WELCOME TO PANEL 76

DELEGATE

We had a great October Assembly, marked by a very encouraging start to our Area's inventory and the approval of a three-year trial for a virtual July Quarterly. As we begin this trial, we should consider how we will measure its results. While the savings to the Area budget are already a known factor, we will want to evaluate two main questions: Did district and group contributions increase, or were those travel savings redirected to other fellowship events? Most importantly, was Area business effectively accomplished in the virtual format?

Looking ahead, I have one Report Back scheduled in January at the Washington State Penitentiary. If your district would like to schedule a Report Back, please let me know.

Preparation for the 77th General Service Conference (GSC) is also officially underway. Here is our upcoming timeline and key milestones to help keep our Area informed:

- Now: **Review the Proposed Agenda Items (PAI) Status Grid (updated as of early October)** and begin forming **Area Committees for GSC agenda items**.
- February 2027: Final GSC Agenda and background information released.
- March 5, 2027: **PRAASA (Pacific Region Alcoholics Anonymous Service Assembly).**
- March 20, 2027: Area committees finish reviewing and summarizing background material to communicate their views. We will also schedule in-person and online agenda reviews around this time to help prepare the Area.
- April 2, 2027: Pre-Conference Assembly in Richland for our Area discussion on the GSC agenda.
- April 11, 2027: 77th General Service Conference begins.

See you at the January Quarterly in Pasco or at some gratitude event this month

Don't miss the new section: Q&A with the Past Delegates

CHAIR

November Gratitude Month. Everyone reading this article has one common reason for being grateful: we're sober today. While we're not usually a crowd that mix's, we've banded together for a common goal that is sobriety. My brother sobered up in a treatment center that led me to treatment. The young people there sealed the deal for me. They showed me that we're never too late to support each other. Hence the reason I am forever grateful.

Thanks to District 3 for an amazing event. They kept us caffeinated and hydrated. Thanks for allowing business to spill into Sunday for our DCM Reports. One of many memorable parts about the October assembly was every time I asked a question of the committee I received, we can do that. Or let me get back to you on that.

One thing that I continue to see is that the committees are truly working together, growing together and showing others how it works. Thank you.

The October Inventory has sparked changes and thoughts and plans of action all around the area. I'm excited to get our Inventory report back from the committee. The facilitation was outstanding. This format was beautiful, with each committee member guiding us through the process. We eagerly await your report.

I watched several people get ignited and reignited into service. This is so magical to witness.

The Elected committee is meeting to prepare for the January Quarterly in Pasco so get your registration in early.

The DCM and Alt DCM meeting will have a special presentation by Past Delegate Dolores E. November 23, 2026, watch for the reminder email and attached agenda.

It's never too late to or too soon to get into service and carry the message of hope to others. Thank you all for allowing me to be of service to you and all of Area 92. Let's continue to keep our hands out and be of service to those in need.

ALT-DELEGATE

Wow! What a turn out at the October Inventory Assembly. Thank you to Lisa G. and her committee. The inventory was thought provoking and there was great discussion on the topics. I look forward to seeing their report. Also, a big shout out to District 3 and the host committee. I know all the hard work that they put into the assembly. I love watching groups come together to host slots for the hospitality room and help on the committee. AA is amazing in Spokane. I might be biased. I am heading to Yakima this weekend for a GSR school. Remember if you would like me to come and visit your group or district I would love to. I will be traveling with Dan to San Diego the first weekend of December for the Regional Forum. I am excited to see what GSO has in store for us and to see my Regional counterparts.
Hope you all have a wonderful month.

Blessed to be of service.

ALT-CHAIR

Hello Area 92 - I am already excited for our upcoming January Quarterly hosted by District 24. Our October Assembly went smoothly. It was like coming home to family (that I like) as well as informative, fun, business of course, and spiritual.

