

MOTION TO MAKE THE JANUARY QUARTERLY VIRTUAL ONLY

The Finance Committee moves that beginning in January 2026 all January Quarterlies will be held virtually only, no longer hybrid (both in-person and virtual).

BACKGROUND

1. The January Quarterly with the registration, Friday night social, Saturday meal, one night lodging, and mileage, for sixteen trusted servants and a translator costs the Area between \$4,500. and \$6,000. depending on the geographic location of the event.
2. The weather in January is often brutal with freezing temperatures and the high likelihood of snow making travel often treacherous. Holding the January Quarterly virtually will keep everyone safe and warm at home while attending the Quarterly. In addition with no cost to attend we may see increased participation of GSRs and DCMs and other members who otherwise not attend.
3. Provides the opportunity for DCMs and GSRs to encourage their home group members to attend.
4. Provides the opportunity to AA sponsors to introduce their sponsee's to service at the Area level

WHAT HAPPENS IF THE MOTION PASSES?

CHANGES TO THE WSEA 92 HANDBOOK:
