WELCOME TO PANEL 76

DELEGATE

I've recently had the pleasure of delivering a couple of General Service Conference report backs in Spokane and Chewelah. I feel they went very well! I was expecting a few more questions from the crowd—which might just mean I talked a bit too much, or perhaps folks haven't had a chance to review the materials yet.

If you haven't already, please take a moment to explore gsc-agenda.area92aa.org. It contains a wealth of detailed information regarding everything that happened at the General Service Conference.

I will be doing more report backs soon, and I hope to visit a location near you. Be sure to keep an eye on the event calendar at area92aa.org to see when I'll be in your area.

You're Invited: The Pacific Northwest Conference (PNC)

I also want to extend a personal invitation to the upcoming Pacific Northwest Conference. Established in 1948, this is an outstanding conference with a rich history in our region.

Over the years, the second biggest reward of my service work has always been the fellowship of other AA members who care deeply enough to get involved in general service. The absolute biggest reward, of course, is that I am still sober today.

Please don't miss this incredible opportunity to rub shoulders with wonderful people, soak in great information from the presentations, and share your own experiences.

Dates: **June 26–28, 2026**

Location: **Vancouver, WA**

Details & Info: pnc1948.org

I hope to see you there!

ALT-DELEGATE

Wow! It's June already. This last month was filled with travel, laughs, tears and the blessings of sobriety. I had the privilege to travel to District 7 and 13 to attend their business meetings. It was exciting to register GSRs and district committee chairs that hadn't yet been registered. I traveled to District 6 for their annual service workshop. I was asked to speak on what service means to me and how it has enhanced my life. I got to share this experience with my twin girls. They don't remember the drinking mom, because they were too young, but they get to see the confident, honest, loving mom that I have become. Plus, they love a good potluck and raffle

This last month I have helped Dan prepare for his report backs. It has been a true honor to walk this journey with him and to see how the conference works through his eyes. I was able to attend the first report back hosted by Districts 2,3,13 and 17. I will be traveling with Dan as much as possible.

We have two new groups that have been registered with GSO and the area. Welcome to Young People Night Shift in district 6 and New Beginnings in district 17.

Last but not least I will be attending PNC at the end of the month. I have been asked to speak on a panel. My topic, "Are we listening before we lead". I have been diving into our literature and speaking with my service sponsor about this topic. I am excited and nervous at the same time. If you haven't registered for PNC yet, please think about it.

Yours in service,

Oleta Barton

12 CONCEPTS FOR WORLD SERVICE

WRITTEN
BY AA'S
FOUNDER

CHAIR

Welcome to June 2026

I am scheduled to attend PNC June 26th- June 28th in Vancouver, Washington. We will have quite a few people representing Area 92 in doing presentations, and doing service work. Come see them in action. I attended my first PNC in Spokane early in my sobriety. It made a huge impact in my recovery and in my life. It showed me truly how the circle of love works. Watching and observing relationships begin. Laughter amongst humans that have yet to really grow relationships. Learning about our history and how this conference began and continues to be a legacy Area 92 gets to participate in and rotationally host.

I am also taking a long overdue vacation. In loving memory of my boss of 20 years, I am going to celebrate a dear friend's birthday & the nation's birthday with fireworks and travel. I am looking forward to laughing and refreshing my spirit. I remind others to take time for self-care and do things that are good for them but have realized my tank is empty and it's time to refuel my tank.

I had the pleasure of attending the Hispanic Convention in Toppenish. What a great source of unity, service and recovery. I uploaded a google translate app at the convention and watched the conversation on my phone at first and then on my IPAD. While not every word was translated correctly, I was able to understand what was happening in the room, most of all sharing it with the person sitting next to me. If I would have had my air pods I could have listened to the conversation.

Technology is cool and I am excited to see if we as an area can't find more ways to incorporate it in how we do business. I want to extend a huge shout out to Cyrus, one of our translators out of Spokane for leading me to getting the correct app downloaded. This was so nice as I do not speak Spanish.

Passion for service, the passion for unity and growth, has allowed me to identify some areas I need to continue to grow in.

I want to take a moment to share some of these growth opportunities because my higher power always seems to put me in places where I need to focus on becoming a better person.

I need to remember to listen with intent not to answer, but to truly listen and give my experience only when asked. At my age I have a lot of experiences that could be helpful, just not always necessary. When I entered service, I found my voice. I tended to use it in battles that did not need a fight. I keep realizing that sometimes less is more. I have always known I am not always right, but when I recognize I am wrong I seek comfort in correcting my actions. Sometimes results in a 10th step and sometimes it takes inventory and consulting a sponsor. Lastly, correcting my behavior and actions to ensure I do not make the same mistakes in the future. I take this process very seriously because my life depends on it.

Thank you for participating in my recovery. While it could be messy at times, it's truly filled with passion to serve and to be of service.

This month again I will plug AA Comes of Age. Pages 78-138 Unity our second Legacy Love Fran

ALT-CHAIR

Hello! It's shaping up to be an exciting month with the Pacific Northwest Conference just around the corner! It's being held in Vancouver, WA, which is a place I've always loved.

We've now got a Spanish version of How to Host an Assembly or Quarterly Booklet. A huge thank you to our translation chair, Eddie, for making sure the translations are accurate. Muchas gracias, Eddie! You can soon find it on our area92aa.org website under the Resource then Handbook/Guideline tabs. Also, it's in our Google shared drive, under Event Host Committees. Thanks to everyone in our linguistic districts who have been so patient waiting for this.

I'm really looking forward to hearing our delegate, Dan, share his experiences from the General Service Conference when visiting D7. Also, Google Sheets at gsc-agenda.area92aa.org is quite a success for checking out the details of the GSC 2026 agenda items and some outcomes. It's an exciting year for us alcoholics; we're getting the first General Service Conference Final Report book electronically this July. I just want to shout out the song lyric, "Mama I'm Coming Home." It refers to changing times.

Next month in July we are headed to Wenatchee, WA for our July Quarterly. July 17-18, 2026. Thank you D5 for hosting. We look forward to seeing you.

One day at a time, success comes from taking the initiative, following up and persisting. In Love and Service, Lorri T ~ Alt-Chair ~ WSEA 92 ~ Panel 76.

TREASURER

Greetings area 92 and fellow trusted servants, the month of May was huge for contributions.

• Thank You • Thank You • Thank You

May ending balance in quickbooks was \$13,739.38. That will carry us through the summer for sure, however, we are still not out of the woods when it comes to being comfortable with our money/finances. July expenses will exceed \$8000.00 after it's all said and done.

As Lisa S. will report, contributions come from only 8% of groups, that's crazy. What are the groups doing with their 7th tradition money???

The finance committee has been working with other committees to try and cut costs for the future, Lisa has been very busy organizing all the communication that this has involved. It looks good so far.

I will be going to the PNC conference this month. Hopefully I can share information with other areas and DCM's about their finances so I can get a better understanding of what they do or don't do.

Personally I spent most of May traveling back to Virginia to help my wife with her family estate sale and getting her mother settled into memory care. Both of us are dealing with end of life stuff for our parents. It's the sandwich generation of you will, our first granddaughter will arrive in October, however our parents may not make it that long..thank god for AA.

Sincerely

Gary H

ALT-TREASURER

Greetings to all of our trusted servants of Area 92!

At the April Assembly, we shared Area 92's current financial challenges. The response from our Fellowship has been truly inspiring.

During the month of May, Area 92 received \$10,034.51 in contributions—our highest monthly total ever! This remarkable outpouring of support increased our year-to-date monthly contribution average and significantly strengthened our financial outlook.

Thank you to every group, district and member who responded. Your generosity demonstrates the power of our Seventh Tradition and our shared commitment to carrying A.A.'s message.

This experience reminds us that when a need is shared honestly and openly, the hand of A.A. is there. We are grateful for your trust, your support, and your continued participation in helping Area 92 serve the groups and members of Eastern Washington.

In love and service,
Lisa S. - Alternate Treasurer

ARCHIVES

Hola, Happy Founder's Month!

