Weathering the Fires Together

Recently, I made the drive to North Dakota for my brother's funeral, navigating through heavy smoke and poor air quality the entire trip. The sheer scale of the wildfires right now is staggering, and it has recently hit very close to home.

This past Saturday afternoon, my family and I were evacuated from our home in Spokane. It is an incredibly frightening experience trying to decide which route is safe when fires are burning in three different directions. We were deeply fortunate to be able to return to our house on Monday evening with everything intact, but my heart breaks knowing so many others were not as lucky. As I've been getting to meetings, I am hearing devastating stories from members who have lost their homes entirely.

The Strength of Our Fellowship

Now, more than ever, the strength and fellowship of our program are absolutely vital. We need to lean on one another.

Despite the chaotic weekend, I was able to make it to Grandview on Sunday to provide a report back to our linguistic districts. It was a wonderful bright spot in a heavy week:

- Great Turnout: The event was very well-attended by the community.
- Connection: We shared an excellent discussion afterward, complete with great food.
- Special Thanks: I want to extend a huge and heartfelt thank you to German for his invaluable help interpreting for me.

Please take care of yourselves and your families. Let's continue to look out for one another and find ways to help each other stay sober and safe through these challenging times.

Yours in Service,
Dan M.

ALT-DELEGATE

As I sit here writing this I am filled with sadness and gratitude. My home town of Spokane has been hit by destruction. Fires have displaced over 60,000 people in the Spokane area. Over 600 homes have been destroyed. Many of them are our brothers and sisters in recovery. They will be needing our support and prayers as they put their lives back together. I am grateful that it is just things that have been taken. I am also grateful that we have each other in times of need.

The July Quarterly was a great success. Thank you District 5 for the wonderful job of hosting. I look forward to seeing you all again in October for the Assembly.

I am truly blessed to have AA in my life and to be of service to my fellowship.

Oleta B

Alt-Delegate/Registrar

CHAIR

Let's pause for a moment for those members and potential members who have been affected by the fires and devastation currently happening in Washington, Idaho, Oregon, and Montana. My heart hurts, especially this time of year. I am thankful for the firefighters and their families—who work diligently to keep losses down.

Thank you to the District 5 hosting committee for a wonderful July Quarterly. It was so great to see so many of you in attendance.

We have two motions on the agenda for the October Inventory Assembly. Let's get informed—let's ask questions. We will be dedicating two hours to the Inventory. Questions will be coming out mid-August, according to the committee. I'm excited to see them. Making Area 92 better through inventory is always exciting.

I recently had a conversation: should we do things the way they've always been done, or is there a way to find new ways to do things?

I've always been a paper person, but recently I've realized I love having digital access to information. What are your thoughts on digital versus paper? Old versus new ideas—what's working for you?

Have you been on the Area Website lately? Did you see that we now have a protected page asking if we are members of AA, so we can share our newsletters online? Please take a moment to check out the Area website—area92aa.org there are a few other changes as well.

As reported in the past, I've been reading AA Comes of Age. I just finished the Third Legacy Chapter: Service. It really brings into focus what my role in life is—making AA available to those in need, both in and out of the rooms.

So I want to ask: How can we, as a collective area, do better at carrying the message of hope to others? What tools do we have available? How are we utilizing those tools to make AA more accessible to those in need?

Thank you for allowing me to be of service.

Love and Service Fran L Chair P76

ALT-CHAIR

Hi everyone, as our Area Alt-Chair, I am your trusted servant. Here to help you out whenever you need. Just give me a shout and I will be there!

I'm so thankful for my service sponsor this month. This role, like any general service position, really benefits from someone with experience in general service. I want to say, she's the best!

It's so valuable to be able to discuss things and understand the difference between an opinion (which, let's be honest, isn't really important) and what I feel is a divine message from my HP. This is priceless as well as seeing things through our traditions and concepts. Following our recent Quarterly event, I've gathered some insights from various debriefings. I've heard about the successes and what we can do to enhance the experience even further. This information is incredibly helpful! Thanks to D5 for the wonderful location and hospitality! It was

a lot of fun, even with the serious business.

