Twelve Points of Tradition III

"Our membership ought to include all who suffer alcoholism. Hence we refuse none who wish to recover. Nor ought AA membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an AA group, provided, of course, that, as a group, they have no other affiliation."

Twelve Points of Tradition, Bill W., April 1946 Grapevine, as stated in The Language of the Heart, pg. 68

Appointed and Elected

Area Delegate

Hello Area 92,

As I write this, I am on the plane for Alaska heading to PRAASA 2025, and I am reminded of where I was 13 years ago, a still suffering drunk, who didn't have two pennies to rub together. Since coming to the rooms of Alcoholics Anonymous my life has been changed and there is sunlight once again. I am forever grateful to the amazing group of people who have dedicated their life to help others.

All the committee's are busy working on the synopsis sheets, the final agenda and background is available to all on our area website, area92aa.org under the resources tab. As the synopsis sheets are completed they will also be added to the same location, under each specific committee. I have also created a list of considerations as well as possible discussion topics, but look forward to hearing what topics you are most interested in. There are a few exciting topics in this year's agenda!

We have the Agenda Review Standing Committee Workshop in Yakima on the 15th of March and Dan and I have a couple virtual agenda reviews planned, flyers and zoom information is on the website, scheduled for March 13th and March 27th @ 7pm (pst). I will also be doing an in-person review March 23rd in Spokane from 11am-1pm.

I was recently contacted by the Big Bend College in Moses Lake, they are doing an April Alcohol Awareness month and have invited us to participate with information about what AA does and doesn't do, I have passed all that information along to the area appointed chairs as well as District 19, this is a wonderful opportunity for us, as well as the college, so I am hoping we do our due diligence and reach out to Big Bend.

GSO's Podcast episode 8 - the season finale "Leading with Service" is now available as well as the Winter 2025 Box 459.

I look forward to seeing everyone in Libby next month.

Lisa G.

WSEA 92 Delegate

Area Alternate Delegate

The following is what I presented for the Young People's Panel at the Pacific Region Alcoholic Anonymous Service Assembly (PRAASA) in Anchorage

Hi I am Dan and I am an alcoholic.

I have the honor of serving as the Alt-Delegate for Washington East Area 92.

My homegroup is Northern Lights in Spokane, Washington We meet Monday evenings 7:30pm

My sobriety date is January 10th, 1979

One of the unique things about AA meetings is that people can share their most devastating experiences, and often, there's laughter. Why? I think it's because honest sharing, whether it marks the beginning of recovery or shows someone already working the steps, is a testament to the hope that AA offers for this seemingly hopeless disease of alcoholism.

I first encountered AA at 21, through a treatment center. I learned about alcoholism, was encouraged to self-reflect, and was introduced to the Twelve Steps. I worked through Steps 1-9 as best I could while in treatment and attended my first AA meeting as a patient, where I felt welcomed. Socially awkward and needing to learn so much about life, I needed to explore new things, and it was crucial to do this with others committed to sobriety. I was lucky to find many people my age in AA. I had no idea what I enjoyed without alcohol, as it had always been a part of my activities. I was still terrified of external forces triggering a relapse. I lacked faith that connecting with my higher power through the steps would work in all aspects of my life. But, as I continued to stay sober, through both perceived wins and losses, my faith in AA grew, and my fear diminished. This has allowed me to enjoy life more fully—a wonderful bonus, considering all I initially wanted was to stop drinking. Before AA, my pursuit of entertainment and pleasure was just a way to mask my fears. This was different. What a gift! Continuing to nurture my relationship with my higher power through 12th-step work, attending meetings, and participating in service brings joy and purpose to my life. My first sponsor told me the best way to help others stay sober was to stay sober myself. This gave me a reason to live when I desperately needed one. This primary purpose has remained unchanged throughout my 46 years of sobriety.

How can you actually enjoy an AA business meeting, service committee meeting, or Area assembly?

First, I believe no one should join a committee until after working on their Ninth Step. My ego still exists, and I can forget that God speaks through group conscience. I can become resentful when my way (which, naturally, I believe is the right way) isn't followed, or when it takes too long for others to see my point of

view. I try to remember that if I'm angry, I'm wrong, even if I'm factually correct. That means I have an internal issue that only working the steps can resolve. If the anger stems from fear that AA might be harmed by something, I hope I haven't acted in a way that creates disunity. Unity is paramount.

