Financial Reflections: Panel 76 Conference Report

The Panel 76 Full Conference Report reveals tight financial realities for both the General Service Office (GSO) and Grapevine. While I am not suggesting groups alter their 7th Tradition percentages - finances are stretched at all levels - I do invite you to reflect on two important questions: When we need to save money, do we reduce expenses at the general service level or the 12th Step level? And are we actually saving money, or merely shifting the burden to different service levels?

Two recent decisions highlight this shift:

- **Report Printing:** GSO initially decided not to print the full conference report, saving their budget \$80,000. A floor motion passed to print it for sale instead, meaning the financial cost is now absorbed directly by the fellowship.
- **Regional Forums:** To cut costs, GSO replaced live verbal interpretation with an automated software called Wordly. In response, Area 08 (this year's host) plans to provide live interpretation for around \$3,000. The Pacific Region Delegates are currently coordinating contributions to cover this expense. (If you wish to contribute, contact me at delegate@area92aa.org).

What ways can we save money while still carrying the message?

CHAIR

September 2026 Chair News

Wow, welcome to September!

Considering all the news coming from the GSO, there is certainly a lot happening. We have Version 5.0 of the Everything AA App, the digital version of the General Service Conference Report, news about the new pamphlet AA Anonymity: Our Spiritual Foundation, the Seventh Tradition monthly support letter, the online Delegate Report Back.

Last month, the Inventory Questions were distributed, I sent out a survey to DCMs and Alternate DCMs, and we made changes to our Area calendar. It is funny how we all settle into summer, and then, as summer comes to an end, a flurry of new business arrives. There are new things to learn, new opportunities to serve, and new committees to join.

This is truly what AA is all about. We live life one day at a time, and then suddenly, after a shake of the head and a brief pause, we realize another year has passed.

Last year at this time, I was facing life-changing moments filled with fear, worry, and heartache, only to see light, hope, and faith emerge. What a gift AA has been. Because I trust my Higher Power, trust all of you, and continue to have faith, life keeps changing. With a little acceptance, we grow, embrace change, and discover renewed hope.

So, take a look at what is new in your District. Find out what is happening in your home group. Ask yourself: What can I do to make AA better for those who are just joining us?

Are we sharing in meetings? Are we talking about the Steps, Traditions, and Concepts? Are we living by the principles this program has given us?

This month, my District is hosting Round Up to Recovery. While it is a fellowship event, it was one of the first experiences that showed me there is more to AA than just meetings.

Early in my recovery, my AA sister Kathy took me to my first roundup and campout. She encouraged me to do more than simply attend meetings.

Together, we served on the Round Up to Recovery Committee, chaired by my very first best friend in AA, Pat H.

Pat was someone who showed me what is possible in sobriety. She achieved goals that included earning a college degree and landing her dream job. She also showed me that you can even find love in the rooms of AA when you are not looking for it.

Most importantly, it showed me that it is not the big things that keep us in the middle of AA. It is the leaders, the sponsors, and the trusted servants who show up, walk beside us, and help guide the way.

My goal is to always be that person for someone else, to walk beside them and help show them the way.

Thank you to all of my teachers, mentors, leaders, and trusted servants who continue to show up for me.

I love AA and the endless gifts it has given me.

In love and service,

Fran L Chair Area 92

ALT-DELEGATE

I am hoping everyone had a wonderful August. I know I did. Sobriety has given me friendships that have turned into my family and also relationships with my family that didn't exist before getting sober. August was a month of spending time with the people I love the most.

I conducted a GSR school in Colville on August 28th for District 15. Thank you to everyone that showed up.

I was asked to do a service workshop for Road to Recovery, District 3. That was done today, September 5. It was super fun to talk about how a home group is able to participate in AA as a whole.

Please reach out to me if you would like for me to do a GSR school or any type of workshop for your homegroup or District.

Blessed to be of service.
Oleta B.

ALT-CHAIR

Hello everyone and welcome to Fall.

This article contains several temporal references: the ninth month, the ninth step and the archives. I owe an apology to the body: I have not been reviewing our minutes of business events. This amends allows me to take responsibility for my behaviour. To change this behaviour, I have begun reading the minutes and have actually read the past three years: 2024, 2025 and 2026, which are posted on our website. I have chosen not to read further, however, I am aware that our archives chair has them safely stored in our repository.

Again, what timing! The National AA Archives Workshop is this month and will be held in our own backyard: The Pacific Northwest.

