WELCOME TO PANEL 76

DELEGATE

Hello everyone! It has been an eventful season. Recently, I've had the privilege of watching the Panel 77 delegate elections in other areas. I am incredibly grateful for hybrid events, which allow us to observe how different areas operate and see the election results firsthand. I look forward to the opportunity to serve alongside these amazing Panel 77 delegates!

On a personal note, I am traveling in North Dakota for my high school reunion and my niece's wedding. It is wonderful reconnecting with family, old friends, and mentors.

I am busy preparing for the upcoming Pacific Regional Forum, where I will be co-presenting with a fellow delegate from Area 6 on the timely topic of "AI and AA Traditions."

Speaking of the Pacific Regional Forum - the next one will take place December 4–6, 2026, in San Diego, California. If you aren't sure what a Regional Forum is, there are short explainer videos available at [aa.org/regional-local-and-special-forums.](aa.org/regional-local-and-special-forums)

GSO no longer provides live interpretation services for the Forum. While AI interpretation is being tested at some events (taking into account technical barriers and the nuances of AA recovery), Area 08 (San Diego) recently passed a motion to fund live ASL interpretation at their own expense. They are currently asking for support from other Pacific Region Areas to help cover the costs of Spanish interpretation.

Registration is officially open!

- Event Flyer & Registration: aa.org/event/2026-pacific-regional-forum
- Hotel Booking: Book via Passkey (Group Code: AA022026SD) or call 800-996-3426 and mention the "2026 Pacific Regional Forum."

Hope to see you at the October Assembly in Spokane,

CHAIR

Are you and your home group registered for the Inventory assembly now is the time. We have 3 motions to vote on and participate in the discussion.

Last weekend, Lorri T and I attended the Election Assembly at Area 72. I've learned more than I expected. We saw visible and invisible processes, made new friendships, and strengthened existing ones. It was exciting to help members navigate electronic voting as a technology tech. In the past, we've helped collect and count votes, but this year, we provided tech support. It's incredible to be surrounded by like-minded people. We saw spiritual parody in action and witnessed people respecting each other despite disagreements. These are the most incredible parts of recovery.

History in the making means honoring traditions. I hope our Area will implement a formal process to send an invitation to the current Area 72 chair to invite two of their officers to Libby to assist us in our Election Assembly in 2027.

I believe we can learn from others and use similar tools in our area.

We're about to make incredible changes. Thanks to Jim B, our Technology Chair, he presented the elected committee and ran us through an electronic voting, and we unanimously decided to implement it on a trial basis. Jim will present HOW it works Friday night at the assembly. He's worked with the creator of the software for Area 72 Web and Technology. Please attend the presentation on Friday night's round table at the Assembly.

Making connections, learning, and growing is the best way I can serve alcoholics who are still suffering.

Thanks for allowing me to serve, Fran L

ALT-DELEGATE

Happy October Area 92!
I am super excited to see all of you here in Spokane October 16th-18th for the Inventory Assembly. Every level of the service structure, groups, districts, areas and the General Service Board, does a searching and fearless inventory of themselves. It's how we find out what is working and not working so well. The only way an inventory works is with your participation. I look forward to hearing from all of you.

I had the pleasure of attending Area 49, 69 and 72 Election Assemblies virtually. All three of the Alt-Delegates were elected to Delegate. There are 4 more in the Pacific Region. The Pacific Region Alt-Delegates meet monthly and I am honored that I get a chance to see what HP and their fellowship has in store for them.

I hit a milestone on September 25th. 8 years of continuous sobriety.

Thank you for keeping me sober!

Oleta B.
Alt-Delegate/Registrar

ALT-CHAIR

Good day everyone.
September was filled with the different routine area meetings for Elected, Standing Committee Chairs, North America Area Chairs and their Alternates, WSEA 92 DCMs, How to Host an area event, and lastly Technology meetings.

Yes I still meet with my sponsors, sponsees, homegroup and other meetings though you needn't take the time to read all the personal stuff. I want to thank Fran, Area Chair for facilitating the How to Host meeting while I was on a vacation where I found my joy that I hadn't realized was missing.
All caught up in being a responsible member of society, which by the way I owe all to A.A. And my HP. Joy makes my world worth participating in and belonging to.

I just finished attending the Area 72 Election Assembly. What an honor it was to be invited and allowed to participate in. They call themselves an innovative Area and I experienced why. They are lucky enough to have a developer in their area that creates significant opportunities. One is an app for online voting. It was used with a single repeatable glitch for not uploading a particular name. The developer was able to work through this in a timely manner so no real impediment.
He has already been in contact with our Tech Chair,Jim, in a capacity to Train the Trainers. I look forward to our Assembly where Jim will initiate training us as well as continue to be a support for us.

In Love and Service, Lorri T, Alt-Chair WSEA 92, Panel 76.

TREASURER

Treasurer's Newsletter Report
October 2026
Ending checking account balance: $21,907.38
QuickBooks Balance $20,693.56
Upcoming Assembly Expenses
- Hotel Bill: Approximately $1,400
- Trusted Servants Mileage: Just over $2,000

Mileage Rate Adjustment
Effective July 2026, the standard mileage rate increased to 76 cents per mile. Based on our policy to pay 80% of the standard rate, our reimbursed rate is now 61 cents per mile. Because this adjustment was missed during the July quarterly, there will be back-mileage reimbursement payments made for trusted servants who submitted expense reports for that period.

Financial Overview
Serving in this position has been a truly humbling experience that requires constant attention to our checking account and all other areas of expenditure. Since this is the October newsletter edition, I will keep further details brief, as you will hear a complete report at the upcoming assembly in a couple of weeks.

ARCHIVES

Hello Area 92!,

What a blast we had at the National AA Archives Workshop!

The National AA Archives Workshop was held September 10–13 at the beautiful Washington State History Museum in Tacoma, Washington, with approximately 101 participants. Our theme was “Archiving Our Past to Safeguard Our Future.”

The NAAAW 2026 Host Committee provided an outstanding program filled with education, fellowship, displays, and hospitality. We visited the Area 72 repository and the Chihuly Museum and enjoyed displays from archivists throughout the country.

Educational sessions covered concepts and ethics in archives, preservation, electronic records, accessioning, AA literature, AA.org and archives, data mining, videography, oral history, Washington AA history, group history, and World Service history. There was so much to choose from that it was difficult to decide which session to attend!

Some of the greatest learning happened between sessions—in hotel lobbies, at breakfast tables, and around displays—sharing stories and discovering pieces of AA history that are not always readily found in our literature. The fellowship and connection were a true nourishment to my service work and my heart. I look forward to sharing what I learned!

I was honored to present “Introduction to our Archives” from our Archives Workbook. Although initially uncertain of myself, the experience stretched me and helped me grow. I am grateful for the opportunity.

Presentations and selected materials are available at naaaw.org under the Learning tab. NAAAW 2027 will be held in San Bernardino, California.

Hear yee! Hear yee! Area 92 is currently seeking an Archivist! This is a four-year commitment supported by the Archives Steering Committee. Please join us the first Tuesday of each month at 5:00 p.m. to learn more. Go to Google Meet https://meet.google.com/zfp-visq-wyg to join!

With love and service,

CORRECTIONS

Why did I get into corrections?

I was 23 years old and in the habit of drinking at the bar after work. After getting a blue light special; I was court ordered to treatment and sent to A and A. I began hanging out at the Tri-City Alano Club and shot pool with Jim the mailman until the 8PM meetings began. In 1983, all we basically had were 8PM meetings. Kennewick school teacher Frank stopped by the Alano club and said he was taking AA meetings on Monday evenings into the Benton Franklin Juvenile Justice Center. Frank asked me to go with him to talk AA to the kids. So, I began going until I switched and made the T.C. Alano Monday night Beginners meeting my home group.

I thought I was done with jail meetings, but DCM4 red-haired Dorothy asked me to take over for the corrections chair (who slipped) to get AA meetings started at the Benton County Jail. My sponsor Mickey W. helped me as did Gunar and a couple of others. I did that for five years and then rotated out of that service commitment.

In the late 1990’s, along came Don O., who asked me to go to the Washington State Penitentiary spring/fall workshops with him. In 2001, Ernie from Spokane asked Don and I to take on a Saturday once a month. My Sponsor Kenny S stepped up when Don could no longer attend.

CPC

September has always been a month of reflection. This year life gave me more to reflect on. It started with my brother dying suddenly. In revisiting my memories of my brother, my brain scanned across my career as a supervisor, and I remembered in the fall is when there would be all sorts of training classes held. So, now is the time to contact HR Departments to get 15 minutes in to talk about what AA does and how it might help troubled employees. The middle of the month I broke a crown off, story there about my brother. Things happen in threes and at the end of the month I celebrated 30 years of sobriety.

Thank God it's October.

PI

Hello Area 92!

Things have slowed down a bit for me, unfortunately I only had one person attend the monthly P.I Committee meeting, but we talked a lot about what he's been doing as the P.I. Chair for his district. I also talked to him about the Inventory Assembly in October, I believe he will now be attending.

Looking forward to the Assembly and seeing everyone and feeling the A.A. love, you just can't get when attending online, and I feel that is all part of being in service.

Thank you for allowing me to serve as your Area PI Chair.

TECHNOLOGY

Greetings Area 92 Friends!

A big shoutout to Charles, Kimalee, and the rest of District 19 for putting on a wonderful Standing Committee Workshop in September! It was great to get a chance to connect with folks and answer some of your questions around technology in AA. Now it's time to get ready for the October 2026 Inventory Assembly in Airway Heights!

In preparation for our assembly, I attended part of the Western Washington Area 72 October Assembly. It was their election assembly and they did all of their voting (except for a few housekeeping items) entirely through their electronic voting app. It was amazing! I'll be sharing more about the experience at our Friday night Technology session, but let me tell you right now that I can't wait to see how much more efficient our area business can be by using this simple tool. We've also posted the business documents for the Assembly to our Glide app and the Area 92 website, less the financial reports which will be posted shortly before the Assembly kicks off. Hope to see everyone there!

As always, the Technology Committee meets virtually every other Thursday at 7:00 PM on Google Meet. Our next meeting is coming up on September 17th. If you are interested in finding out what our committee does, please send an email to support@area92aa.org to get a meeting invite.

TRANSLATION

Greetings Area 92. Had the pleasure of attending and participating at the September Standing Committee workshop in Moses Lake. I'm currently trying to purchase some ear pieces for the translation monitors, but they will probably have to be purchased on-line . There we're some concerns about a motion that includes some Spanish literature that was not passed. On another note, looking forward to see everyone two weeks in Spokane. TREATMENT & ACCESSIBILITIES

Hello Area 92,

We had another slow month, but we did make some positive progress:

- Bridge Contacts: We connected with a few more bridge contacts to assist individuals coming out of treatment centers who want to attend meetings.
- New Members: We welcomed two new people at this month's meeting.
- Standing Committee Workshop: We attended the workshop in Moses Lake. It was very informative and inspired a couple of people to get involved in service work, which aligns well with the focus of these meetings.

I hope you are all doing well, and I look forward to seeing many of you in Spokane on the 16th, 17th, and 18th.

October Inventory Questions

How can WSEA 92 support groups and districts with issues related to safety and inclusion?

What can the WSEA 92 do to help foster future Trusted Servants?

How should spiritual principles guide us when we face disagreements in our WSEA 92 affairs?

How can we help our members have a greater understanding of the General Service Conference process, and the role of our Delegate?

How can our inventory process be a more efficient, productive and effective tool?

We will be discussing these questions at the October Assembly - Oct. 16-18 2026 - Spokane, WA

Bring your input!

SELF-SUPPORT

A.A.'s Seventh Tradition states: "Every A.A. group ought to be fully self-supporting, declining outside contributions." This means that only A.A. members contribute financially to A.A. – and even A.A. members are limited in the amount they can contribute. This keeps A.A. free of outside influences that might divert us from our primary purpose - to help the alcoholic who still suffers. The amount of the contribution is secondary to the spiritual connection that unites all groups around the world.

