and get involved. Everyone is welcome ... the more participation ... the more experience, strength, and hope to share with each other and others. This is the 12th Step.

I am looking forward to setting up the archives traveling display for the first time at the 2024 Pre-Conference Assembly this weekend. On May 18th the display will be at the 2024 District 6/20 Service Workshop from 10 am to 3 pm at the Salvation Army, 310 North 16th Avenue, Yakima, WA. The 2024 Pacific Northwest Conference is set for June 21st - 23rd in Wenatchee, WA. The PNC committee will have their archives display at this event.

The display is available for AA service functions attracting a general AA audience – beyond your immediate group. The WSEA92 Archives look forward to being a part of District activities and sharing our archival material. By actively displaying the Area Archives, we maintain our day-to-day experience in recovery and reach back for the shared experience from the past. If your District is interested in having the display at your approved AA function, please contact me for details.

Yours in Love and Service

Hello Everyone!,

There is a lot going on in Archives. I have scheduled 2 work parties; April 20th and June 8th from 10 am to 3 pm (flier included). Anyone that wants to come and be a part of preserving our history and see our repository should come. There is so much to do and I would love some volunteers to come and learn so we can get our collection cataloged and move on to digitizing it some day soon. There will be plenty of jobs to do but if you are good with a keyboard please bring a laptop or device and you can learn how to catalog. There will be a lunch break (probably sandwiches) so bring yourself and your appetite.

We are also looking for an District to host the Regional Archives Workshop on August 24th, 2024. This is a conservation workshop that is very valuable to anyone interested in archival skills. Area 72 (western Washington), Area 58 (Oregon) and Area 92 will join together to put it on. This year it is our turn to host it. We are looking for a District that will be convenient to travel to for everyone. My first choice would be Districts 4, 18 or 9. The Tri-Cities would be the most central place for each area to travel to. Districts 10, 6, 20, and the most southern parts of District 19 could also work but would be harder for everyone to get to. We would need a venue that would support 30-40 people with parking. We also need lots of tables (there will be hands-on learning) and WIFI that can support streaming. Michelle W. will be talking more about it at the Assembly this weekend during her Archives report. If your District is interested, please talk to Michelle or contact me. My contact information is below.

I have also been working hard on the Traveling Archive Display that Michelle will be showing at the Assembly. There are some new items to see and also a Pacific Northwest Conference display. Please be sure to check those out and don't forget to sign the guestbook. If you have any contributions or donations to add to our collection, Michelle will be accepting those as well.

I hope everyone enjoys it. I would also love to hear any suggestions for the display anyone might have.

Sincerely,

Lisa D.

Area Corrections Chair

Hello Area 92!! 1 Apr 2024

Busy time of year for our Area, all these agenda items, SCWs, Pre-Conference Assembly!! Its hard to believe that above all that, we still can move forward in our respective Committees, but yet, we do! Since our last newsletters publication, your Area 92 Corrections world has been active on many fronts. Let's take a look at some of these.

In March a Corrections submission for the Area Newsletter was successfully sent in on time for publication. There were eight Corrections Committee Chairs & Liaisons positions filled, brining the total count to ten entities making up the Committee which supports all 16 of our active District Corrections Chairs and the Area 92 as a whole. Also, as Corrections Chair, I was able to attend both the online SCW and the Ephrata in person Workshop where we reviewed the Agenda Items. Great turn out for both. During the month we were able to Bridge another five releasing AA members either into our Area 92 or departing our Area 92 and heading off to other AA Areas around the country. This brings the total of persons Bridged so far this year to nine. Also just accomplished, an Area literature order was placed for the WSP.

Our March 2nd Monday Area 92 Corrections Chairs Monthly Online Meeting occurred on the 11th with an attendance of 13 people! We focused on getting registered with GSO and are eager to get the Corrections Kits mailed to each of the Chairs. Called for an initiative to identify each Districts jail facilities and if there is or has been an AA presence with them. Aim at getting some Corrections Correspondence Service F-26 forms out to each Districts Business meeting and to three meetings within each district. This is an effort to answer a call out from GSO for more volunteers to write with AA members on the inside. The AA Volunteer Coordinator, Tanya, for the WSP had noted that their roster of Volunteers to join meetings on the inside was needing more people. So, the neighboring Districts, 6, 7, 20, & 22 Corrections Chairs were asked to support by stepping up and spread the word of this need withing their districts.