Next month, the Standing Committee Chairs Workshop is in D19. Unfortunately, my calendar is booked for an outside event so I won't be able to make it.

In Love and Service, Lorri T. Alt-Chair ~ WSEA 92 ~ Panel 76

TREASURER

Greetings area 92 and fellow trusted servants, I hope this newsletter finds you all well and safe. My thoughts and prayers go out to all those who may be affected by our many many fires throughout the region. personally I've just been dealing with lots of wind and smoke otherwise we are safe here in Coulee City.

I attended the July quarterly in District 5 at the Wenatchee Valley College, it was well attended and our business was conducted in a timely and efficient manner thank you Madam Chair.

Thank you to Laura, our CPC chair for pointing out some accounting mistakes I made through data entry in QuickBooks. I have resolved these through corrections on my part. As you will see in the July statement of activity everything looks good. Our ending balance in the bank for the month of July was \$22,162.68. The QuickBooks balance is \$20,161.34 that means we still have some outstanding checks. however I have to say, way to go area 92 contributions were up and expenses remain about the same.

August is typically quiet with expenses but let's keep those contributions coming in. September will see an expense with our standing committee Workshop, October will see expenses with our area assembly. I have secured our hotel rooms at the Ramada Spokane Airport for our elected and appointed chairs. I will be sending off the check for registration later this month.

That's about all from the treasurer's desk, please keep everyone in your prayers and thoughts that we get through this fire season safe and unscathed. Remember to pick up that phone and reach out to those that might be in need. God bless you all and see you soon.

With love and service

ALT-TREASURER

We had a wonderful July Quarterly in Wenatchee! It was great to see so many of you.

This month's Seventh Tradition contributions totaled **\$5,348.52**. Thank you to everyone for your continued support.

During the Quarterly, I had the opportunity to meet with members of District 6, and together we discovered that **\$4,498.66** received in June had been recorded as a district contribution. Those funds were actually an overage returned from the April Pre-Conference Assembly and should not have been included as Seventh Tradition contributions.

As a result, June's reported Seventh Tradition contributions have been corrected from

\$10,170.22 to **\$5,671.56**. With this correction, our year-to-date monthly average is **\$5,480.80**, compared with our monthly budget of **\$6,000**.

At our July Quarterly, the Finance Committee introduced the Carry the Message Contribution Challenge. We invite you to visit our Area website and explore the resources available. If you're accessing the website from the homepage, look for "Latest News" at the bottom of any page, or click here to go directly to the Challenge resources.

We look forward to working alongside our districts as this effort continues throughout the rotation.

Thank you again for your continued generosity, your participation, and your service.

Hola!

I hope everyone is well. Here in Okanogan, we've experienced plenty of wildfires and have witnessed the dedication of those working tirelessly to keep our communities safe. Last month at the SCC meeting, a question was raised about how technology assists Archives in Area 92.

Technology has become an important tool in preserving the history of WSEA 92. As a volunteer service organization, we have the flexibility to adopt practical digital preservation methods that help protect our shared history for future generations. Good archival practice includes preserving original electronic files—such as Word documents, PDFs, spreadsheets, photographs, and audio recordings—and storing them in at least two secure locations, with one copy maintained off-site. Organizing digital files to reflect the physical archives and preserving metadata—simply “data about data”—helps future archivists identify, locate, and understand records with confidence. Some records deserve both digital and paper preservation, including Assembly minutes, newsletters, committee reports, motions, event programs, and oral history transcripts. Maintaining cataloged hard copies provides an additional safeguard should digital systems ever become unavailable.

A heartfelt thank you to Carole for serving simultaneously as Archives Co-Chair and July Quarterly Chair. Your willingness to serve is deeply appreciated! I also heard District 5's hospitality was wonderful.

August 21–23, I'll be joining Area 72 to help set up the archives display at the Washington State Conference of Young People in A.A. in Bellingham.

Archives buffs, join us the last Wednesday of each month to “talk archives.” We'd love to see you!