This month I had the privilege of attending several A.A. events beyond my home group and district meetings.

The Archives Forum Group, formed by our sister archivist from Maryland and Area 72, brings together archivists and archives chairs from across the country for monthly conversations and collaboration. Much like an A.A. meeting, we share our experience, strength, and hope.

I also attended our Standing Committee Chairs Meeting, Archives Steering Committee Meeting, and Monthly Archives Meeting.

A special thank you to District 6 for inviting Archives to participate in their annual Service Workshop. It was both informative and fun. I met Raul, District 6's archivist, whose traveling display and presentation reflected his passion for A.A. history. Oleta registered him on the spot to receive his archives kit and support materials. I also connected him with our Monthly Archives Meetings and provided archives literature and the Area 92 District Archives Handbook.

At the 85th Birthday Celebration in April, it was announced that Area 92 may host the 90th Birthday Celebration in 2031. The event concluded with a net income of \$5,404, which could serve as seed money should Area 92 choose to move forward. What I love most about this story is that there was a time when the event appeared unlikely to succeed. Registration was sparse, and fear suggested we should stop. Instead, we chose faith and action. Together, we stayed the course.

To learn the rest of the story, visit the Area 92 Repository **Open House** on June 28, 2026, from noon to 4 p.m.

In love and service,
Jacqueline C.

CORRECTIONS

It's been a busy spring! A.A., travel, yard work, gardening, family and fellowship. My wife and I were in Orange City, Florida last week for our granddaughter's H.S. graduation. On our last day, we attended the Four Towns Noon meeting. As our Higher Power would have it; we sat down next to a gentleman who is involved in local corrections. 'Ralph' recently recovered from cancer and he showed us the handmade Get Well card made for him by the local prison group. His card was covered with prayers for his recovery from cancer and hope for his future. Ralph is well known by the inmates as a music lover and concert attendee. The last page ends with "Recovery Depends on A.A. Unity!! Praying for your recovery and that you'll be back on the road again!!"

Men and women who are incarcerated are just people like you and me who made poor choices and got caught. We're all just one drink away from jails, institutions, or death.

The second Thursday of each month at 7PM, is our online area 92 "all districts" Corrections Chairs meeting. We utilize google meet. Please send an email or text if you would like to join the online meeting!

Dale B, is our Corrections Bridge Chair. Please email him to volunteer. His expertise and help are greatly appreciated!

Hello Area 92,

May turned into a busy month for me. I went to the District 6 service workshop on the 16th and met their CPC/PI person Micheal and then a few days later I chatted with a therapist in Yakima who was interested in pamphlets for his clients, Micheal was unavailable to take care of that so I gathered up some pamphlets for both the clients and the workers. Figured it wouldn't hurt.

On a personal note, on Memorial day weekend I spent the weekend in Tri-Cities umpiring clean and sober softball, it was great fun to watch sobriety literally playing out in people's lives. Thanks to AA I too have found a fellowship I would have missed.

NEWSLETTER

Happy June, Area 92!

We have some exciting news: our subscriber base continues to grow, and the newsletter is now being sent to over 400 people, including our Panel, DCMs, and Alt-DCMs!

While our community is growing, our email analytics show that only half of the subscribers opened the newsletter last month. Now, does that mean they aren't reading it? Not necessarily! Many of you access the newsletter directly through our website instead.

Our Panel puts an immense amount of energy and creative focus into their reports. They are a wealth of information, so please take a few minutes to read them and learn more about what's happening in our amazing Area.

We currently have about 85 subscribers who haven't opened a newsletter link since the start of the year, but haven't unsubscribed either. To ensure we have an accurate and refined measurement of active readers, I will be sending out a separate email to these individuals asking if they would like to remain on the mailing list.

Do you have something to share? If you would like to request a submission for an upcoming newsletter, please feel free to reach out to me at newsletter@area92aa.org.

Thank you for your continued support and service!

Hello Area 92!

I have been busy attending online district meetings. This month I attended District 3's and did a short presentation for them. I believe that those that were still in attendance at the end of the meeting actually learned something! In June, I hope to attend District 2 and 22! If you would like me to join you on your online district meeting just shoot me an invite, I'd be happy to join.