The How to Host meeting held every 3rd Wednesday on goggle-meet has new members joining while older ones go on to other things. Our newest members are for the 2028 October Inventory Assembly from District 15 and 17. Upcoming in January we will ask for bids for the January Quarterly of 2028 so now is the time to be open and willing for discussion with your districts.

Nine months into this rotation I feel more calm, more joy, and a better understanding of an alt-chair's position. I look forward to continuing to learn and growing both personally and in our third legacy. There is really strong experience, strength, and hope in our area to seek out and for that I am grateful!

In Love and Service, Lorri T ~ Alt-Chair ~ Area 92 ~ Panel 76

TREASURER

Greetings Area 92, fellow members, trusted servants, and past delegates. Praying all of you are having a fine start to your November, and that you all remembered to turn your clocks back. It is still my honor to serve you as Area 92 Panel 76 Treasurer.

1. October Assembly Highlights

I am reporting on the October Assembly, which was held at the Ramada Inn in Spokane. It was a great event—the host committee did a fabulous job and everything was wonderful in my opinion.

2. Financial Motions & Cost-Saving Measures

The body and all of our area passed a motion for cost-saving measures. I'll repeat that: cost-saving measures, so moving forward our July quarterly will be online only. Some of you may have PTSD over our covid era, but it is an effort to cut costs temporarily. This motion is, in my opinion, a catalyst to help bring contributions up to a financial level of true 7th Tradition. This motion is not about saving money—I'll say that again, it's not about saving money, it's about cutting costs.

3. Statement of Activity & Financial Status

In this month's report, I've included our Statement of Activity from January to the end of October. I can tell you that we will be able to pay our bills through the end of the year and get started in January for our quarterly down in Pasco.

Financial Metric / Expense Item	Amount / Status
Ending Bank Balance (End of October)	$20,784.71
Upcoming Standard Expenses	Delegate travel reimbursements, Archive storage rent, Mailing expenses
Translation Equipment Upgrade	Budgeted for purchase (Current equipment is out dated)

To some of you, $20,784.71 might seem like a large number, but we still have two months of area expenses plus reimbursements for delegate travel, archive storage rent, and mailing expenses.

4. Translation Equipment

We will incur an expense for translation as they need some new equipment. The equipment they're using today is outdated. Technology will need some new equipment as well, and they are within their budget to purchase this equipment.

5. Upcoming Events & Fall/Winter Priorities

- Regional Forum: I will be attending the Forum in San Diego this December. I am looking forward to that as it will be my first forum.
- 2027 Budget & Audit: During November and December, I will be working on the budget for 2027 as well as the compilation of 2026 audit materials.

Once again, thank you for letting me be of service to Area 92 as your Panel 76 Treasurer. You can always contact me on my cell phone at **509-670-8860** and of course email treasurer@area92aa.org

Always in love and service,

ALT-TREASURER

Greetings Area 92,

I'm still carrying all the good energy from our Inventory Assembly last weekend! It was wonderful to see so many people attending, both in person and online. I especially enjoyed the fellowship!

A special thank-you to District 3 for hosting such a great event. I particularly enjoyed Friday night's panel, the Ask-It Basket, and the hospitality room!

Our October contributions were back on track, totaling $5,898.28, with three new groups contributing that had not made contributions in more than five years! This is so encouraging to see.

I had the pleasure of connecting with all three groups. One connection led to a wonderful conversation with the group treasurer. These conversations reminded me that a contribution is more than a financial transaction. It's also an opportunity to connect, share experience, and welcome groups into greater participation in Area service.

Our Carry the Message Contribution Challenge remains very much on our minds. Our recent inventory reaffirmed our fellowship's desire to encourage and develop future trusted servants.

I'm excited to see where we go from here and what our next steps will be as an Area!

Thank you for all your contributions, your time, and your commitment to supporting our Primary Purpose.

Yours in service,

Lisa S. Alt-Treasurer

CORRECTIONS

Alcoholics Anonymous page 451, “The rewards of sobriety are bountiful and as progressive as the disease they counteract.”