Thank you District 19 for hosting the September Standing Committee Workshop! It was great to see both new and familiar faces there to learn more about service. Thanks also to those committee representatives and elected servants who showed up to participate. We are wrapping up our consolidation of Central Office into District 4. Our service

DISTRICT 7

Greetings Area 92!
I am looking forward to seeing many—if not all—of you at the upcoming October Assembly in Airway Heights in just a few weeks!

Recently, my wife and I, along with another AA member, made a trip out East. Alongside family visits, Fenway Park, the 9/11 Memorial, and the Maine coast, we had the privilege of visiting our General Service Office in NYC. Despite missing our original tour time due to my own planning oversight, we received a special tour, explored Archives, and browsed AA and Grapevine literature. It was an emotional, spiritual experience—a true gift of recovery that I highly recommend.

DISTRICT 12

Greetings Area 92, District 12 is definitely excited for October. We typically have our district meeting on the first Sunday of the month. Some months the newsletter comes out before the monthly meeting, not so this month. We had some lively discussion over the upcoming Assembly business and made head way on some of our own. Carrying the message takes many different forms, and in that diversity we truly find the hand of our higher power at work.

Some of you may recall that our annual Gratitude Banquet is drawing closer (November 7th), it is a district highlight that we all enjoy. Last year it was moved to a location in Okanogan, where it will remain this year. Please see the district 12 website(d12.area92aa.org) for more details.

October seems to be a busy month for Sobriety in district 12 as there are several. Starting in the Methow there are: Jack K. 28 yrs, Jack R. 1 yr, and Janae M. 6 yrs. In the Omak/Okanogan area Annametta with 25 years, and up North in the Tonasket /Oroville area there are: Jim H. 21 yrs, Marcy H. 4 yrs, and Tod R. with 25 yrs. Congrats to AA for it works, it really does.
The district is enthusiastic about the upcoming Assembly and we appear to have most of our GSRs primed to attend both in-person and online. Hope to see you all there.
Yours in Service,
Tod R DCM 12

DISTRICT 17

AA is alive and well in District 17. We have great attendance at our monthly District meetings. Monthly District meetings are on the 2nd Tuesday each month at the Country Crossroads Church at 6 pm. and they are hybrid through Google Meets.

Our last monthly District Meeting was attended by 14 GSR's and multiple other District officers and electeds.

We have a new meeting in District 17, it is the Podium Meeting and meets on Sundays at 7 pm at the Living Hope Church. Each person sharing is directed to the podium where they are given 7 minutes to share on what it was like, what happened, and what it is like now. This group is growing quickly and had over 50 in attendance at their last meeting.

The GSR's in District 17 are busy getting the motions for the October Quarterly out to the groups and then bringing the group decisions back to the District. We discussed all the upcoming service positions and vacancies at Spokane Central Office when half of the Board of Directors positions are up for rotation. Voting is in November, newly electeds assume office January 1, 2027.

Upcoming events for District 17 include:

- Art Exhibit: Sept 26, 3–5 PM @ Alano Club
- Spokane, Tri-Cities & Ellensburg Gratitude Banquets: Nov 14
- Hallowgivemas Party: Nov 21, 2–5 PM (costumes, White Elephant, turkey dinner)

While we have many groups in District 17 actively involved in the District business and in the Area Business, we are still reaching out to those groups that are not involved to ensure that their needs and voices are heard.

And as always we could use more volunteers for our meeting at Eastern State Hospital. The meeting is on Thursdays at 2:30 pm and requires attendees to be pre-approved by Eastern State Hospital. If you are interested in this rewarding service work please call or text me at 509-830-0245.

Yours in Service,
Dave W.

DISTRICT 25

Hello everyone in Area 92 from District 25!

In District 25 our events include visiting 2 groups and having a workshop monthly. In September we visited Grupo Unidad where our topic was Tradition 7, then at Grupo Sobriedad Viva the topic was the 1st Tradition, and we also held a workshop at Grupo Sobriedad Viva on October 3rd.