Second, I need to understand the business at hand and how I can contribute to its progress. I love being involved with groups that get things done.

Third, I try to make others feel valued in their service, just as others did for me.

Fourth, I enjoy the fellowship of people working toward our primary purpose: helping the still-suffering alcoholic.

You are the best people to be around, and thank you for your service!

Area Chairperson

In a couple days I am off with several others to PRAASA in Anchorage for a weekend of service, mingling, and updates on things elsewhere in AA.

AA at Eastern State Hospital: I have recently been contacted by an Eastern State representative who is enthusiastic and seeking AA meetings at their facility in Medical Lake. Eastern State is an involuntary mental health facility for those unaware. This is something new and exciting to A92 and we will be looking for volunteers to support these meetings. The details are yet to be worked out. I have spoken with their staff representative and reached out to our own people in A92. This is not quite corrections or CPC and there is an element of PI as well, so I have reached out to various acquaintances elsewhere as well as corrections and PI at GSO (on the advice of my friend trustee Carolyn W). So far I have gotten some good feedback with which to proceed.

I am aware of, and have made contact with, a couple people elsewhere (A72 and NorCal H&I) who do have some years of experience taking AA into involuntary facilities like Eastern State. This is promising and I will be meeting with at least a couple people at PRAASA this weekend in Anchorage to discuss some of the details and aspects of this type of service. This is an exciting opportunity and I want to do the best we can out of the gate for this population of suffering alcoholics.

Anyone interested in becoming a part of this effort please contact me and we can start accumulating a volunteer list. I imagine living within the vicinity of Medical lake would be desirable but not required if you're willing to travel. The details such as facility clearance and any required training etc. will be forthcoming. I will be contacting their representative and a handful of our people for some kind of meeting, perhaps virtual, to discuss how to proceed. No doubt it will be a learning process.

Alt-Treasurer: In other news and as a reminder we are accepting resumes for the Alt-Treasurer position that our Rainey has vacated due to health considerations. Please email your resume to me at: chair@area92aa.org and be prepared to present at the mic (or virtually) when we meet in Libby this April. Thanks to all for considering this vital position. If you're not considering it and you're

capable please do. This is a very critical part of our service structure.

We currently have three motions for consideration at the pre-conference in Libby, two out of the finance committee and one more from the tech committee. I believe Jennifer has already made the finance committee ones available via email and on the drive and the tech committee one should be forthcoming.

This will be a very busy assembly as we have Conference agenda items to cover as well as a report on our recent Area inventory in addition to the other business. Please come prepared to get busy.

I recently met an AA historian, Gary from Atlanta GA, at the Blending of Time Conference in Tacoma. He introduced me to another person who will be forwarding me useful material about Washington State Penitentiary for the National Corrections Conference hospitality suite archives this July at the International Convention in British Columbia Canada. Who says service isn't fun? I always hated history when I was in school, but they made me study it.

I love it now that it's my own choice.

Off to Anchorage and PRAASA tomorrow am along with a pretty significant crew from A92. Speaking of having fun in AA.

In Love and Service,

Bryan B, Chair, WSEA92 Panel 74

Area Alternate Chairperson

Welcome to March 2025. It seems like yesterday it was January. As I write this article I am on my final flight to Alaska, to attend PRASSA. This rotation I have had the honor and privilege to serve with amazing folks. Lisa our Delegate, Dan our Alt Delegate, Bryan as our Chair and Carole and Rainey heading up our finances. What I continue to learn is how to serve and be of service to others.

I never have a plan going into a rotation of goals or accomplishments; it's just about doing and being present for others. As life changes for me as I age and the possibilities of a change in jobs or the feeling of losing some of our dear friends I need to always remember to never let fear be the guide. I need to remember that my higher power has the wheels and I just need to sit back and enjoy the journey.

As I was preparing for this trip to Anchorage to a destination that I have never been to, you wonder what it will be like who will I meet and what will we do. And my favorite is what I will learn. I hope as usual how can I just be a better human, how can I serve others in a better capacity.