Gratitude is a verb, a word of action. To feel gratitude is to be released from a living hell of drunkenness, misery and despair. The act of gratitude is the hand of A.A. always to be there. The big book on page 77 states “Our real purpose is to fit ourselves to be of maximum service to God and the people about us.”

To see men and women in jail and prison; break the chains of addiction to ethyl alcohol. To find a life worth living and pass it on. To hear the incarcerated take another through the steps. To see the peace of God within the eyes of those “free on the inside” even though “stuck behind the cellblock bars”.

We have many dedicated volunteers going into our local jails and prisons; carrying the message to save lives. Saving the lives of others and saving ourselves through service.

A.A. doesn’t promise a life without difficulties, nor does it promise riches. Instead we are promised a life where we can be happy, joyous and free. The happiness, joy and freedom is inside each of us and volunteers serving in corrections take behind the walls a spark of all three and give hope to all they encounter.

Area 92 has many dedicated volunteers; those going behind the walls and those helping from the outside. Each volunteer is making a difference.

Gratitude

WSEA 92 Archives Chair Report
November 2026
Hola!
First, “thank you” to our Assembly hosts. Well done.

October brought some wonderful opportunities to share and preserve our Area 92 history. At the October Inventory Assembly, we had the pleasure of creating an Archives display.

I participated in the Standing Committee Chairs meeting, where we discussed plans for the March Agenda Item Workshop.

I also attended the National Archives Forum and our monthly Archives meeting. We had meaningful conversations about oral histories, anonymity, AI, and technology in preserving our history. We continue to welcome new participants.

Area 92 Archives will be attending PRAASA! It was recommended I research Harry the Wino, also known as Harry V., and his lineage of service connections to both areas and California (Pacific Region). Harry V., better known as Harry the Wino, served as District 10 (Ellensburg) Archivist. Stay tuned! Any personal experience with Harry V.? Contact me please at: archives-chair@area92aa.org

Looking ahead, we are refreshing our Archivist Motion for 2027 January Quarterly.
We hope to present our revised Area 92 Website Archives Project in 2027. What’s new? Easy access to resources for WSEA 92 Archives research.

Lastly, the ASC are planning for the Pacific Northwest Regional Archives Workshop. This is a rotational hands on and hybrid workshop since 2008 involving Area 58, 92 and 72. It’s our turn to host! We’ll keep you posted!

Stay Archives ready. Share the Resources!

Hello Area 92

I had a wonderful time at the October Assembly. It is always such a spiritual experience. Thank you to District 3 for hosting. I loved using the voting app and hope that that will continue to serve our area.

I have added more subscribers, taking the total to 390. WOW! I am grateful to serve in this position and send out the voices of the Area. This month I am starting a Past Delegate feature.
I sent out questions to all the Past Delegates and I am featuring two of this in this issue. The Past Delegates have a wealth of knowledge and memories of our area that are so fun to read!

Thank you all for your ongoing support, your flyer submissions, and for allowing me to serve! - Jennifer

CPC

Hello Area 92, happy Turkey month.
Glad to be sober so I can enjoy the holidays and remember them too. I was reminded by Ken from dist.17 that reaching out doesn't have to involve big presentations or luncheons. Simply contacting safety officers or human resource people and giving them a pamphlet or two and some printed schedules can be a start. Where I live in the lower valley contacting warehouses and fruit plants is where I am starting. My dist. (11) doesn't have a PI/CPC person so I am working on it myself. If you have any questions or want to chat, contact me thru email at CPC@area92aa.org or call my cell # 206-227-1813

Hello everybody! It was great seeing everyone in person at the October Inventory Assembly last month! I would say that it was a success. I enjoyed the digital voting that was presented, I believe this will be a great thing for our Area.

It's been quiet for the committee, I have one district P.I. chair that meets with me regularly every month and he is doing great things with his position. With that, I am asking the DCM'S that if they have a District or Group PI to please have them contact me and join our committee. Thank you for your service.