We have our monthly meeting on the 3rd Monday of the month at 5:30 p.m. Please join us so we can get the message of Alcoholics Anonymous out to the still suffering alcoholic.

Thank you for allowing me to serve as your P.I. Chair,
Kim O.

TECHNOLOGY

Greetings Area 92 Friends!

This month the Technology Committee has started a comprehensive review of our website. Our mission is to modernize area92aa.org into a clear, accessible, and supportive resource that reflects our principles and helps visitors quickly find the information they need. No changes are being made at this time, but we do expect to have some new and exciting changes coming by the end of the year. If you have any feedback on our current website, please email me at technology@area92aa.org for consideration.

We are also working diligently with our elected officers to provide an effective and sustainable way to provide quarterly and assembly documents to the body. Look for more information on that in my July newsletter report.

Of a more personal note, I am humbled to have been asked to speak on the panel "Into Action: Embracing Change While Honoring Tradition" at the upcoming 2026 PNC in Vancouver, WA. My subtopic is "Technology and the A.A. Message." I am excited to share on this topic and I hope that God finds me to be a suitable vessel to carry the message as He has done so often throughout my sobriety!

The Technology Committee meets virtually every other Thursday at 7:00 PM on Google Meet. If you are interested in finding out what our committee does, please send an email to support@area92aa.org to get a meeting invite.

TREATMENT/ACCESSIBILITIES

Hello Area 92,

Not a whole lot to report on this month. We did have a pretty good turnout for the District 6 Service Workshop, even though it was held on the same weekend as the bilingual 21 annual event.

Speaking of the bilingual event, I was able to attend for a little while, and it turned out really good with a great turnout as well!

As far as upcoming events go, we are just eagerly waiting for the delegate report here in Yakima so we can all find out how that went.

GRAPEVINE/LITERATURE

June has been a quieter month for the Literature Committee. I have continued to restock literature as needed and have responded to various requests from groups and members looking for AA literature and service materials.

After getting through some personal concerns, I am planning to do a reset with the Literature Committee in July. My hope is to reconnect with committee members, review where we are with inventory and literature needs, and refocus our efforts for the remainder of the rotation.

As always, please let me know if your district, group, or service committee has literature needs, questions, or suggestions. I am grateful for the opportunity to serve.

In love and service,

A.A.'s Seventh Tradition states: "Every A.A. group ought to be fully self-supporting, declining outside contributions." This means that only A.A. members contribute financially to A.A. – and even A.A. members are limited in the amount they can contribute. This keeps A.A. free of outside influences that might divert us from our primary purpose - to help the alcoholic who still suffers. The amount of the contribution is secondary to the spiritual connection that unites all groups around the world.

Greetings Area 92,

Thank you for your continued participation in our Seventh Tradition and your generous contributions to Area 92. We have been discussing our financial situation at Area Quarterlies and Assemblies, and providing monthly and quarterly reports to keep everyone informed.

In response to our financial challenges, the Finance Committee has been reviewing every expense, process, and procedure to identify cost-reduction areas while maintaining vital services.

Here is a **summary** of the changes made so far to help meet our \$6,000 monthly budget:

- **Treasurer Reports:** Now available online, with only four printed Spanish copies provided at Quarterlies and Assemblies. Annual savings: ~\$1,000.
- **Newsletter:** Primarily emailed, reducing printing expenses. Annual savings: ~\$4,800 (\$400/month).
- **Assembly Expenses:** Shared hotel rooms and mileage reimbursements saved \$794 at the April Assembly alone.
- **Venue Visits:** The Alternate Chair will utilize virtual options whenever possible for upcoming Quarterlies and Assemblies to reduce mileage and lodging expenses.
- **Literature Purchases:** Reduced from 40 Grapevines and 20 La Viñas to 10 Grapevines and 2 La Viñas annually, as Corrections can now purchase them using Pink Can funds. Annual savings: ~\$2,344.
- **Workshops:** Standing Committee Chairs reduced in-person workshops from four per year to two. Annual mileage savings: ~\$5,500.