PRASSA is one of my favorite events all year, it falls just before our delegate heads to New York for the General Service Conference? We have an opportunity to discuss items and subjects that are going to be on the agenda. Hearing others' views and different perspectives is amazing. That I may miss in an agenda review or even reading all the background which Lisa says is about 700 pages. So if you want an opportunity to learn and grow, find new fellowship and join us in attending a future PRASSA. Next year it will be hosted in Hawaii So I hope next year Area 92 can have a huge turnout for this amazing conference.

So I hope also to see you all in Yakima for the Standing Committee Workshop to review the agenda items. The agenda items that I reviewed are definitely worthy of reading so check out Report and Charter. March 16th 10am to 3pm

Then we can gather in Libby the first weekend in April for the Pre Conference Assembly. Let's discuss and make sure we carry our voices on these agenda items. My voice may differ from yours but all voices matter please come and share yours and your home group's voice.

Let's Chat let's share, let's serve our fellowship. We are the stewards of AA. We are Area 92 and we are 30 years old. Let's celebrate it together.

Thank you for allowing me to serve Area 92 Please let me know if I can do a better job.

Greetings! Spring is in the air and soon the trees and flowers will be in full bloom. It always feels like a new and fresh start to me, full of promise. And next week we "Spring Ahead" and daylight will last longer. "Ain't life grand"?

Let me start by thanking you for the honor, privilege, and pleasure of serving as your Area Treasurer. It is a joyful and rewarding period in my life and I am so grateful.

It's been a very busy month. We are preparing for the annual audit which will take place the week following the Standing Committee Workshop, where I will hand my files off to one of the audit committee members. Past Delegate Mike Mc is heading up the Audit committee and will be reporting on the results at the Pre-Conference Assembly in Libby.

Lisa G and I are the Area committee on the Finance Agenda Items. We have seven items on our agenda and I am pleased to see each one of them on the agenda because they are all so relevant to the financial struggles we share from the bottom of our Conference Structure to the top. I look forward to sharing at the Standing Committee Workshop.

As I put my Alternate Treasurer hat on, I am here to say that I spoke with Rainey a couple times over the last few days and I am happy to report that she sounds great. She has started a new treatment which has not made her sick like the previous treatment. She is feeling a little better, attends an online meeting regularly and has been able to attend an in person meeting once a week. She is not sure if the treatment is effective but will have tests to find out soon.

February 22nd I received the first delivery of Area 92 mail from the Spokane UPS Store, where our Area Mailbox is located. With a little guidance from Cindy H, Past Alt. Treasurer, Panel 70, entering the contributions in QuickBooks went off without a hitch. I accessed our Paypal account and was able to transfer funds and enter those contributions with no problems as well. Also, while in Paypal I linked our new Pink Can bank

account, so now you can also make contributions to the Corrections Pink Can fund through our Area Website. Finally the February Treasurer's Report and Contributions by month report follow this written report.

I am looking forward to the upcoming Assembly in Libby. I am excited, but a tad anxious. Excited because Montana is a beautiful state and I've never been to Libby. A tad anxious when I think of the VERY short timeline between month-end and my departure deadline to insure arrival a little ahead of time on Friday afternoon. I remind myself that everything always works out just as it is supposed to as long as I remember that I will not be anxious! See you in Libby!

Best Regards with Gratitude in Service

Area Secretary | Handbook Committee Report

March is bringing the first signs of spring to the Methow Valley - snow is melting, and robins have returned to the trees.

I've been keeping busy with my duties. The Technology Committee will present a new motion at the April Assembly. It has been emailed out, added to the shared drives, and posted on the website.

I was assigned the International Convention and Regional Forums agenda items, which have kept me busy. I used Google NotebookLM to help summarize the background data - it was a great tool for distilling key information.

The Handbook Committee continues to meet monthly. At our last meeting, we discussed the Technology motion and a potential motion from the Newsletter Committee.

The GSR Google Email Group is now live! While the launch had a few hiccups (including some last-minute QR code issues), there are still multiple ways to join. GSRs can email me directly at secretary@area92aa.org or click [\[HERE\]](#) to sign up through a form.