Jacqueline C., WSEA 92, archives-chair@area92aa.org.

CORRECTIONS

What separates me from those incarcerated? One bad decision? A split second of hesitation? Or perhaps it was deliberate; but I got lucky and missed. I quavered, was intervened, someone pleaded; I listened, lost my nerve, fell, stumbled, came to, passed out? or had a change in thought? Maybe divine intervention? Or even blind luck? Even a broken clock is right twice a day.

Did I drink to the point of oblivion? Lost control? Black out? "Fell asleep" Became rageful? Lashed out? Vindictive? Depressed? Inconsiderate, selfish and dishonest? Do foolish, even unconscionable things while drunk?

Who here has driven drunk? Maybe told a few lies? Padded the expense account to buy drinks? Sought out sordid places? Hung out with unsavory characters? Ever been told you have great potential, but never received the big break you hoped....so you did that thing in the past....?

If any of this sounds like you; then consider the gift YOU have been given! The gift of sobriety! Something priceless. We are given freedom, a new happiness, joy, a life worth living, but we must PASS IT ON in order to survive. We can't keep it unless we give it away. That's the great paradox.

Please consider volunteering at your local jail, your local juvenile detention center, a nearby prison, or as a district corrections chair. Thousands just like you and me are incarcerated just waiting for the hand of A.A. to be there.

Hello Area 92,

Well summer is in full swing I hope you all are safe and healthy. Cooperation with the Professional Community committee is slow right now partly because it is summer and vacations are happening but also because with the fires and the air quality participation is low. But there is a way to get the word out.

I set up a table at the Yakima fair and rodeo in Grandview; it is just a table with some pamphlets. It is not an occupied setup. Here is a photo. I put half Spanish and half English with some schedules.

Until next month be safe and stay sober.
Life happens to everyone, drinking is not going to make it better.

I can't believe how quickly July flew by between barbecues, floating the river, and service work!

The July Quarterly was a success. Speaking in front of the fellowship used to be a major challenge for me, but it gets easier every time. Looking out at so many familiar, loving faces fills me with a deep sense of calm and belonging.

After the Quarterly, I headed to Priest Lake to celebrate my son proposing to his girlfriend after their mountain proposal. Moments like these remind me how deeply grateful I am for what this program has given me: a truly beautiful life, and now a future daughter-in-law! My heart goes out to everyone affected by the local fires. As the mother of a former wildland firefighter, I monitor red-flag days closely, scanner on and evacuation lists nearby, sending love and prayers to all facing that stress.

First I would like to say that I hope that all of you in and around Spokane are safe and sound, and also those around the Okanogan Valley area, and any of those that have been devastated by the fire activities, my thoughts and prayers are with you.

I did have 2 attendees attend our monthly P.I. meeting in July. We had a really great visit about what they are doing and what they can do. I am excited to hear their progress reports this month.

I would be grateful for any and all to join us on the 3rd Monday of the month at 5pm for our meeting. Just reach out to me and I will send you an invite.

TECHNOLOGY

Greetings Area 92 Friends!

Thank you to Carole and the District 5 Host Committee for putting on a wonderful quarterly! It is always amazing to see how districts come together to help us gather to conduct Area 92 business.

The Technology Committee tried a few new things at the July Quarterly, primarily to give more support to our Translation Committee and Spanish Interpreters. The good news is that setting up the interpreters with a captioned Zoom session was quite helpful. Unfortunately, our efforts to provide a similar setup with Spanish captioning for our linguistic attendees did not work as expected. We will continue to look for ways that we can help ensure every member of our body feels included and a part of our informed group conscience.

We also resurrected the Glide App to help distribute documents electronically. This also came with mixed feedback. Members were excited to have it back, but some were confused on how to navigate the Google Drive file structure to find the desired documents. We'll be making some minor changes to the App for the October Assembly to address those concerns.