Combined, these changes represent annual savings of approximately \$13,644, plus the \$794 saved in April.

Let us continue to be **mindful stewards** of our resources by asking:

- Is this necessary?
- Does it need to be printed?
- Can this be done virtually instead of in person?
- How effective is this expense or activity?

We understand these are difficult financial times and putting an extra dollar in the basket may not always be possible. However, if you are able, **please consider making a direct contribution.**

Hello Area 92!

I can hardly believe it's already June! It feels both near and far away just stepping into a new position for this panel. I sure am learning a lot and having a blast doing it alongside all of you.

Thank you to Dan M., our Delegate, for coming to Spokane First Church for the Delegate Report Back. District 3's very own, Road to Recovery, hosted the potluck and it was delicious, as always. We had some great discussion and learned a lot about what went on at the Conference.

Our next event will be co-hosting the Spokane All-District Potluck with each of the 4 Spokane Districts on July 5th at 4pm at the Spokane Alano Club. In case you didn't get that, we'd love to have you visit Spokane!

Happy sunny and beautiful blue skies from District 5 in Wenatchee, WA!!

Well, we are all ready for Dan M., our delegate, to come on Saturday June 6 at 2 at Duncan Hall for the Report back from Conference! We are excited! Shout out to Tod DCM District 12 for co-chairing this event with us!

Everyone is welcome! I hope to see you there!

Our District meeting on Tuesday June 2nd was well attended and took care of business as usual. Meetings are still well attended, but we know as summer proceeds, attendance is sometimes down. But we also get new visitors. Our new Secretary Joan A. fell in Hawaii and broke her tibia and could not attend but thank you to Heather for stepping up and taking notes for us! Your service is appreciated!

Our Quarterly Host and Chair Carole N. reported that we are still on task for the Quarterly on July 17th and 18th here in Wenatchee at Wenatchee Valley College. A walk through will happen on Friday the 5th at 2pm. That should be fun! She asked everyone to please get registered ASAP. Looking forward to seeing you all there!

I am honored to serve as a DCM for our district. I learn something new every meeting. I'm sure I will have it down by rotation time! Lol. My service sponsor Diana M. is such a gift and keeps me informed and has taught me so much about General Service.

In Love and Service,

DISTRICT 10

Greetings from District 10!

Summer is almost here! We hope your year is going wonderfully and you are all staying strong in your recoveries.

I have not received many updates from our district in the past month, but I can confidently say our groups continue to do well. We are seeing so many newcomers and many members getting sober time under their belts.

Our group in Cle Elum has begun doing a speaker series at their meetings on the second Saturday of the month, and it is excellent! Kittitas group continues to go alright, and the 6:30am meeting at the Alano Club is also doing well.

Speaking of the Alano Club, the Rule 62 group deserves a special thank you for their efforts to clean the building! So many of our meetings happen there so it is very appreciated to have members step up to give it a good, deep clean. Thank you!

Thorp is doing well, seeing many newcomers, and giving away AA literature to help out those who are new to recovery. Serenity Seekers is doing well too, as is the Men's Stagg Meeting and the Ellensburg Women's Group!

We'd like to congratulate the following members on their sobriety birthdays in the month of May: Yenny (1yr), Andrew (3yrs), Gunnar (7mos), Kery (9mos), Charlie (5mos), Heath (9mos), Cindy (31yrs), Ed (8mos), Jordan (9mos), John (4yrs), and Steve (1mo). Way to go everyone!

That's all for now. Stay safe, stay sober, and God bless you!

DISTRICT 12

Greetings Area 92,

June is here and summer is full swing. District 12 recently decided to use the opportunity provided by Area concerning websites and is busy developing one.