Archive and Grapevine Agenda Review Committee ~ We last met on February 26th. I sent a quick agenda out before the meeting and asked each team member to open the agenda and leave a "message" for me. After receiving only one response, I thought we better go through this and make sure everyone can collaborate on a document. First, I had to convince them to open the agenda. Next, we reviewed how to collaborate on the document using the editing mode 'suggestion'. They were all able to leave a message for me. It was so exciting seeing the light come on in their eyes once they got it down. I felt like, if that

was the only thing they learned that evening, it was a successful meeting. We worked together going over the process several times and I think we all felt very accomplished. So you have opened the document, made your suggestions, and closed the document. Now, where the heck is it? How do I find it? The way I dealt with this dilemma, when I first began working on the Google Workspace, some 8 years ago, was to go to my "recents". I suggested that they "star" the document and it can be found very quickly that way too. By the end of the evening, we each volunteered to work on an agenda item with a partner. This worked very well. I was so impressed with their commitment to the process and their thoroughness. I am so fortunate to have you serve with me on the 75th GSC Agenda Review. **THANK YOU!**

2025 March Standing Committee Workshop ~ 75th GSC Agenda Review ~ will be held on March 15th in Yakima, WA, at the Bethlehem Lutheran Church. I have been baking for over a month now, and will be serving up some of your favorites, i.e., Pumpkin Bread, Banana Bread, Banana Nut Bread, Chocolate Chip Cookie Bars, and Chocolate Chip Cookie Bars with Nuts. No worries, I will make some hot, oven fresh, blueberry cobbler at the church so we can smell it as it cooks. I promise to use 'sugar' and not 'salt'. That was a traumatic experience a few years ago and they even tried to eat it so my feelings weren't hurt. Finally, some of my girlfriends came up to me and said, "you used salt in the cobbler NOT sugar". The salt and sugar are now in different cupboards and clearly marked so that doesn't happen again, ever. You might want some whip cream or ice cream with your cobbler so put that on your list of possible potluck items to bring.

Archive Steering Committee "ASC" ~ We last met on February 18th. We discussed setting some goals for 2025 and we came to the conclusion that we would first tackle updating the Archive web pages on the WSEA 92 website, based upon the 2024 WSEA 92 Handbook dated December 12, 2024. This will be a very straightforward project that can be achieved both easily and quickly. Our second goal is to collaborate and finalize the ASC's "Strategic Plan". Our final goal is to write a clear and concise motion to update the WSEA 92 Handbook relative to the Archives, the Archives Steering Committee, and the WSEA 92 Archivist. The ASC has been working on this motion for some time now, and we would really like to see it move forward. For now, I am satisfied with waiting, watching, and learning how to do this most efficiently.

Recruitment ~ The Archive Steering Committee is seeking members of the fellowship interested in joining the Archives Steering Committee. Join our team and get involved.

Archive Traveling Display ~ A small display will be at the April Pre-Conference Assembly, in Libby, MT. We invite you to visit our display to see some of WSEA 92's historical archives.

I am looking forward to seeing you on March 13th (*Virtual*), March 15th (*In Person*), and/or March 27th (*Virtual*) for the 75th GSC Agenda Item Review Workshops. If you are coming to Yakima on Friday, or not leaving on Saturday, let me know if you want to hang out or go to a meeting?

Yours in Love and Service,

Hello Everyone!

I will be hosting another open house work party at the Area 92 Archives Repository this Saturday at 10:00 am to 3:00 pm. I had posted a flyer to the Area 92 website but apparently it did not appear so I will see if I can find out the problem and get it posted in the next couple of days. I have attached another copy with this newsletter. I am also working on another flyer that has a schedule to show what we will be working on each 2nd Saturday of the month. This Saturday we will be processing a box of items that need to be sorted, identified, cataloged, prepared, boxed and labeled. If we have enough people, we should be able to accomplish this task in one session.

Like all 12-step work, archiving is a spiritual experience and every time I go through a box of donations, I get to walk through the journey of past volunteers and see what they experienced and accomplished for Alcoholics Anonymous. It shows me the importance of what we do and why we do it. Our stories must be told the way each person experienced it. I am very honored to have this responsibility and I love doing it and hope to share it with other volunteers.