DISTRICT 24

Hello Area 92!
Greetings from District 24!
Just a reminder that District 24 meetings are held on the last Sunday of every month from 2:00–4:00 PM.
Thank you to all the District servants for your continued attendance and support. We really appreciate everything you do!
It's always inspiring to see our members celebrate their sobriety anniversaries. These celebrations remind us of why we're here and how important it is to keep the doors open for the alcoholic that still suffer.
The La Viña Group in Pasco has started a new women's-only meeting on Sunday mornings at 9:00 AM. We're happy to see new opportunities for women to come together and support one another.
Here in the District, we are also promoting Traditions Workshops with questions and answers, based on the pamphlet A Checkup of Our Traditions. The workshops are a great way for us to learn more about the Traditions and how they can guide us in our service and groups.
Our first workshop will be Sunday, October 11, at Grupo Villa Nueva in Kennewick, from 2:00–4:00 PM.
Looking forward to seeing everyone in Spokane. Until next time!

Keys to Corrections

A Column to Inform and Encourage

Welcome to our ninth installment of what we hope will be a long-running column of informative, encouraging, and inspiring topics from the wonderful world of service in AA correctional facilities. Welcome to the... **Keys to Corrections!**

This month we continue to look at how we, as an AA Area and its Districts, support the prisons in your regions. The first thing to know is that the A.A.W.S Correctional Workbook addresses the inherent differences between how we, as the Hand of AA, get into a prison versus a jail or juvenile facility.

"Although the basics of carrying AA's message into youth detention centers and short-term facilities are no different than carrying the message into any other Correctional Facility, many Area Corrections Committees felt there was an expressed need to include some information in this workbook regarding what they viewed as added challenges to service work in these two areas and, based on their experiences, some suggestions on leading meetings in these institutions.
Experience shows that there is often a rapid turnover of individuals in both youth detention centers and short-term facilities. Frequently, attendance at AA meetings in these institutions may not be voluntary. It is prudent to be aware that, like many AA members in the beginning, some people may not believe they have a problem with alcohol and resent attending an AA meeting. It is important to remember that AA is there to offer a message of hope. You may not be able to see immediate results, but a seed may be planted."

So, what does this mean, and why highlight it? Stemming from the single factor of length of stay, or as the Workbook termed it *"rapid turnover of individuals."* Historically we have experienced a much greater willingness with our Prisons wanting us to have meetings behind their walls, than our Jails or Juvenile facilities. Not that we do not have some where meetings are taken in, but the numbers speak for themselves. 100% of our Area 92 Prisons have meetings, whereas only a fraction of our Jails and Juvenile centers welcomes us in with meetings. Their residents simply are not there long enough. So, we support in different ways, often heavily relying on our message of Hope being carried by our literature.

Our level of involvement and activities in our Prisons though are starkly different. They well could be held up as pinnacle examples of AA's effectiveness at carrying its Message in the corrections arena. Here in Area 92, this has been the case for decades, long before we were even Area 92. In fact, we have the unique and distinct claim to having our Walla Walla Pioneer Group be the second registered AA group meeting ever behind the walls, founded only weeks after San Quinten. And it is also the longest continuous running correctional facility group in the world.

So, what goes on with AA in our Area 92 prisons? We have five prisons: Airway Heights next door to Spokane WA, Coyote Ridge in Connell WA, ICIO in Orofino ID, NICI in Cottonwood ID, and WSP in Walla Walla WA. Our five prisons have impressive levels of participation, so we'll take them one at a time, in alphabetical order. You can view information about all of our prisons, jails, and juvenile facilities on the *"interactive map"* on our corrections webpage here; Corrections – Area 92 Alcoholics Anonymous
https://area92aa.org/area-committee/standing-committees/corrections/
In this edition we will highlight and see what happens with AA at our Washington State Penitentiary in Walla Walla, WA.

Walla Walla is located approximately 158 miles south of Spokane, WA. Washington State Penitentiary (WSP) or "Walla Walla," as you may hear it called, resides in our District 9.

Continued

The Washington State DOC website begins with this community description of our Washington State Penitentiary facility:

" Community volunteers provide programs and services that promote positive reintegration into the community, including religious programs, Alcoholics Anonymous (AA) and Narcotics Anonymous meetings, assisting Veterans with military issues, assisting inmate's families with children mentoring programs, and special programs (i.e., dental hygienist, photographer, etc.) that are available to the inmate population and their families.