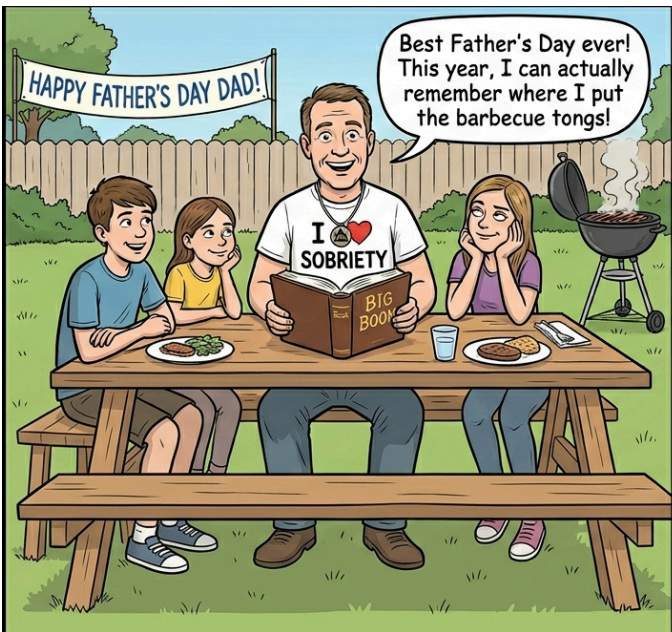

District 12 moves its monthly meeting around so that any group in the district may host a district meeting though in the winter we do our meetings on Google meets. Typically the district meeting occurs before the Newsletter submission deadline, not so this month. This weekend (June 6) we are Co-hosting a Delegate Report Back with District 5 in Wenatchee. As this has been the practice for several years now, we are pretty excited to continue working with District 5 again.

The day afterward is our monthly meeting, so we will see what new things might have to wait till the July issue.

District 12 doesn't have any District events planned for June but there are many outdoor events already scheduled through out the district by different groups, picnics, floats and campouts. Please come to the Sunny Okanogan and check them out. We have A few Birthdays in the District for the month of June: Betty C. 5yrs, Amanda 30yrs, Greg 4yrs, Tammy H. 9yrs and Fred E 50 yrs. Way to go Fred. We will see you all at the July Quarterly in Wenatchee.

Hello from Spokane Valley!

We meet on the 2nd Tues. of each month at the Millwood Presbyterian Church on 3223 N Marguerite D, Millwood, WA. 99212.

We were grateful to have our Alt Delegate, serving as Area Registrar, update and complete our district member registrations. Thank you, Oleta!

We had 9 committee members in Person and 2 Online participants. We discussed: **We need to fill our CPC/PI, Corrections, Treatment/Accessibility, and Archives positions.**

- The July All District Speaker Meeting needs volunteers since no groups have stepped up to sponsor this event and we all need to come together to support this meeting.
- The coordinator position will be rotated in December so if you are interested send your resumes to me and I will add them to the other Spokane DCM's lists.
- Eastern State Program is asking for volunteers and Sponsorship opportunities by video, phone and or pen-pal type communications. 1 yr sobriety is suggested, and one must have a sponsor and have completed the 12 steps.
- Point of contact with (Dave) DCM17@area92aa.org.
- Tabled the purchase of a New/used Laptop and will consider any donations.
- Our next District 13 Speaker Potluck will be held on June 20 at Valley Mission Park; 11127 E Mission Ave. Time and flyer details are still to be determined.
- Discuss Budget – still need to collect further expense data (Assembly/Conference trips, expenses for activities, etc.) to formulate a budget.
- Justin currently houses all District Potluck/Event supplies at his home. Requests new totes for storage. Jim to request a quote for cost – will need approval from groups via GSRs.

Thank you for the opportunity to serve this committee.

DISTRICT 24

Hello Area 92 members,
Warm greetings from District 24.

During the month of May, we had many activities and opportunities for service and fellowship.

We visited three of our groups — Comunidad de Pasco, El Puente de Hermiston, and Group 12 of Pasco — where we shared about our traditions and the legacy of service. Two of our groups are currently celebrating their Unity Week leading up to their anniversaries:

- Group 12 of Pasco will host a Public Information Meeting on Saturday, June 6, at Montecarlo Hall in Pasco.
- El Puente de Hermiston Group will hold its Public Information Meeting on Saturday, June 27, at 565 W. Hermiston Ave., Hermiston, Oregon.