We got a very special surprise at the repository. Tom W. was working on the desk that was recently donated to us belonging to Fran P. who had many positions including Delegate in Area 72 and Director of Grapevine Inc. I mentioned in my last newsletter that Fran P. and his wife Jan P. started A.A. meetings in Romania and Vienna before it was allowed. To Tom's surprise he found a beautiful coin printed with Romania on it. This is an amazing piece of history and it will be in the Traveling Archive Display at the April Assembly along with some other donations from them. Please stop by and see them and sign the visitor log.

I hope to see you Saturday.

Hello everyone,
I hope this report finds everyone as well as possible - I like to ask myself in my dealings with life: Have I invited my God into this?

Today I start convalescing from having the flu. It's been quite some time since being sick and my first thought after getting up and reading today's calendar: 'Wow, I lost those days.'

The CPC Committee has been working on the synopsis sheets using AI Summary. It worked lickety split (fast and efficient). The whole committee will come together tomorrow and finalize the sheets as well as translate them to Spanish. Our goal is to have them to our delegate by Friday March 7th.

In Love and Service,
Lorri T.

Area Grapevine and Literature Chair

Hello Area 92,
Hope all is well with all of you. Its been a busy last couple weeks. Here in Yakima. We had our Round Up on the last weekend in February. And during the Round Up is when we received our background information. So I was a little distracted there for a little while trying to read and pay attention to what was going on but we got through it. So I hope to see a good turn out for the SCWS in a couple of weeks. I also hope that something on the agenda sparked some kind of interest in more people to make them want to show up. So here's a little piece from the Grapevine/LaVina chair in New York:

Good day Trusted Servants,

DID YOU KNOW that the AA Grapevine does not take 7th Tradition contributions and is only supported through subscriptions to the APP, magazines, and purchases of AA Grapevine material?

I have had many inquiries with regards to kits. Please share with your districts and groups that in the spirit of 7th tradition and 7th concept

We need to make financially responsible choices. Since we do not accept 7th tradition contributions and are self-supported by the purchase of subscriptions and material, we are making some adjustments. We are providing the kit is at your fingertips 24/7 on our website under resources <https://www.aagrapevine.org/gvr-resources>. We are in a slow process of updating all our material. Should you have an event and you need material to fulfill your service commitment please fill out the form:

Area Newsletter Editor

Hello All!

At our upcoming April Pre-Conference Assembly we'll be busy hearing the Area members voices on our Agenda Items. And I want to pose a question to you, the body, pertaining to our Area Newsletter. Then we will have a show of hands at the Assembly from that question.

This is not a motion. It is housekeeping of the current described job on page 24/8.3 WSEA 92 Newsletter Editor of the WSEA92 Area Handbook duties; "Receives the minutes and motions from the secretary." (the question is, to do what?). Also on page 21/8.1 WSEA Secretary our Handbook states; "A condensed version of the minutes will be given to the Newsletter." (to publish?). The outcome is the removal of language and/or addition/clarity of this duty.

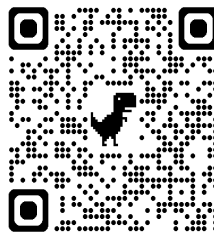

After meeting with the Handbook Committee in January 2025, it was suggested that it would serve the body and their time by taking a poll in the action of a show of hands.

Here's the question.

Is our WSEA 92 newsletter your primary form – of being informed in Area business?

Hope you're all doing well this busy March.

See you in Yakima and Libby!

Hello area 92.

Last month was great, we had my monthly meeting with a couple of individuals on zoom.

I'm excited to co-host the standing committee workshop with Virginia in a few days. We have a little bit of a surprise for the workshop.

Thank you for letting me be of service.

Greetings everyone!

February has also gone quickly!

I was at the Standing Committee Meeting on February 3rd, and the Handbook Committee meeting on the 10th. On the 20th I was at the District 6 Business meeting in Yakima at the invitation of Eddy G., our Area 92 Treatment Chair. Thank you Eddy and the District for allowing me to sit in on your meeting.