But the highlight of the month for me was the reports given by each of the attending District Corrections Chairs at our monthly meeting, and with great pleasure I shall share this with you now! District Corrections Chairs Reports:

District 2 – Mary J. – Got \$100 of books to AHCC

District 13 – Mark A. – Currently figuring out his budget.

District 6 & 20 - Tabatha B. & Christina – Meeting monthly and being very active. Finally got approval at jail for meetings 1st & 3rd

Thur. In need of female volunteers. Contacted their juvenile court judge to see what they can do. Yakima county jail has both a men and women population. Bought some books.

District 5 – Tom G. – Going to start up jail meetings on Mar 20th. They have 8 ladies and 9 men volunteers to attend weekly Wed meetings. They are holding off on getting literature until they can find out what, if any, inventory still exists from before covid. Also aiming at group homes, and juvenile facilities.

District 7 – Scott M. – Getting up and running. Ordering literature, daily reflections. Orientation in June.

District 3 – Troy J. – A ton of activity. AHCC groups wish to reengage newsletter submissions and guest speaker meeting events. Geiger correction center asked for a library of literature. When Troy mentioned this at a Central Office event he was asked to attend, he was presented with an anonymous \$300

donation to initiate it. Jennifer Hawkins is the Geiger poc and Troy is attempting to get a meeting started up in coordination with her. Volunteers at AHCC are currently getting to attend about 1-3 meetings a month.

District 12 – Pete H. – Thriving. There is a Thursday group that passes the Pink Can. Okanogan and Republic jails are beginning to come alive.

District 22 – Corey G. – They have two jails, one that meets weekly and one that meets two times a month. New staff that are working at the jail can be a minor challenge. Also having a monthly meeting with members.

District 8 – Leslie P. – Had a meeting with their juvenile probations officer along with Alateen and Al Anon. Will be having another meeting tomorrow. Still going into the jails four times a week. Facilities will

not participate in the Bridge program.

Area CPC Chair

Hello everyone - I want to thank all of the members on the CPC Committee for all the work they did researching, discussing, asking questions and giving feedback to write the synopsis sheets for this year's agenda items. Great team effort and much appreciated! The March Standing Committee Workshop in Ephrata was positive and productive as well as having a good time. The Assembly is just days away and I know it's going to be active, energetic, and I am really looking forward to it. Andy, PI Chair, and myself are talking about combining our monthly CPC / PI meetings. This is because some districts have one chair for both roles. Truly CPC developed out of the PI Committee originally so this can fit smoothly. So he and I will be polling our committee members asking for preference between the 1st Thursday or 2nd Friday of the month meeting @ 7 pm.

Greetings!

Big Thanks to all who submitted their reports earlier than the norm. Next month we will resume with the deadline of "the 5th by 5pm."

I feel grateful for the opportunity to serve as your Area newsletter editor. What an opportunity to learn about the majority of our districts and committees. To take in your voices and listen to your group's conscience per entry is an honor. I appreciate that we have this format for our Area that shares our experience, strength and hope. Great to see DCM and GSR enthusiasm! Also, Diana M. and Rad M., what fun it was to dive into Policy and Admissions together! Thank You!

I had the privilege of going to our monthly committee meeting, Founder's Sharing, SCW online and in-person, Polo's *beautiful* Celebration of Life, our Pre-Conference Assembly, study of Publisher, review our newsletter archives on our Area website, area92aa.org/newsletters, and crunch some numbers in regards to the cost of publishing this publication. I also want to Thank the Tech Team for their excellent service to us during our SCW's.

But alas, how can I serve you? Are you receiving your electronic newsletter yet? It's free! Have you been invited to submit your thoughts, poetry, art, favorite joke? How about your favorite AA pioneer? Your story? Well, this is your invitation. I look forward to hearing from you.

I will be reaching out and talking to content creators for our Area Newsletter. Feel free to contact me at newsletter@area92aa.org to sign up for an opportunity to stay connected and informed to Area 92!