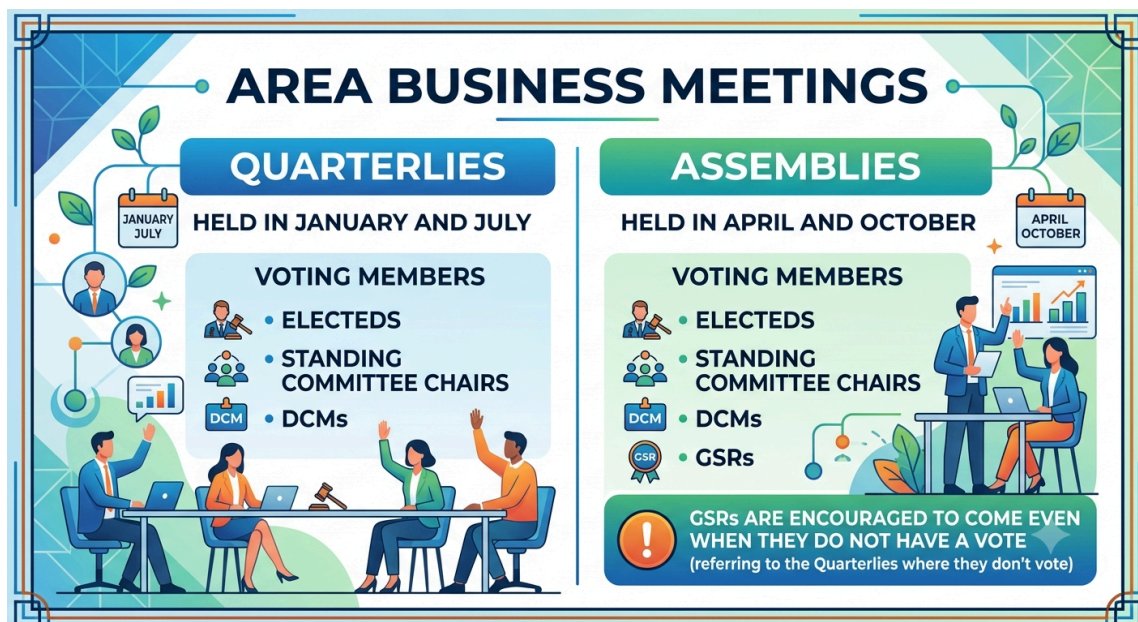

As always, the Technology Committee meets virtually every other Thursday at 7:00 PM on Google Meet. Our next meeting is coming up on August 20th. If you are interested in finding out what our committee does, please send an email to support@area92aa.org to get a meeting invite.

GRAPEVINE & LITERATURE

The Literature Committee participated in the July Area 92 Quarterly, where we enjoyed another successful literature display and had the opportunity to visit with members from around the Area about A.A. literature and service material.

The Quarterly saw strong interest in Conference-approved literature, particularly our history and service books, including Pass It On, Dr. Bob and the Good Oldtimers, Our Great Responsibility, and the hardcover Big Book. Grapevine publications also remained popular, with members purchasing Gratitude, Our Twelve Steps, Voices of Women in AA, and the Daily Quote book.

The Quarterly also highlighted several pamphlets that continue to be in high demand. Based on the weekend's activity, we will be replenishing our inventory before the October Assembly to ensure these frequently requested items are available.

Beginning in September, I will be restarting the Area 92 Literature Committee meetings. The committee will meet on the first Thursday of each month at 7:00 p.m. via Zoom. If you have an interest in A.A. literature, helping support our Area literature efforts, or simply want to learn more about Conference-approved literature, I encourage you to join us. Whether you're an experienced trusted servant or just curious about getting involved, everyone is welcome. If you're interested, please reach out and I'll make sure you receive the meeting information.

Thank you to everyone who stopped by the literature table, purchased literature, asked questions, or shared ideas during the Quarterly. Your support helps ensure that Conference-approved literature remains available to carry A.A.'s message throughout Area 92.