I also had the opportunity to attend the Washington State Hispanic Convention. It was an incredible experience meeting fellow members from across the state and from other states as well.

Our District meetings are held on the last Sunday of each month at Grupo Villa Nueva in Kennewick. Our May meeting was very well attended, with 20 members participating. The committee for the January 2027 Quarterly Assembly has already been formed and is actively working.

For now, that is all. I would simply like to wish everyone a happy 24 hours.

Respectfully,
German G.

DCM, District 24

DISTRICT 25

Greetings everyone in Area 92 from us all in District 25! May was a busy month for the District 25 groups as most are planning their group anniversary and individual member sober anniversary celebrations.

As a District we visited 3 groups: Grupo Milagros in Yakima and Grupo Nuevo Camino in Wapato. At Grupo Unidad in Toppenish, we held a Traditions Workshop. Grupo Nuevo Camino celebrated their anniversary on May 23rd.

At Grupo 30 de Julio 2 group members, Osvaldo and Pablo celebrated their 1 year sober anniversary and Graciela celebrated her 5 year sober anniversary.

The following 2 groups will celebrate their anniversaries in June:

Grupo Milagros, June 14th.

Grupo Sobriedad Viva, June 20th.

The District meets every second Sunday of the month at Grupo Nuevo Camino in Wapato at 4pm.

Thank you everyone, this is all for now.

Felices 24 Horas!

SPOKYPAA (Spokane Young People in Alcoholics Anonymous) would love to invite you to our weekly meetings and monthly events. We meet Thursdays 7pm at the Living Hope Church, 918 E Garland, and Saturdays at the Salem Lutheran Church, 1428 W Broadway, 8-10pm fellowship followed by a 10pm candlelight meeting.

The first Saturday of each month is always a speaker meeting. This month's events include Open Mic Night, Potluck Night, Board Game Night, and Jackbox Game Night! See the flyers below for which specific day each event is on.

As always for any events we have, all are welcome, young in age and young at heart. Feel free to reach out if you have any questions, need connections, and especially if you're looking to get YPAA started in your Area. It is a pleasure to serve as your SPOKYPAA GSR!

Keys to Corrections

A Column to Inform and Encourage

Welcome to our fifth installment of what we hope to be a long running column of informative, encouraging, and inspirational topics from the wonderful world of service in AA Corrections. We welcome you to the...

Keys to Corrections!

This month we are going to look at how we as an AA Area and its Districts support its regions Prisons. The first thing that should be known is that A.A.W.S Corrections Workbook addresses the inherent differences between how we as the Hand of AA reach into a Prison vs a Jail or Juvenile facility.

“Although the basics of carrying AA’s message into youth detention centers and short-term facilities are no different than carrying the message into any other Correctional Facility, many Area Corrections Committees felt there was an expressed need to include some information in this workbook regarding what they viewed as added challenges to service work in these two areas and, based on their experiences, some suggestions on leading meetings in these institutions.

Experience shows that there is often a rapid turnover of individuals in both youth detention centers and short-term facilities. Frequently, attendance at AA meetings in these institutions may not be voluntary. It is prudent to be aware that, like many AA members in the beginning, some people may not believe they have a problem with alcohol and resent attending an AA meeting. It is important to remember that AA is there to offer a message of hope. You may not be able to see immediate results, but a seed may be planted.”

So, what does this mean, and why highlight it? Stemming from the single factor of length of stay, or as the Workbook termed it *“rapid turnover of individuals.”* Historically we have experienced a much greater willingness with our Prisons wanting us to have meetings behind their walls, than our Jails or Juvenile facilities. Not that we do not have some where meetings are taken in, but the numbers speak for themselves.

100% of our Area 92 Prisons have meetings, whereas only a fraction of our Jails and Juvenile centers welcomes us in with meetings. Their residents simply are not there long enough. So, we support in different ways, often heavily relying on our message of Hope being carried by our literature.