Additionally, guest sport teams, choirs, musical groups, guest speakers/lecturers, and professional groups have held programs for the inmate population. There are also groups that assist inmates in the process of re-integrating back into society."

Opened in 1886 and now listed at housing 2,489 persons within its Maximum, Close, Medium & Minimum custody levels, WSP is our Area 92's largest correctional facility. And at 2468 Coyote Ridge is pulling a close second.

In April of 1942, when AA was just 7 years old, warden Clinton Duffy of San Quentin called the Alcoholic Foundation, likely Bill Wilson himself to say,
"If Alcoholics Anonymous can save just one man I want to start it here"
Later that year in September 1942, five prisoners at Washington State Penitentiary held an AA meeting in the *Big Yard*. Their names were Earl C, Roy A, Earl H, George L, and Barney B. They called their group *The Hilltoppers*, perhaps because the prison is situated on a hill. Shortly afterward the name changed and became *The Pioneer Group*. This is the oldest continuous running AA group anywhere in the world, meeting inside the walls of a correctional facility. They just had their 83rd anniversary, September of 2025.

Sometime in the spring of 2025 our District 4 Corrections Chair, Mike T., came across a unique publication on ebay titled "***Pioneer***". It happened to be the "Volume 7 Number 3 September 1957" issue. This would suggest it had been running since 1950, just eight years after the groups founding. Within its opening page it reads:

"Published quarterly by the Pioneer AA Group, Washington State Penitentiary, Walla Walla. All expenses of publication and the circulation of the Pioneer is derived from the Inmates Welfare Fund."

Talk about ***self-supporting***!! The bottom of the front cover has a most reflective quote printed; "*The present is but a razor's edge between our future and our past!*" Meditate on that one for a minute!! It is not known how long this publication ran, but what a 30-page gem this is within our archives. For a sample reading, check out the June 2025 edition of our Area 92 Newsletter.

Currently the WSP facility has AA support reaching in from far outside of it's District 9 borders. Recent District Corrections Chair reports state the following:

WSP/EAST (Camp)- AA Meetings Saturdays 12:00-1:30pm (Pioneer Group) 2:30-3:30pm
WSP/South (Medium). Meetings covered: 1st Saturday by Yakima, 2nd Saturday by Richland, 3rd Saturday by Walla Walla, 4th Saturday by Pasco/Burbank, 5th Saturday by Yakima. Meetings are consistent, led by those inside and sponsorship inside is occurring.

Also, efforts currently are underway at WSP to establish a Spanish speaking meeting by some of our same members who initiated the recent one now meeting at our Coyote Ridge facility. Do you speak Spanish?!?! Get involved! Reach out through the emails at the end of this column. Way to go Volunteers!!

Literature support for WSP comes from several avenues by Individuals, Groups, Districts, and Area 92 through their direct and Pink Can efforts. Area 92 supports with Grapevine subscriptions and any requests for Big Books, 12 x 12 or Daily Reflections and so on. Area 92 also supports by disseminating flyers for volunteer needs to help bring the message to their meetings. WSP is active with workshop and speaker events during the year which rely heavily on volunteer and outside support.

A Column to Inform and Encourage

Continued

One important thing to remember when it comes to on-site meetings, there is an extremely important relationship that needs to be established and maintained between the correctional professional who oversees community engagement (Community Partnership Program Coordinator or CPPC) and the core AA member, usually the Volunteer Coordinator. Often, this relationship will last for years when nurtured.

However, if the facilities CPPC person feels AA is not need or wanted, then we do not get in, nor sometimes even get literature in. As District Corrections Chairs, these are the persons they serve. AA Volunteers and their Coordinator do not have "rotations" or "terms", they have ***passion***, and most have been doing this AA work for many years. As Area and Districts, we do not govern, manage, or have any authority over these activities, we support them in their efforts. If you would be interested in being one of these persons with *passion* and help support the Washington State Penitentiary facility, please reach out and contact District 9 or Area 92's Corrections Chair to get the process started. It is Service you won't regret!