I have visited Pasco and will proceed to Spokane for venue walkthroughs. I would like to express my gratitude to D24 and D3 for hosting future business events where we can gain knowledge from others experience, conduct business and ensure our presence for future AA members. Additionally, we will have the opportunity to hear the message from our spiritual speaker in Spokane.

The How to Host meeting is Sept. 16th @ 6 pm. Please join us to hear and share experience strength and hope as well as ask any questions you have! I have heard from our members not funded they may not get to participate. So I share: Lets keep costs low and spirits high!

In Love and Service, Lorri T. ~ Alt-Chair ~ WSEA 92 ~ Panel 76

TREASURER

Greetings Area 92 and trusted servants,

August has been relatively quiet overall, though operational duties behind the scenes have continued smoothly, including bill processing, registrations, and lodging coordination for the upcoming October Assembly.

Financial Items	Amount / Details
Ending Register Balance (Aug 31)	\$19,877.88
Budget Variance	Contributions fell below projections, resulting in an over-budget variance of \$1,076.48.
October Assembly Registrations	\$1,893.00
Translator Registration (Estimated)	~\$100.00 (<i>pending registration</i>)

Administrative & Logistics Updates

- October Assembly Coordination: Registration and hotel room arrangements are completed for all elected and appointed trusted servants.
- July Quarterly Parking Resolution: An administrative issue arose regarding parking fees at the July Quarterly between the Chair and the host District. While initial reimbursement was considered, area financial guidelines, handbook logistics, and principles dictate this matter is outside the Treasurer's authority and should have been managed directly by the host District.

Personal Notes & Upcoming Events

- Personal Update: Time this month was primarily spent supporting family medical needs surrounding my father's aortic valve replacement in Spokane. While there, I was able to attend a meeting at the Alano Club of Spokane.
- Upcoming Schedule:
 - September: Standing Committee Workshop
 - October: October Assembly

Please ensure you stay current with monthly newsletter updates and incoming emails.

Always in love and service,

Gary H.

ALT-TREASURER

August was a quieter month following our July Quarterly, but the work continues.

Seventh Tradition contributions for August totaled \$3,837.39. Thank you to our groups, districts and members for your continued generosity and support of Area services.

I also had the opportunity to attend the monthly online DCM meeting and follow up on the **Carry the Message Contribution Challenge**. It was a great opportunity to answer questions, talk about how districts can participate, and remind everyone that the Finance Committee is available to support districts as they begin connecting with their groups.

Resources for the Challenge continue to be available on our Area website. From the homepage, scroll to the bottom of any page and look under "Latest News" for the Carry the Message Contribution Challenge or use the direct link:

<https://area92aa.org/finance-committee-carry-the-message-challenge/>.

On a personal note, I also enjoyed a couple of A.A. campouts this month. It was a wonderful reminder that fellowship and connection happen in many different ways - and sometimes the best service we can offer is simply showing up and enjoying each other's company.

In service,

Lisa S.

SECRETARY

Hello WSEA 92,

At the July 2026 Quarterly meeting, we decided to forward the following motions to the upcoming October Assembly:

District 4 moved to amend the Area 92 motion proposal form by replacing the question, "*What will happen if this proposal is not adopted?*" with language requesting known or reasonably foreseeable drawbacks or concerns that the Area should consider before adoption.

The Finance Committee moved that, beginning July 2027, the July Quarterly be held virtually only for a **three-year trial period**.

Please discuss these motions among your groups and at your district meetings and be prepared to discuss them in October.

Other key action items and upcoming dates discussed at the quarterly meeting include:

- **End of September:** Submit proposed GSC agenda items to the Delegate.
- **September 19, 2026:** Standing Committee Workshop – Moses Lake.
- **September 27, 2026:** Archives Open House – Hayden, Idaho.
- **October 16-18, 2026:** Inventory Assembly.
- **April 2-4, 2027:** Pre-Conference Assembly.
- **October 22-24, 2027:** Election Assembly.
- Technology Committee to continue district website development, website refresh, and interpretation technology improvements.

Also, minutes from January 2026 quarterly and the April assembly will be presented for approval at the October assembly. I understand that the minutes were not approved at the last quarterly meeting because photocopies of the District Committee Reports (DCM) were not included. I have copied these reports and put them in a folder. I am working with the technology committee to determine where all this information should reside. I look forward to more discussion in October.

Sincerely,

Chris T., Secretary, Panel 76, WSEA 92

ARCHIVES

Archives reminds us that our Fellowship's history is the living story of members carrying the message, asking questions, and serving with love. I was reminded of this at the Washington State Conference of Young People in Alcoholics Anonymous (WSCYPAA).