In love and service,
Curt Westberg
Area 92 Literature Chair

FINDING SOLID GROUND IN THE ASHES: HOW FELLOWSHIP HOLDS US TOGETHER

When summer smoke rolls into our valleys across Washington, Idaho, and Montana, that fire threat gets real fast. Go-bags end up sitting by the front door, ash starts falling out of hazy skies, and evacuation alerts keep popping up on our phones. It's scary, plain and simple. But in moments like these, a lot of us end up leaning on a foundation that runs way deeper than brick and mortar: our Alcoholics Anonymous family.

When you get the call to evacuate, the stress hits heavy. Packing your whole life into the back of a truck or car forces a quick, painful look at what actually matters. Losing your belongings, your home, or the places you love brings real grief. But in AA, we're given tools that help us walk through even the hardest losses. We learn that stuff, as much as we care about it, isn't where our peace comes from. By practicing acceptance and taking things one day, or one hour at a time, we realize that serenity isn't about what we own. It's about how we show up when things fall apart.

When the fires break out, our community proves that nobody has to go through it alone. The people in AA aren't just folks we sit in a room with a couple of nights a week; they're our family. When people have to leave their homes, members step right up with spare rooms, couches, hot meals, and open doors. Pop-up meetings happen in evacuation shelters, parking lots, or over quick phone calls. Whenever the anxiety starts running high, calling a sponsor or a friend in the program grounds us real fast, reminding us that no fire can touch our sobriety or our connection to each other.

We can't change the wind or stop the flames raging across our states. But we can choose how we take care of each other. Through simple acts of service and just being there, AA members show that real shelter isn't made of wood and drywall, it's built on community, trust, and fellowship.

A.A.'s Seventh Tradition states: "Every A.A. group ought to be fully self-supporting, declining outside contributions." This means that only A.A. members contribute financially to A.A. – and even A.A. members are limited in the amount they can contribute. This keeps A.A. free of outside influences that might divert us from our primary purpose - to help the alcoholic who still suffers. The amount of the contribution is secondary to the spiritual connection that unites all groups around the world.

DISTRICT 2

Greetings from District 2!

I hope everyone is enjoying a summer filled with fellowship, recovery, and sunshine!

A big thank you to District 5 for hosting an amazing July Quarterly. Thank you to everyone who worked behind the scenes to make the weekend a success. Your hard work and hospitality is appreciated! It's always encouraging to see trusted servants sharing ideas, learning from one another, and working together to help carry the message. Weekends like the Quarterly are a great reminder that none of us does this alone.

We also had a great time at the Spokane Central Office Picnic! Thank you to everyone who helped plan, volunteer, and make it such a fun day. It was wonderful to spend time together outside the meeting rooms and enjoy each other's fellowship.

District 2 has openings for Secretary, Activities, and Corrections. Join us on the second Tuesday of each month at 5:30 PM, in person at the Spokane Alano Club or online. We'd love to see you!

Wishing everyone a wonderful August, and thank you for all you do to keep AA strong throughout Area 92.

Yours in service,

Sara W. - DCM, District 2

DISTRICT 3

Greetings from District 3!

It was great seeing you all at the July Quarterly. We got a lot done and I'm looking forward to feedback from groups on the motions.

Things have been busy here in Spokane. We had our annual Central Office Picnic which went really well. Everyone loves a good BBQ and raffle baskets with lots of fellowship. All 4 Spokane Districts also hosted the July All-District Potluck. The event was well attended and we had a great time listening to a couple Spokane DCMs speak.

The host committee for the October Assembly has been working diligently and everything is coming together. Planning for the annual Spokane Christmas and New Years Alcahons is also well underway. All are welcome and it's a powerful display of the program and how we surround each other, especially during the holidays.

District 3 meets the 2nd Tuesday of each month at 6:30pm at the Spokane Alano Club. We also have an online option if you'd like to join us via Google Meets. Please feel free to send me an email if you have any interest, questions, ideas, etc.

In Love & Service,

DISTRICT 4

It was great to be energized by the quarterly in Wenatchee. Each person's presence helps me see an impact we 'nerds of service' send out in joy and growth possibilities to the body of our area, districts, groups and individuals. Whether we see it or not there IS a ripple effect when so many people congregate with a common goal in mind.