TECHNOLOGY

Greetings Area 92 Friends!

A huge shout out to Cari and the rest of the District 3 Host Committee for putting on a wonderful event. It's a lot of hard work, but it is a tremendous amount of fun as well. I hope the committee is proud of the work they did!

I would also like to give a huge and heartfelt thank you to the entire Area 92 body! Your open-mindedness and willingness to learn and use the online voting app for our October Inventory Assembly was amazing. All of the feedback we have received has been positive and after a few little technical issues, the voting went better than we could have expected. We'll take the feedback we received and hopefully have a better and faster version for you at the January Quarterly in Pasco!

Speaking of Pasco, the Technology Committee is excited to be bringing some additional tech equipment to the January Quarterly. We've acquired an upgraded video switchboard and a second PTZ camera to help provide a split screen for documents and our timing clocks. We hope these will further enhance both the online and in-person experience.

The Technology Committee meets virtually every other Thursday at 7:00 PM on Google Meet, with days off for Thanksgiving and Christmas Eve. If you are interested in attending a Tech Committee meeting, please send an email to support@area92aa.org to get a meeting invite.

TRANSLATION

Greetings Area 92 members
I would like to start out by saying I had an outstanding time at the October Assembly. The few linguistic members has the privilege of trying out something new headsets that were purchased last month, got good feedback that they were able to hear a lot better, so that was good news. Also had the privilege of chairing the Friday night standing committee speakers. Chaired the monthly meeting this month for our Area standing committee members. Thank you for allowing me to serve as you Area Translation Chair.

GRAPEVINE & LITERATURE

September and October have been busy months for literature, with the District 15 Roundup and October Assembly providing opportunities to get books into members' hands and hear what groups need. Thank you to everyone who stopped by the literature table, purchased books, or shared questions and suggestions.

Several familiar titles sold out at Assembly, including hardcover Big Books and both hardcover and regular-print softcover Twelve Steps and Twelve Traditions. I have placed the literature reorder to replenish our stock. We also received requests for Spanish-language literature and General Service Conference Reports. Please continue to let me know about your group's or district's literature needs.

Our Literature Committee meetings are scheduled for the first Thursday of each month at 7 p.m. All interested members are welcome. I would like these meetings to be a place to share ideas about making literature more available and useful in our groups and districts.

I have also moved from Palouse to Chattaroy and am now closer to Spokane-area districts. Please reach out if you would like to discuss literature needs or having literature available at an upcoming event. Thank you for the opportunity to serve.

In fellowship,

SELF-SUPPORT

A.A.'s Seventh Tradition states: "Every A.A. group ought to be fully self-supporting, declining outside contributions." This means that only A.A. members contribute financially to A.A. – and even A.A. members are limited in the amount they can contribute. This keeps A.A. free of outside influences that might divert us from our primary purpose - to help the alcoholic who still suffers. The amount of the contribution is secondary to the spiritual connection that unites all groups around the world.

PANEL 76

Delegate Q&A

A Conversation with the Delegates

We will be highlighting two Delegates a month in this feature article. Each Delegate was asked a series of questions. Here are their answers.

Mike Mc.

What Panel did you serve?
Panel 54

What was your biggest takeaway or personal growth from attending the General Service Conference?
An awareness of how small I was. I always knew we were only a small part of a larger whole. But to be there and really understand that what we were doing was indeed for all of AA as a whole. It is such a humbling experience and one that taught me among other things, the humility that I really needed. To really understand the committee system and the tradition of the conference.

Looking back at your rotation as Area Delegate, what was most rewarding experience?
I don't think I could single out any one experience. However my first conference was for sure the most rewarding. I will never forget the feeling I had walking into the conference room or sneaking into the conference room prior to the conference starting. Being elected to chair my committee and going to the January Board meeting.Or maybe it was Jeff and I co-hosting PRAASA it might have been working with general service office staff on the forum in Spokane. Meeting Dr. Valiant and Elaine McDowell and all the other class A trustees.