Thank you District 6 for hosting the Standing Committee Workshop on March 15th in Yakima! On the 22nd in the morning I attended the Google Workspace Training and then at noon I ran over to Grupo Comunidad for our District 24 GSR School. Thanks to our DCM Ramiro for voicing the need and to Dan M. our Alt Delegate for listening to us and coming to Pasco. And much gratitude to Saul for sharing his knowledge and experience! It was a great school and was well attended by the GSRs, as well as those interested in knowing more about the GSR's role and General Service in A.A. Of course we had food afterward! On the 23rd I was at our District 24 Business Meeting. I served coffee and ate leftovers from the day before.

I have also been working with Jennifer on translation. At this time it is the Minutes from April and October.

The four Linguistic Districts are all very busy with group and district anniversaries, workshops, Spanish State A.A. Conventions and the Spanish U.S and Canada Convention.

See you at the Standing Committee Workshop on March 15th in Yakima!
See you in Libby at the Pre Conference Assembly in April.

Thank you for allowing me to serve,

Greetings from District 3!

A lot has been going on in our district, and I have not shared with you all the last couple newsletters, so I would like to apologize for that.

Now, what has been going on.

Proposed Agenda Items are out, so if you are a GSR, you have access to them! If you are a member of AA, you are invited to the AGENDA ITEM REVIEW, hosted by District 3 on 3/23 at the Alano Club in Spokane from 1-3:30pm. We will host our area delegate, Lisa G. to go over the Proposed Agenda Items that will be discussed at the General Service Conference this April. If you want more information or want to help, ask our Activities Representative, Aaron R. (509-995-2285). District 3 is charged with being informed about the agenda items that are in the Cooperation with the Professional Community (CPC) category!

In other news, our very own the CPC/PI chair has some fliers to share with professionals who want to learn about AA for their clients, if you are a professional or know one and would like some of these fliers call our CPC chair, Dave K. 509-496-8258, and he can help you to access them.

Our Treatment and Corrections chairs are working to make AA meetings available to those in Juvenile Detention those in facilities.

Youth are getting meetings from our SPOYPA members at Juvenile detention, which is such a gift. We are so grateful to have Vaughn W. serving as our Intergroup Liaison.

Ash M. is keeping our district informed regarding updates with AA and Grapevine Literature.

Finally, we need an Archives Chair in our District, so if you would like to learn more, ask me, Cari S. (360-901-1166). If you are interested in attending our District meeting, it is held every second Tuesday of the month at the Alano Club at 6:30PM.

Sincerely,

Cari S. DCM #3

District 4

Hi Area 92,

District 4 has been working on reorganizing our general services structure. For many years our district general service structure has been two separate organizations. a Central Office and a District Committee. The Central Office has been responsible for the book store, the answering service, Information Services (website, meeting schedules), special events (4th of July picnic, gratitude banquet, new years eve party), and the service committees (corrections, archives, treatment and accessibility, and CPC/PI). The District Committee has been responsible for the General Service Representatives (GSR) schools, GSR monthly meetings, area 92 quarterlies and assemblies, general service office information distribution, general service conference (GSC) information, delegate report-backs, GSC agenda review process.

The District 4 service structure has been described as Central Office--local services and District Committee--AA world services. The groups exercised their responsibility and authority of the Central Office and District Committee through Central Office Reps and GSRs, respectively.

Most recently the monthly meetings were the 2nd Saturday of the month--District Committee Chaired by the District Committee Member (DCM) with GSRs at 10am followed by the Central Office chaired by CO Chair with Committee Chairs at 11. Both Organizations had chairs, secretaries, and treasures. The groups provided support for the services by contributing funds to the Central Office and to the District Committee. During the last rotation (2023) of trusted servants the Central Office created an ad-hoc committee to look into consolidation of the two service structures.