With the theme "Bright Spot in Our Lives," WSCYPAA radiated energy and dedication. Panels on mental health, safety in AA, and other topics showed our Fellowship growing. I enjoyed the discussion about heckling in meetings—a reminder that AA makes room for honest conversation. What happens today becomes tomorrow's history.

I also assisted Area 72 Archives at the conference. It was their first participation in a youth conference. Bringing Archives into these spaces helps preserve history while it is being made.

Join us **Sunday, September 27, from 1:00–4:00 p.m.** at the Area 92 repository in Hayden, Idaho, to hear a 1983 Los Angeles LP recording featuring Clancy I., celebrating his 25th AA birthday. The recording came to Area 92 through a member's estate.

The Steering Committee will review the 2026 Final Conference Report and continue work on website language, policies, and practices. We are still seeking an Archivist; our Tuesday meetings welcome anyone considering this service.

We continue supporting district archivists and will revisit our Archives motion in January 2027, incorporating Area input.

We joyfully welcome Sarah B. as an ASC nominee and recognize Ben N. as he departs. Thank you both for your service!

With love and service,

Jacqueline C.

CORRECTIONS

The Washington State Penitentiary "Pioneer Group" held their 1st meeting on the "Big Yard" September 19, 1942 and will be celebrating their 84th anniversary this fall! This meeting started in the old section of the maximum-security prison known as "East". The meeting location at the old prison has shifted over the years from different rooms; in the basement, to inside the ground level chapel to different rooms in education on the second floor. As the penitentiary underwent remodeling; the classification of inmates changed from maximum, to medium to its current status of minimum-security level.

Next month the medium-security "Willshare Group" formed on October 21, 1957 will celebrate their 69th anniversary. The Willshare group moved in 2008 from the Blue Mountain Unit to its current location in the new prison complex at "South". This group unofficially changed names several times over the years, but retained its security level at medium. Recently, the inmates were given a copy of "Our Stories Disclose" (a history of AA in Washington State) and decided to reclaim the name "Willshare Group".

The new prison at "West" holds the gang units in "high-security" closed-custody, "South" medium-security BAR units and separately the maximum-security Intensive Management Unit (IMU). Due to security and safety concerns no A.A. volunteers except at the "Willshare Group".

I have asked other volunteers to gather together histories of Alcoholics Anonymous prison and jail groups in their districts. These histories will be posted to a google drive accessible through the area 92 website.

NEWSLETTER

Fall seems to have made its way to the Methow Valley. Cooler weather and rain. That has helped with the containment of the fires that have been raging across our county. Plus it is not as smokey as it has been. August in the Valley has been referred to as "Smogust" which is pretty accurate.

We have 23 new subscribers this month. They are subscribing through the link on the website, so that is peachy. The click rate still sits around 50%. That means that half of all the people that the newsletter is being emailed to do not open or read it. This rate still surprises me every time I see it.

I am looking forward to the Standing Committee Workshop in Moses Lake. If you want to know more about what the Standing Committee Chairs do, this is your chance to meet us up close and personal!

Hello area 92. CPC has been slow, but I did do a presentation to the Richland Fellowship Group. Their group conscious was very well represented with about 25 to 30 people there they had lots of questions and we're very interested in PI/CPC.

I won't be attending the standing committee workshop in Moses Lake this month. I have prior commitments out of state. Thank you for letting me be of service. It helps keep my program of living alive and for that I am very grateful. See y'all in October.

I don't know about you guys but I am looking forward to the cooler weather that's soon to be arriving!

Not a lot to report on as far as committee work.

STEP 9

Made direct amends wherever possible, except when to do so would injure them or others

Restoration, forgiveness, righting past harms

TRADITION 9

AA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve

Trusted servants, spiritual leadership only

CONCEPT 9

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the Trustees of the General Service Board of Alcoholics Anonymous.

Good service leadership at all levels is indispensable.

Greetings Area 92 Friends!

I hope everyone is having a great close to the summer. I'm submitting this report from Bovill, ID, at our last big campout of the year. It is great to be able to spend quality time in recovery with so many of our friends!

We're looking forward to seeing many of you at the upcoming September Standing Committee Workshop in Moses Lake, WA. We hope you can join us to find out what Area 92 provides to support carrying the message and how you can get involved at the group, district or area level! We're also looking forward to seeing you in October in Airway Heights for the October Inventory Assembly. We've got an exciting new offering to unveil at the assembly that we hope will help our business run more efficiently. I'll leave the official announcement to our Area Chair Fran, or you can plan on attending the Friday night Technology breakout session at the Assembly for a "sneak peek"!