How many districts/groups are preparing to send people to **PRAASA** in Seattle next year?

Or to the **PNC** in Boardman?

District 4 has briefly talked about what is upcoming, but we would like some input from others about if they are helping people get to these regional meetings. My personal experience is a boost in my service knowledge, interest, and willingness to open up to new pathways I hadn't previously considered.

Our 2027 **PreCon** hosting committee is very active, with suggestions and solutions pouring in.

One **question** we have is about payment program pros and cons. Stripe? PayPal? Other?

See you at the Standing Committees Workshop in September in Moses Lake.

DISTRICT 10

Greetings from District 10!

It's hard to believe that summer is nearing its end. We hope you are all having a great one, staying cool in the heat, and staying safe amidst all the fire and smoke around Washington. Our hearts are with everyone affected by the wildfires.

Our groups continue to do well. There are ups and downs, but such is life. Thankfully we have this wonderful program that guides us and gives us tools to live sober one day at a time despite the challenges we face. Meetings at our Cle Elum group are going well. Attendance is down slightly, but still there are meetings every day. Emotional Sobriety is going strong with their Sunday night meetings, with fireside meetings on the last Sunday of the month. Those meetings are a big hit.

The Kittitas meeting on Monday nights is also quite well attended. The Sunday Morning group is doing well and has a breakfast potluck on the first Sunday of the month, which is quite popular. And the regular 6:30am meeting has had great attendance.

Rule 62 has been a little quiet recently but is still a very good meeting and one of the more popular meetings in our district. Conscious Contact is also well attended. The Thorp group is doing well too with a strong focus on newcomers, which is amazing!

Serenity Seekers is seeing new people as well, the Men's Stagg meeting is going strong, as well as the Ellensburg Women's Group. Old School is good and still has a very popular speaker meeting on the last Saturday of the month. Check it out if you get the chance!

The Hoot Owl meeting is starting to see more members showing up, and the Monday Literature Study group is still going through the Plain Language Big Book with some great discussions!

Grapevine group is going well, and the Young People in AA meeting is also doing well and sponsoring or participating in a lot of community events. Way to go youngins!

That's all for now. Stay safe, stay sober, and God bless you!

Yours in service,

Cody R.

DISTRICT 13

Hello from District 13

We have been busy as a committee. I attended the July Quarterly in Wenatchee and had the privilege to speak at the All-District potluck at the Alano club on July 5th. This event was sponsored by the 4 Spokane District DCMs with support from Nicole, she's a rock star! I also want to shout out for Sara, DCM for District 2, she did a great job sharing her story with us! Also, The Men's morning group from Spokane Valley Sponsored the last All District potluck on 8/2/26. Speakers were Thad and Taylor. Good Job guys! District 13 sponsored a District potluck speaker meeting on June 20th at the Valley Mission Park. There were burgers and hot dogs and lots of fellowshiping. Our next Potluck speaker meeting will be on Sept. 19th at the Advent Lutheran Church 13009 E Broadway Ave. Spokane Valley at 4 p.m.

We have a new correction Chair Margie P. she is full of enthusiasm and Purpose! Welcome Margie. We still need to fill in the Archives, CPC/PI and Treatment/Accessibility committees. Our next district meeting will be on Tues. August 11th at 6:45 pm. At the Millwood Presbyterian Church at 3223N Marguerite rd., Millwood, WA.

DISTRICT 16

Good afternoon to all the Alcoholics Anonymous community.

I am Benjamin, MCD District 16, La Mesa.

MCD Benjamin, Secretary Antonio, Treasurer José.

My district is small, it only has 4 groups. We have a concepts workshop and a visits committee. On July 18th at the Wenatchee WA quarterly meeting, my RSG members accompanied me. Today, August 2nd, we just received the final OSG report. Delegate Dan from Area 92 was present. Three districts were represented: 16, 24, and 25.

At the end, there was a delicious meal of carnitas and chicken.