Area Public Information Chair

March was dedicated to reviewing the General Service Conference Public Information Agenda Items. The committee was tasked with reviewing 18 agenda items and boiling down 113 pages of background information into summary sheets. Thanks to our online meeting capabilities, we could digest all this and were prepared for the March 16 Ephrata Standing Workshop Agenda Review session.

Thanks to all who attended the PI session there. One of the key conclusions coming out of our breakout is that the fellowship has a lot of public information plans and programs underway and in development. With all that is being done, we as a committee need to help the area understand what is being done, and how we can use the programs to help carry the message. Planning for workshops to do this is the next step for the committee. We will work to plan workshops for the rest of the year at the April Pre-Conference in Yakima.

It was great to see many of you at the Pre-Conference Standing Committee Workshop in Ephrata and looking forward to seeing folks again at the Assembly.

Please join the Technology Committee at our breakout meeting Friday night of the Assembly at 7pm.

Greetings to everyone in Area 92!

This month my thoughts and prayers continue to be with Polo's family. Also with Gabby, Ramiro and Felipe.

In March District 24 celebrated their 18th anniversary with a 12 Concepts Workshop in Walla Walla. It was an honor to interpret in reverse, from Spanish to English. Thank you to our Delegate Lisa G. , Alt Chair Fran L. and District 4 DCM. Lisa, Thank you for bringing the written material in Spanish and providing copies for everyone. Thank you so much to Dora for her help interpreting out loud at the mic. and to Juan Carlos for interpreting when asked. The event was quite a success with at least 65 in attendance and great participation. Translation will be at District 4 GSR School on April 27th for our Spanish speaking attendees. Hope to see you there. The plan is to grow the committee a little bit to better serve all in Area 92 . That's all for now. Thank you all for your service. Pre Conference is this weekend in Yakima. See you all there!

District 2

Greetings!

March has been a little bit quieter around the district. We have been preparing for the upcoming

Pre-Conference Assembly. District 2 was assigned to Public Information agenda items. I had the pleasure of working with Andy C., the PI Chair for Area 92 and the PI committee in preparing the summary sheets. Attending the Standing Committee Workshop on March 16th was a great opportunity to hear about the other agenda items. Thanks to all that attended and those who made the trip to Ephrata a fun road trip. I am looking forward to the Assembly and hearing the GSRs share their group conscience.

At our last district meeting our Archives Chair, Cyrus C., stepped down. Luckily, Cyrus had already recruited Jeff S., to step into the role. Thank you to both Cyrus and Jeff for making the transition seamless.

The next Spokane District Potluck Speaker Meeting is being hosted by the South Hill Noon Group on April 7th . 4pm at the Spokane Alano Club. We continue to have great attendance at the district meeting. Please join us at our next meeting, Tuesday April 9th at 5:30pm. In person at the Spokane Alano Club or online via Zoom.

Hi Area 92,

Thanks to District 24 for allowing us to participate in your district anniversary; we had lots of fun and heard great information on the Concepts; the food was delicious also:) Thanks to the Area Committee and all the Area 92 members for the hard work on the Synopsis Sheets for the Final Agenda Items. The Synopsis Sheets made the Agenda Items more manageable. The turnout for the Agenda review workshops and the Standing Committee Workshop has been inspiring. District 4 is preparing for a GSR School on April 27th at the First Lutheran Church 418 N. Yelm St in Kennewick. Gary P. (Past Delegate) will be facilitating. We will have Spanish translation and literature for any Spanish speaking members who are interested in joining. It will begin around 10am with a meet and greet with GSR Schooling beginning at 10:30am. Will will break for lunch around noon and begin again at 1:00pm until we are done approx 2:30pm. We will have a potluck for lunch. The main dish will be provided. The attendees can bring a side dish or a desert. We will have a flier on the Area website soon with all the information. We hope to raffle some AA Service books: AA Comes of Age, Our Great Responsibility, and Language of The Heart; both English and Spanish editions. For those who are interested please see the flier for registration information. Registration is no cost, but we would like to know how many for lunch and GSR Schooling packets we need to provide. We hope to have people from our surrounding Districts and the Linguistic Districts join us for a great time! You're all invited.