As always, the Technology Committee meets virtually every other Thursday at 7:00 PM on Google Meet. Our next meeting is coming up on September 17th. If you are interested in finding out what our committee does, please send an email to support@area92aa.org to get a meeting invite.

Greetings area 92, first my apologies for not reporting last month. I'm currently looking into getting some upgrades on our equipment, due to some of the ear pieces are old and receiving a lot of static, which makes it hard for some of the members to hear. TREATMENT & ACCESSIBILITIES

Hello Area 92,

I am sorry I missed everyone at the July quarterly meeting. Additionally, no one was able to attend my monthly meeting last month.

On a positive note, we have a new Bridging the Gap representative, so I would like to thank Benji for stepping into that role. Benji is currently learning the responsibilities, especially as we navigate some out-of-state bridges returning to our area and members moving between districts.

Hopefully, everything is now back on track, and I look forward to seeing some of you later this month at the standing committee workshop.

Treatment & Accessibilities Chair

GRAPEVINE & LITERATURE

The Area 92 Literature Committee will be restarting its monthly meetings in September. Meetings will be held on the **first Thursday of each month at 7:00 p.m.** If you are interested in participating, please let me know. We would be glad to have more members involved.

I'll also be attending the District 15 Roundup, September 25–27, and look forward to connecting with people there.

I am in the process of moving from Palouse to Chattaroy, which should make me more available to districts in the Spokane area and make it easier for me to attend more local events and district meetings.

I'm also placing an order for the General Service Conference Final Reports. If you, your district, or your home group would like copies, please let me know and I can include them with my order.

Yours in service,

Curt W.

How can WSEA 92 support groups and districts with issues related to safety and inclusion?

What can the WSEA 92 do to help foster future Trusted Servants?

How should spiritual principles guide us when we face disagreements in our WSEA 92 affairs?

How can we help our members have a greater understanding of the General Service Conference process, and the role of our Delegate?

New Pamphlet from GSO!

A.A.'s Seventh Tradition states: "Every A.A. group ought to be fully self-supporting, declining outside contributions." This means that only A.A. members contribute financially to A.A. – and even A.A. members are limited in the amount they can contribute. This keeps A.A. free of outside influences that might divert us from our primary purpose - to help the alcoholic who still suffers. The amount of the contribution is secondary to the spiritual connection that unites all groups around the world.

GSR AT THE PIONEER GROUP AT WASHINGTON STATE PENITENTIARY

This is my first report as GSR for "The Pioneer Group". I'm a recent transplant from the "Just for today" group in Aberdeen, WA located at Stafford Creek Corrections Center. I was also privileged to serve as GSR for that group. The "Just for today" group was part of District #21 in Area 72 representing Western Washington A.A..

The following things I need to best represent my group and help us "carry the message";

- 1) Area 92 Handbook (note: volunteers will provide)
- 2) District Handbook for district we fall under? (note: in district 9, also supported by districts: 4 and 6)
- 3) Printed copies of Area92 newsletter (note: volunteers will provide)
- 4) The A.A. Service Manual (note: volunteers will provide)

Group needs / inventory

How are we carrying the message? We have excellent unity and a spirit of togetherness that is wonderful. Newcomers are made to feel welcome. We have excellent outside support; our group sponsors are the best. The meeting always starts on time, ends on time and the coffee is brewed.

Any Events or Workshops? September 26th we will be celebrating our annual anniversary / fall workshop with speakers from both inside and outside of the prison. Our outside sponsor Vicki is going the extra mile to help us organize this which we really appreciate!

Any AA birthdays for the month of August? We have members celebrating 3 months, 14 months, and myself, 10 years sober (no weekends or holidays off!)

DISTRICT 4

Shades of learning in sobriety! Here at D4, we are moving forward with many plans, improvements, and dealing with the growing pains/pleasures of growth. One thing is for certain: there is never a dull moment.

Our melding of the previous Central Office and the District has produced some ripples needing attention. Sometimes we say OUCH! Other times it creates opportunities to align better with, and receive mentorship from, WSEA92.

- Open positions in D4:
 - Alt-DCM
 - CPC/PI - an interested person attending our next business meeting. Thanks Laura M for presenting recently at district and Richland Fellowship.
- Bookstore chair may become Grapevine/Literature Committee Chair, with bookstore responsibility as a subset.
- Information systems may become Technology Committee Chair.
- Special events and bookstore will likely have accountability similar to our D4 treasurer. Ensure ongoing continuity and accountability to be reproducible for future servants.