Finally, thank you to everyone who was there. Everything went well. Happy 24 hours everyone, God bless you all
Benjamin

DISTRICT 17

District 17 is excited to announce two new meetings: the Dignitary Sympathy Group (Sundays at 6:30 AM) and the online True Gratitude Meeting (daily at 2:00 PM). This brings our district total to 113 weekly meetings.

I would like to give a shout-out to Pennee at Intergroup for her help with schedule updates!

All Committee Chair positions are currently filled, and attendance remains strong at our monthly District meeting, held every 2nd Tuesday at 6:00 PM at Country Crossroads Church (also available via Google Meet).

We had good participation at the July Quarterly in Wenatchee, we are preparing to share information with our groups regarding two motions that advanced to the October Quarterly. Additionally, District 17 and District 15 successfully co-bid to host the July 2027 Quarterly, and we look forward to working together next summer.

Finally, the four Spokane Districts continue bringing Alcoholics Anonymous into Eastern State Hospital for weekly 12&12 book study meetings on Thursdays at 2:30 PM. Attendance ranges from two to 18 patients, all of whom express immense gratitude. However, we urgently need more cleared volunteers. Most volunteers chair or co-host once or twice a month.

If you are interested in completing the state background check to join this vital service, please contact

Keys to Corrections

A Column to Inform and Encourage

Welcome to our seventh installment of what we hope to be a long running column of informative, encouraging, and inspirational topics from the wonderful world of service in AA Corrections. We welcome you to the... **Keys to Corrections!**

This month we are continuing to look at how we as an AA Area and its Districts support its regions Prisons.

The first thing that should be known is that A.A.W.S Corrections Workbook addresses the inherent differences between how we as the Hand of AA reach into a Prison vs a Jail or Juvenile facility.

"Although the basics of carrying AA's message into youth detention centers and short-term facilities are no different than carrying the message into any other Correctional Facility, many Area Corrections Committees felt there was an expressed need to include some information in this workbook regarding what they viewed as added challenges to service work in these two areas and, based on their experiences, some suggestions on leading meetings in these institutions.

Experience shows that there is often a rapid turnover of individuals in both youth detention centers and short-term facilities. Frequently, attendance at AA meetings in these institutions may not be voluntary. It is prudent to be aware that, like many AA members in the beginning, some people may not believe they have a problem with alcohol and resent attending an AA meeting. It is important to remember that AA is there to offer a message of hope. You may not be able to see immediate results, but a seed may be planted."

So, what does this mean, and why highlight it? Stemming from the single factor of length of stay, or as the Workbook termed it "rapid turnover of individuals." Historically we have experienced a much greater willingness with our Prisons wanting us to have meetings behind their walls, than our Jails or Juvenile facilities. Not that we do not have some where meetings are taken in, but the numbers speak for themselves.

100% of our Area 92 Prisons have meetings, whereas only a fraction of our Jails and Juvenile centers welcomes us in with meetings. Their residents simply are not there long enough. So, we support in different ways, often heavily relying on our message of Hope being carried by our literature.

Our level of involvement and activities in our Prisons though are starkly different. They well could be held up as pinnacle examples of AA's effectiveness at carrying its Message in the corrections arena. Here in Area 92, this has been the case for decades, long before we were even Area 92. In fact, we have the unique and distinct claim to having our Walla Walla Pioneer Group be the second registered AA group meeting ever behind the walls, founded only weeks after San Quinten. And it is also the longest continuous running correctional facility group in the world.

So, what goes on with AA in our Area 92 Prisons? We have five Prisons: Airway Heights next door to Spokane WA, Coyote Ridge in Connell WA, ICIO in Orofino ID, NICI in Cottonwood ID, and WSP in Walla Walla WA. All five of our Prisons have impressive levels of involvement, so we shall fairly take them one at a time, in alphabetical order. You can view information on all our Prisons, Jails, and Juvenile facilities at our Corrections webpage's "interactive map" here; [Corrections – Area 92 Alcoholics Anonymous](https://area92aa.org/area-committee/standing-committees/corrections/)
<https://area92aa.org/area-committee/standing-committees/corrections/>

This edition we will spotlight and look at what goes on in our Coyote Ridge Corrections Center (CRCC) in Connell, Wa.