The ad-hoc committee presented a motion to the Central Office that: **District 4 General Services Structure align with Area 92 General Services and dissolve the Central Office.** The motion listed the benefits to adopting this proposal which included: a single unified service structure, the GSRs will be the focal point of contact for the home groups, the GSRs participation in the new structure will gain a better understanding of Area 92 quarterlies and assemblies, the service structure will align better with the General Service Manual and the AA Group Pamphlet, easier to explain to new service workers in District 4, one service meeting for all the GSRs and Service Committee Chairs, reduction in redundant service positions i.e. one chair, one secretary, and one treasurer. Charts were added to the motion showing the current structure of two organizations and the separation and also a chart was added of the current Area 92 structure and the proposed District 4 organization. One of the discussion points that came up regularly in the discussion of the motion was that the Tri-cities AA is made up of only one district and that mainly Central Offices were needed when multiple districts needed the Central Office services to help the districts organize their efforts in reaching the still suffering alcoholic, and that the Tri-cities being one district did not need this extra organization. After a couple months of posting the motion and discussion the groups through the Central Office reps passed the motion in February's business meeting. We hope this unification of services provides the groups a better line of communication of all the service activities that are happening in the Tri-cities and throughout our Area 92 and in all of Alcoholics Anonymous in the US and Canada and the rest of the world.

Thank you AA for our sobriety,

District 4

District 7

Greetings from District 7, the beautiful LC Valley and surrounding communities!

March is a busy month for us, as we get ready for the upcoming April Pre-Conference Assembly and the 75th GSC. We've got our regular District 7 Business meeting scheduled for Saturday, March 8th in Grangeville, ID. This will be the first of our two opportunities to discuss the agenda items in a group setting before the April Assembly.

On March 29th we are co-hosting a GSR School with District 22 at the Lewis Clark Alano Club in Clarkston, WA. Past Delegate Scott R. and current Alt-Delegate Dan M. will be facilitating and a flyer can be found on the Area 92 Website Calendar. There will be a potluck after the GSR School followed by our second March District 7 Business meeting. Since we normally meet on the Second Saturday of each month, we moved our April business meeting ahead of the early assembly date this year.

We hope everyone can attend the March Standing Committee workshop and/or the virtual Agenda Item Review sessions on March 13th and March 27th in order to give our Delegate Lisa the best possible feedback prior to the April Assembly and the 75th GSC.

See you all in Libby in April!

District 10

Greetings from District 10,

It's hard to believe we are almost a quarter through the year already! There are not a whole lot of updates for the month of February, but the updates we do have are exciting to share.

We have been looking for a Literature & Grapevine Committee Chair for months now, but we are happy to announce that the search is over! Tiffany and Sue have graciously stepped up to fill the role as co-chairs and we are confident they will do a great job. Big thanks to them for offering their time to be of service for the program.

We also want to thank Jack for his service as the Alt DCM, as well as the GSR for our Kittitas group. He has stepped down, so those are roles we are now looking to fill. Thank you, Jack! Also, we want to thank Kirsten for stepping up to be the GSR for the 6:30am group, after Jeff has stepped down. Thank you, Jeff, for your faithful service!

For those unaware, we will happily be hosting the July Quarterly! Stay tuned for more news on that in the coming months.

As for our groups, most are moving along well. The Serenity Seekers group has almost outgrown their room, which is a good problem to have! The Old Skool speaker meetings continue to be popular, and the Thorp group

has a solid 20-25 people attending on average.

Congratulations to these members celebrating sober birthdays in February: Jim (24yrs), Kirsten (6yrs), Chantal (6 months), Scott (30 days), Tim (37yrs), Max (9 months), Julie (8 months), Chris (8 months), Lydia (5 months), Chris W. (20 months), Rose (15 months), Jeremy (7 months), Bella (4 months), Nick (6 months), Rachel (4 months), and Raya (2yrs)!

That's all for now. Stay safe, stay sober, and God bless you!

Yours in service,
Cody R.

Warm greetings to everyone in Area 92 from all of us in District 16!

Last month the GSRs and myself continued to visit and hold raffles of our A.A. literature at the groups in an effort to put books into the hands of more members and to raise funds for our district. This also allows us all to listen to new and different experiences and make new friends. There are always new members in the groups as well as in my home group.

District 16 meets every last Sunday of the month at 10 am at 50 Bethany Rd., Grandview, Washington.

Visit us if you are in the area. This is all for now.

Thank you all,

Hello Everyone in Area 92 from us all in District 24!