Thank you all,

District 5

Greetings from Wenatchee,

Lisa G. gave a full run-down of all GSO conference agenda items. She is an excellent presenter and her information was well received. We have been busy viewing lots of different forms of information, including the Founders Writing Slideshow which gave some of us a much better understanding of how Bill and Dr. Bob viewed the need for changes over the years. It addressed some of our members' concerns very well. Those of us that traveled to Ephrata for the Standing Comm. Workshop enjoyed the opportunities to share with others our thoughts and questions. Thanks to Ricky, the Literature Chair that guided our work. Well done! On a more somber note, several members joined us at the Services for Polo Escobar. It was a beautiful and moving ceremony, and I am grateful to attend and say good-bye and support the family. I look forward to seeing everyone at the assembly this week-end! Jean L. DCM District 5.

District 8

Hello,

I attended the in-person Standing Committee Workshop on 03/16/2024 in Ephrata. The meeting was well represented by District 8 GSRs, and Standing Committee Chairs. I did not compile a list of those Trusted servants who attended the in-person, but I do remember there were more than a handful. Next time I will list everyone. Anyway, we covered the PI Agenda Items, and I emailed out the information that Lisa G, our Delegate, needs you all to review with your home group. Afterwards, please send your GSR to the Pre-Conference Assembly to state your group conscience on these topics. This will help with preparing Lisa for the General Service Conference.

We are in AZ until 04/25/2024 and Garrett, Alt. DCM will lead the District meeting in April. I will be attending the Zoom meeting. I will coordinate with Nathan to make sure I can login to the meeting.

Likewise with Jan R. Treasurer. Rachel, the Alt. Treasurer, will attend the in-person District meeting and Jan will be on the Zoom version, or whatever the name of the video-conference program that the Area has us using. Jan and I will also be attending the April Pre-Conference Assembly on the Zoom format, which is coming up one week from the date of this report!

We had a good open forum discussion on whether or not to continue the Ad-Hoc Committee on District 8 Inventory. We will continue tracking our progress on the action items as a District and revisit in 6 months. In the meantime, I think it a good idea to compile a list of groups and individual A.A. members who might want to receive a copy of the district 8 Newsletter in the postal mail. I also want to encourage each GSR to give us a full report on your home group during the District meeting and ask that your reports be sent to the Newsletter Editor for publication in our Newsletter. We got away from hearing full reports in the District meeting and some of us miss learning about what is happening in your home group! The only reason for a district meeting is to provide a forum for the GSRs to bring their home group conscience to the table, and then that information is sent to Area 92 for consideration.

Sometimes that information goes all the way to the General Service Conference floor! If there truly is "no new information" well then okay, however, there is usually new information from your home group almost

every month. This ranges from home group events such as speaker meetings, challenges, problems, and solutions to problems. We learn from one another, sharing our collective experience, strength, and hope.

I want to thank each of you for such outstanding participation in our District meetings! The meetings are going very smoothly, averaging 70 minutes in length, and we are getting things accomplished! I will truly miss being there with you all in-person this month but will be there next month. I am grateful for technology in that I can attend these functions remotely when necessary, however, nothing beats seeing you all in-person!

We still need an Archives Chair so please carry this message back to your homegroup. If someone is interested in Chairing this committee, I will stay on the committee to help out. I have at least one other person who is willing to join the District 8 Archives Committee. Our Archives is very important, and Archives is very near to my heart as I am an avid Alcoholics Anonymous history buff!

Hello,
Without getting too comfortable.. We are getting more comfortable in our new roles in District 13. Corrections (Mark), Treatment (Erin), PI/CPC (Judy) and Activities (Scott & Justin) are actively moving forward to bring help to the still suffering alcoholics by attending group, district and area meetings.

Our Alt DCM (Russell) is managing and updating group meeting information while our Secretary

(Jen) is trying to keep track of the minutes during our crazy district meetings, (Steffy) our treasurer is managing the budget with precision. Our GSR's are understanding their responsibilities to their home groups. We are excited to add more GSR's and are attending home group meetings to help spread the message of service. Happy Spring to all and we thank you for allowing us to serve,

Greetings to everyone in Area 92 from all of us in District 16.