Our District 4's Coyote Ridge, is located roughly 40 miles directly north of Washington's Tri-Cities and about 100 miles SW of Spokane, Wa. CRCC is a minimum, medium, and long-term minimum facility. Opened in 1992 with an expansion in 2009, it currently has a capacity of 2530 and is our Area 92's 2nd largest prison.

Keys to Corrections

A Column to Inform and Encourage

We as AA have a long history of supporting the CRCC facility. Currently it is holding several meetings; *There Is a Solution Group*, *Dr. Paul O. Step Study*, *Un nuevo Día*, *Un Día A la Vez en el Campo*, and its oldest *Stepping Out Group* registered May 2nd of 1994. That's just two years after the facility opened. As you can see, CRCC has two Latino/Spanish speaking meetings. These are new as of the summer of 2025.

Over the course of Area 92's Panel 74, extensive effort of key Members within our Latino Districts successfully gained clearance and built tenor enough to gain a foot in the door sufficient to get these meeting up and running. NY has listed, a previous Spanish speaking meeting at CRCC, *Grupo Azteca* registered June 6th of 1996, but it shows that in April of 2010, it went inactive. All our meetings behind the walls rely heavily on our Volunteers to consistently be involved. And if you have a calling to Service within Corrections and are one of our Spanish speaking Members, Latino or not, you can double your impact at helping the hand of AA keeping these more challenging meetings to support, stay in existence.

CRCC is very approachable with it's Community Partnership Program Coordinators (CPPC), we of AA have responsibly maintained very positive relations with Staff and our inside Members. The CPPC and our AA Volunteer Coordinator is an absolutely critical bond that enables us in, and this has been a healthy relationship with AA and CRCC for three decades. The facilities efforts on their end can be seen in things such as a consistent Newsletter addressing activities, actions and efforts with its partnered programs, such as us, distributed several times throughout the year. Also, annual and semi-annual recognitions, open-houses, and workshops are initiated and held by the facility. In the past we have had AA Members honorably mentioned and even receive Volunteer of the Year recognition. Not all facilities are as responsive as CRCC in welcoming outside programs to work with them, and we appreciate the long-standing positive and effective relationship AA has been able to have with them.

When it comes to AA's side of the relationship, we have shown up consistently over the years with our own organized workshops, and speaker meetings events. These take much effort on both sides as "one-time" passes/clearances, and event notifications are often needed. Its takes hard work putting on events like this on the outside, you can only imagine the efforts it takes to pull one off on the inside!

Literature wise, AA shows up to CRCC in several ways. At the above mentioned inside events, the need for literature during these is high, and its needs are met often at the District and Area level. At CRCC this need has usually been heavily supplied in a self-supporting way by District 4 itself. Recent events have only requested a portion of its needs be met by Area 92's Corrections Committee help. But thanks to your Area Pink Can Program, and 7th Traditions support, we have been able to do so. Area also provides several Grapevine and La Vina subscriptions. Other ways Area has a hand within the CRCC facility is through actively encouraging AA programs such as the Bridge/Reentry/Prerelease and Corrections Correspondence (CCP) programs, creating and dispersing Volunteer needed flyers, and maintaining a working relationship with its District 4 Corrections Chair.

It would be remiss to not acknowledge a long-standing direct support to CRCC by the Tri-Cities Intergroup and its Bookstore. Their involvement and supporting hand have been firm and reliant for some time. It takes many avenues of support to maintain a healthy relationship with a correctional facility, and Area 92 humbly appreciates your works.

Correction's AA Volunteers and their Coordinators do not have "rotations" or "terms", they have passion, and most have been doing this AA work for many years. As Area and Districts, we do not govern, manage, or have any authority over these activities, we support them in their efforts. If you would be interested in being one of these persons with passion and help support the Coyote Ridge facility, please reach out and contact District 4's Corrections Chair to get the process started, or myself at the Area 92 level. It is Service you won't regret!