February was an active month in our District. Grupo Comunidad, the oldest and largest group here, celebrated their anniversary in February. It was a great event with lots of information about A.A., delicious food, music and dance! We all celebrate the joy of living without alcohol! District 24 would like to express our gratitude to our Area 92 Alt Delegate Dan for helping us make the GSR School possible on February 22nd and Saúl for the great information provided to the GSRs and interested members. It was well attended. We had delicious pozole afterwards and even had some at the District meeting the following day!

Our District is celebrating its 18th anniversary by having an AA 12 Traditions and 12 Concepts Workshop on March 22 at 2pm at First Lutheran Church, 418 N. Yelm St. Kennewick, Washington. These coming months will be very busy as most of the groups are planning their group anniversary and the District is always invited to participate on a topic during the group's Unity days.

I plan to attend the Standing Committee Workshop on March 15th and the pre Conference assembly in Libby, Montana.

District 24 meets every last Sunday of the month at 2pm at Grupo 12 in Pasco, 1416 W. Clark, Pasco, Washington.

Keys to Corrections

A Column to Inform and Encourage

Welcome to our fifth installment of what we hope to be a long running column of informative, encouraging, and inspirational topics from the wonderful world of service in AA Corrections. We welcome you to the...
Keys to Corrections!

This month we are going to look at how we as an AA Area and its Districts support its regions Prisons. The first thing that should be known is that A.A.W.S Corrections Workbook addresses the inherent differences between how we as the Hand of AA reach into a Prison vs a Jail or Juvenile facility.

“Although the basics of carrying AA’s message into youth detention centers and short-term facilities are no different than carrying the message into any other Correctional Facility, many Area Corrections Committees felt there was an expressed need to include some information in this workbook regarding what they viewed as added challenges to service work in these two areas and, based on their experiences, some suggestions on leading meetings in these institutions.

Experience shows that there is often a rapid turnover of individuals in both youth detention centers and short-term facilities. Frequently, attendance at AA meetings in these institutions may not be voluntary. It is prudent to be aware that, like many AA members in the beginning, some people may not believe they have a problem with alcohol and resent attending an AA meeting. It is important to remember that AA is there to offer a message of hope. You may not be able to see immediate results, but a seed may be planted.”

So, what does this mean, and why highlight it? Stemming from the single factor of length of stay, or as the Workbook termed it “*rapid turnover of individuals.*” Historically we have experienced a much greater willingness with our Prisons wanting us to have meetings behind their walls, than our Jails or Juvenile facilities. Not that we do not have some where meetings are taken in, but the numbers speak for themselves.

100% of our Area 92 Prisons have meetings, whereas only a fraction of our Jails and Juvenile centers welcomes us in with meetings. Their residents simply are not there long enough. So, we support in different ways, often heavily relying on our message of Hope being carried by our literature.

Our level of involvement and activities in our Prisons though are starkly different. They well could be held up as pinnacle examples of AA’s effectiveness at carrying its Message in the corrections arena. Here in Area 92, this has been the case for decades, long before we were even Area 92. In fact, we have the unique and distinct claim to having our Walla Walla Pioneer Group be the second registered AA group meeting ever behind the walls, founded only weeks after San Quinten. And it is also the longest continuous running correctional facility group in the world.

So, what goes on with AA in our Area 92 Prisons? We have five Prisons: Airway Heights next door to Spokane WA, Coyote Ridge in Connell WA, ICIO in Orofino ID, NICI in Cottonwood ID, and WSP in Walla Walla WA. All five of our Prisons have impressive levels of involvement, so we shall fairly take them one at a time, in alphabetical order. You can view information on all our Prisons, Jails, and Juvenile facilities at our Corrections webpage’s “*interactive map*” here; [Corrections – Area 92 Alcoholics Anonymous](https://area92aa.org/area-committee/standing-committees/corrections/)

<https://area92aa.org/area-committee/standing-committees/corrections/>

This edition we will look at what goes on in our Airway Heights Corrections Center (AHCC)

Spokane is comprised of four Districts; 2, 3, 13, and 17. These Districts work collaboratively but only District 3 actually has any correctional facilities. So, Airway Heights Corrections Center resides in District 3 who is currently very active with its support. One important thing to be aware of when it comes to meetings in facilities, there is an extremely important relationship that must be established and maintained between the correctional professional who oversees community involvement (Community Partnership Program