We hope you are all enjoying happy sobriety. These are our District activities for March. We are visiting any group that does not have a GSR encouraging them to join us and let us know how we can better serve them. Myself and several District 16 members attended District 24s 18th anniversary 12 Concepts workshop. Thank you for inviting District 16. It was great! It was nice to see the English Speaking there as well. Thank you to our Delegate Lisa for joining us. Our topic was Concept 7, I was very nervous as it was my first time sharing on a Concept. I learned so

much and have much more to learn. The GSRs and myself met at our District meeting. We discussed the Conference topics that our Delegate gave us in Walla Walla. I am learning to navigate the website and found some of the background information. This is all new and exciting to me. I will be sharing the responses of District 16 groups at Pre- Conference this weekend.

Thank you all for your service!
See you there.

Greetings Area 92!

I hope this letter finds you all well. Everyone is busy with their different committees working on the Agenda Items, as we have been here in District 26.

I attended the Standing committee workshop in Ephrata and got a little more educated on how things are done, what an eye opener!

I also continue to meet with Fran at the hosting committee workshop, this is where

we bounce things off each other and learn how to host an Assembly and Quarterly, so this too has been educational for me as we plan for the 2025 Pre-Conference Assembly. Looking forward to seeing everyone at the Pre-Conference Assembly in Yakima this month!

WSEA 92 OCTOBER ELECTION ASSEMBLY OCTOBER 21, 2023 – SPOKANE, WA

Floor motions:

The PRIMARY PURPOSE GROUP of NORTH IDAHO, District 8, moves that WSEA 92 establish a quorum for voting on motions during Area 92 Assembly meetings; whereby two-thirds of registered, eligible voting members are required to vote on motions.

Discussion:

- Changing the agenda will remedy this.
- Process looks to be smooth at this point
- Worry about the agenda schedule not being in any documents
- Need for by-laws instead of going into handbook
- When do we count? How many times? Responsibility to stay is up to the people
- Different Area Also has the Quorum and had to count eligibility before each vote
- Spiritual organization with trusted servants
- In would be considered Guide lines not by laws

Motion to end discussion: Dist 26 2nd Dist 7 - Pass

Vote on Motion: For: 10 Against: 94 - **Does not Pass**

Recommend to incoming Area Chair about making an ad hoc committee on these policies
39 yes

Motion:

Districts 14 and 26 move that WSEA 92 not require the Standing Committee Workshops be Hybrid.

2nd by Dist. 2

Discussion:

- Question as to if Area funded the SCW. They do not provide the Districts provides place and technology • Decision up to the district
- Technology motion passed this year saying that technology can have the equipment available • Tech chair answered: 3 hours to set up all the equipment Hardware was acquired with the budget, need to find out if venues are able to be hy-brid Can an all online workshop be a difference
- Hybrid is very hard with bad bandwidth and free values are space limited
- Experiment but it didn't work, maybe in person and online as separate options
- Technology committee was formed before hybrid, that has been there focus for the last 2 years is how to make hybrid work, stats read about online attendance the last few years
- Accessibility for those that can not make the in person
- SCW are not Area business
- Dist 6 had a \$600 budget for a SCW
- Hardware is available but the bandwidth is a separate issue
- Ad hoc committee is reviewing SCW questioning if SCW are for newcomers or have other purposes • Questioning if they could all be only virtual
- Restriction on the hosting Districts not a restriction on the Area
- Quality of bandwidth in a breakout room can deter online participation
- Participation in service for the fellowship

Motion to end discussion Mac(GSR) 2nd Dist 12 - Passed

Vote on Motion For 105 Against 4 - Passed

WSEA 92 OCTOBER ELECTION ASSEMBLY OCTOBER 21, 2023 – SPOKANE, WA

The Area 92 Handbook Committee moves that we add the following to the Area 92 Handbook as the first paragraph under section 8.0.

The Area 92 Secretary is a vital service position and ought to be one of the first positions filled by appointment. In the event that no

Secretary is appointed, the Area Chair must make arrangements to have an interim secretary take at least nominal minutes and to arrange for the collection and storage of motions and reports from Area trusted servants including DCMs, from GSRs and from anybody else that gives a report of any kind. The interim secretary should receive all motions in accordance with the Area 92 Handbook and see that all motions are delivered to the Area 92 Tech Committee for digital distribution to online event attendees. The interim secretary should store all motions for the use of the final appointed Secretary.