In addition, we are working on:

- Creating a Google Drive shared space for all our district business, with access provided to trusted servants. Shared communication is a priority. Jennifer W. you are amazing.
- Creating a new website to replace our old WordPress site. This project will be in alignment with templates offered by WSEA92 tech. For this, and Google Drive assistance, WSEA Technology Committee: You are da' bomb!

EARLY FALL GREETINGS FROM DISTRICT 5!!!

We are still experiencing lots of smoke here in Wenatchee and some drops in temperature.

We had our District meeting last night and it was very well attended. So grateful for all our trusted servants who continue to show up to share the message to the still suffering alcoholic. We are looking forward to the assembly in October and discussed a couple of the questions for inventory with some good ideas presented.

We currently are still needing a CPC chair but are putting feelers out at meetings!

I again reminded everyone what my service sponsor told me that I am merely a carrier pigeon and facilitator so I can keep right-sized! Always needful for this alcoholic!! lol!

On a fun note! Our activity chair person has a couple ideas he's gonna work on for this month. A river walk and maybe bowling!

Our District is thriving with lots of newcomers and attendance numbers up at meetings. GSR for most meetings in the valley are filled and our Committee chair positions as well.

I am grateful to serve as DCM for DISTRICT 5.

Yours in Love and Service,

Donna D.

DISTRICT 12

Greetings Area 92. Wow September is here , where did the Summer go? Oh yeah, behind a thick cloud of wildfire smoke. All of us here in District 12 are glad to be enjoying some breathable air. It is clear that as serious as the fires were, we are all blessed to be here alive and sober.

August was not very busy for District 12 as a district, but many groups still had various activities. Such as the Ladies Campout. We are planning to attend the Standing Committee Workshop in Moses Lake in two weeks.

There are a few AA Birthdays for September. Starting with a 1st year Tom from Electric City, and Jason with 2 years also. Dan C. will have 4 yrs. Jim D. 15 years and Valerie D. 37 yrs. Lastly Mike M. (AKA Parachute Mike) will celebrate 40 years this month. YIS

DISTRICT 17

District 17 remains strong, healthy and actively ensuring that when anyone anywhere reaches out for help, that the hand of AA is always there. Fellowship in AA in Spokane is amazing. When Caroline and I moved to Spokane a few years ago and left our AA community in South Central Washington I was troubled with the idea of needing to rebuild my AA community. I need not have been troubled, as always, AA is welcoming and supportive.

We had some troubles with the Spokane fires in August. Many of our members were evacuated, some of our members lost their homes, some of our members lost all of their belongings, some of our meetings were closed for a few weeks as meeting sites were in active evacuation areas. While the fires were frightening, devastating, and humbling; it was heartwarming to watch the fellowship in action as members rallied to make sure those members affected by the fires were safe and taken care of. The last couple of days have brought some much needed rain and reduced the threat of fires for the immediate future. Still, many of our members have some tough rebuilding in their futures. Please keep these folks in your prayers.

Many of these AA's will likely never forget the devastation of these 2026 Spokane fires. Most of these AA's will also never forget the love, fellowship and support of the AA community.

Yours in Service,

Dave W.

Keys to Corrections

A Column to Inform and Encourage

Welcome to our eighth installment of what we hope to be a long running column of informative, encouraging, and inspirational topics from the wonderful world of service in AA Corrections. We welcome you to the... **Keys to Corrections!**

This month we are continuing to look at how we as an AA Area and its Districts support its regions Prisons. The first thing that should be known is that A.A.W.S Corrections Workbook addresses the inherent differences between how we as the Hand of AA reach into a Prison vs a Jail or Juvenile facility.

“Although the basics of carrying AA’s message into youth detention centers and short-term facilities are no different than carrying the message into any other Correctional Facility, many Area Corrections Committees felt there was an expressed need to include some information in this workbook regarding what they viewed as added challenges to service work in these two areas and, based on their experiences, some suggestions on leading meetings in these institutions.

Experience shows that there is often a rapid turnover of individuals in both youth detention centers and short-term facilities. Frequently, attendance at AA meetings in these institutions may not be voluntary. It is prudent to be aware that, like many AA members in the beginning, some people may not believe they have a problem with alcohol and resent attending an AA meeting. It is important to remember that AA is there to offer a message of hope. You may not be able to see immediate results, but a seed may be planted.”