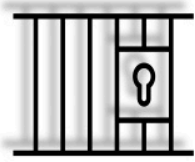

Our level of involvement and activities in our Prisons though are starkly different. They well could be held up as pinnacle examples of AA’s effectiveness at carrying its Message in the corrections arena. Here in Area 92, this has been the case for decades, long before we were even Area 92. In fact, we have the unique and distinct claim to having our Walla Walla Pioneer Group be the second registered AA group meeting ever behind the walls, founded only weeks after San Quinten. And it is also the longest continuous running correctional facility group in the world.

So, what goes on with AA in our Area 92 Prisons? We have five Prisons: Airway Heights next door to Spokane WA, Coyote Ridge in Connell WA, ICIO in Orofino ID, NICI in Cottonwood ID, and WSP in Walla Walla WA. All five of our Prisons have impressive levels of involvement, so we shall fairly take them one at a time, in alphabetical order. You can view information on all our Prisons, Jails, and Juvenile facilities at our Corrections webpage’s *“interactive map”* here; [Corrections – Area 92 Alcoholics Anonymous](https://area92aa.org/area-committee/standing-committees/corrections/)

<https://area92aa.org/area-committee/standing-committees/corrections/>

This edition we will look at what goes on in our Airway Heights Corrections Center (AHCC)

Spokane is comprised of four Districts; 2, 3, 13, and 17. These Districts work collaboratively but only District 3 actually has any correctional facilities. So, Airway Heights Corrections Center resides in District 3 who is currently very active with its support. One important thing to be aware of when it comes to meetings in facilities, there is an extremely important relationship that must be established and maintained between the correctional professional who oversees community involvement (Community Partnership Program

Coordinator or CPPC) and the prime AA Member, usually the Volunteer Coordinator. Often this relationship will last for years when nurtured. However, if the facilities CPPC person feels AA is not need or wanted, then we do not get in, nor sometimes even get literature in. As District Corrections Chairs, these are the persons they serve. AA Volunteers and their Coordinator do not have “rotations” or “terms”, they have *passion*, and most have been doing this AA work for many years. As Area and Districts, we do not govern, manage, or have any authority over these activities, we support them in their efforts.

AHCC is listed at a population over 2200 and does have meetings inside. The Landing Place Group registered 8 Mar 1993 meets Wed & Sat avg attendance of 15-20. The Willingness Group registered 27 Aug 2007 meets on Thu avg attendance of 5-10. Activities that occurred recently at AHCC were a speaker event last September where an outside guest speaker came and shared their story. There were also some refreshments and goodies not usually available to our inside Members. This was the first event of this kind at AHCC in years, likely when our Alt-Treasure, Rainey, spoke there. Extra literature was sourced also. We have an active Bridge program here too, where our Volunteers bring in F-163 forms for the Members to send in to our Bridge mailbox for processing. Seven Bridge requests were processed from AHCC last year, with four successfully getting to their first meeting with the help of our Bridge Volunteers. In the past there have been submissions published from AHCC’s inside Members to our GSO Corrections newsletter “Sharing From Behind The Walls”. These two groups also participated in our Pink Can Account motion last year, via proxy carried by Volunteers to their Districts Corrections Chair. AHCC is also where District 2 spawned the “Paper Coin” program that is beginning to find its way around the Area. AHCC does not allow metal or plastic coins, so this program was presented to and approved by AHCC’s CPPC a couple of years ago. At last report, our Volunteers taking meetings into AHCC were standing at a healthy dozen or so men and women. If you are interested in being a Volunteer supporter for AHCC you can contact District 3’s Corrections Chair, or myself at...

Pacific Northwest Conference

Vancouver, WA

Registration

Registration- ESP

What is the Pacific Northwest Conference?

In February of 1948, Bill W. was in Seattle, WA, and spoke to a standing-room-only crowd of AA's and their families. Following the meeting, Bill and some other members from Seattle were driving to Vancouver B.C. when Bill elaborated on his plan for a world conference.

The First Pacific Northwest Conference (PNC) convened in Vancouver, BC, Canada Area 79 in May of 1948. The oldest continuing conference in AA still provides an opportunity for AA's from all over the Pacific Northwest to gather together and share, learn, reach out and have fun. The conference typically includes speakers, panels, workshop, and please join us in any of our fellowship events.