So, what does this mean, and why highlight it? Stemming from the single factor of length of stay, or as the Workbook termed it “*rapid turnover of individuals.*” Historically we have experienced a much greater willingness with our Prisons wanting us to have meetings behind their walls, than our Jails or Juvenile facilities. Not that we do not have some where meetings are taken in, but the numbers speak for themselves.

100% of our Area 92 Prisons have meetings, whereas only a fraction of our Jails and Juvenile centers welcomes us in with meetings. Their residents simply are not there long enough. So, we support in different ways, often heavily relying on our message of Hope being carried by our literature.

Our level of involvement and activities in our Prisons though are starkly different. They well could be held up as pinnacle examples of AA’s effectiveness at carrying its Message in the corrections arena. Here in Area 92, this has been the case for decades, long before we were even Area 92. In fact, we have the unique and distinct claim to having our Walla Walla Pioneer Group be the second registered AA group meeting ever behind the walls, founded only weeks after San Quinten. And it is also the longest continuous running correctional facility group in the world.

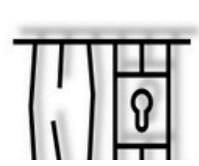

So, what goes on with AA in our Area 92 Prisons? We have five Prisons: Airway Heights next door to Spokane WA, Coyote Ridge in Connell WA, ICIO in Orofino ID, NICI in Cottonwood ID, and WSP in Walla Walla WA. All five of our Prisons have impressive levels of involvement, so we shall fairly take them one at a time, in alphabetical order. You can view information on all our Prisons, Jails, and Juvenile facilities at our Corrections webpage’s “*interactive map*” here; [Corrections – Area 92 Alcoholics Anonymous](https://area92aa.org/area-committee/standing-committees/corrections/)
<https://area92aa.org/area-committee/standing-committees/corrections/>

This edition we will spotlight and look at what goes on in our Idaho Correctional Institution-Orofino (ICIO) in Orofino, ID.

Orofino Idaho is located roughly 145 miles east of Walla Walla, WA and about 145 miles SE of Spokane, WA as well. ICIO or “Orofino” as you may hear it referred, resides in our District 7, which has the distinct claim as our only District with two Prisons within its territory. Fortunate for Orofino and District 7’s other Prison, Cottonwood, this District has for years and years been strong supporters with a high level of

Keys to Corrections

Continued

responsible outreach with their Hand of AA in supporting their correctional facilities. Not only does our District 7 have a successive history of a District Corrections Chair, but they have a District level Corrections Committee established to consistently serve their facilities.

The ICIO website opens with this description of our Cottonwood facility:

"Idaho Correctional Institution-Orofino was originally a state school and mental health facility. A new wing was added in 1988. ICIO is designed to house up to 580 male residents. The facility primarily houses medium-custody residents but also houses protective-custody residents. Givens Hall, a unit adjacent to the compound, serves as a work camp. ICIO offers vocational work programs, education and other programming opportunities."

580 residents housed makes Orofino District 7's largest Prison, and Area 92's fourth largest Prison.

GSO's records list Orofino's first registered meeting as the "Men in Recovery Group" activated in 2011, which has a recently reported attendance of nearly two dozen. District 7's Corrections Chair also reports there is a second smaller meeting currently occurring at Orofino now.

Literature support to Orofino primarily comes from individuals and Groups within District 7 through their Pink Can efforts. Area 92 supports with a couple Grapevine subscriptions and any request for Big Books, 12 x 12's, or Daily Reflections and such. Area 92 also supports by disseminating any fliers and needs for Volunteers to help carry the message into their meetings.

One important thing to remember when it comes to meetings in facilities, there is an extremely important relationship that must be established and maintained between the correctional professional who oversees community involvement (Community Partnership Program Coordinator or CPPC) and the primary AA Member, usually the Volunteer Coordinator. Often this relationship will last for years when nurtured.

However, if the facilities CPPC person feels AA is not need or wanted, then we do not get in, nor sometimes even get literature in. As District Corrections Chairs, these are the persons they serve. AA Volunteers and their Coordinator do not have "rotations" or "terms", they have passion, and most have been doing this AA work for many years. As Area and Districts, we do not govern, manage, or have any authority over these activities, we support them in their efforts. If you would be interested in being one of these persons with passion and help support the Cottonwood facility, please reach out and contact District 7's Corrections Chair to get the process started, or myself at the Area 92 level. It is Service you won't regret!