What single piece of advice would you offer to current and incoming Area Delegates?
Don't take yourself too damn seriously. Allow yourself to have fun. Take it all in. It'll be over soon enough. Ask for help when you need it

What was the most fun time you had in your time of Service to WSEA 92?
All of it. Every position had its own. Today when we (the pasts) get together we can laugh at all the fun we had as we grew up in service. Several of us started as GSRs and virtually grew up in service together. We traveled together, laughed and cried together.

What resource or experience was the most helpful for you in your role as Delegate?
There are many members who have put their lives into service and have been there for all of us we have some of those in Area 92. GSO Staff, all of the Standing committee chairs, Pacific Region Delegates, and Service Sponsors. The list is long.

We have some Past Delegates that are no longer with us or have moved away, can you tell me a little about them?
Each and every one of them contributed to my growth and my love of area 92. Beginning with Ben B. Seems a long time ago but yet it wasn't. Each of them gave me something I can't really describe whether they served before or after.

What else would you like to add?
I know that if I did my job correctly, I represented all of AA from the smallest group in Area 92 to a group in Nova Scotia or Louisiana or California wherever it might be. To serve as a whole is the purpose and responsibility. And that nothing that happened at my conference could not be undone. Remember that it all started with the very first time you said I'm available.

Delegate Q&A

A Conversation with the Delegates

We will be highlighting two Delegates a month in this feature article. Each Delegate was asked a series of questions. Here are their answers.

Dave Mc.

What Panel did you serve?
56

What was your biggest takeaway or personal growth from attending the General Service Conference?
One of my biggest takeaways was the amount of work the staff at GSO put in to make sure each committee had everything they needed to do their work.

Looking back at your rotation as Area Delegate, what was the most rewarding experience?
It was August, the first year of my rotation. I had a delegate report scheduled in District 18. It was hot, I was tired, I really did not feel like doing it. When I got there they had a potluck and a district meeting before the report. There were around 15 members that stayed for the report. By that time I had my energy back and was able to give an enthusiastic report. The members picked up on my enthusiasm and we had a great time. I remember driving home up the blue mountains full of gratitude for the fellowship I had just experienced.

What single piece of advice would you offer to current and incoming Area Delegates?
Before I left for my first conference my service sponsor told me when I got there to find someone that looked as scared as me to shake their hand and introduce myself. I did and it broke the ice and I was no longer alone in a room of people. It made me feel connected.

What was the most fun time you had in your time of Service to WSEA 92?
It was at a Regional Forum in Portland Oregon. Previously I was asked to send the Forum secretary a discussion topic for the breakout time. I don't remember what topic I sent. I was asked to chair that discussion. I was instructed to pick a secretary and a translator to assist. I asked Jamie S. To be the secretary and Leo Reyes (at that time Area 92 Translation Chair) to translate. Leo and I had experience working together in the form where when someone is speaking we would do it a short bit at a time. The room was full and there were a lot of Hispanic members there. Leo and I got rolling and the whole discussion became a lot of fun. After it was over a couple of young Hispanic women came up to me and told me they thought it would be boring. They said they were wrong, it was really fun.

What resource or experience was the most helpful for you in your role as Delegate?
Past Delegates from Area 92 and Area 72. They shared their experience and told me the things to look for at the conference and the things to focus on. It was invaluable and I am grateful to this day for the experience they shared with me.

We have some Past Delegates that are no longer with us or have moved away, can you tell me a little about them?
Ben B. was Area 92's first delegate. He was Panel 46. Ben was a great leader and friend. I was a DCM at that time. He has since passed away. Ginger was my service sponsor for years. She was panel 48. She lives in Mesa Arizona and we are still in touch. Rusty was Panel 50 and he lives in Texas, we stay in touch from time to time. Jeff lives in Florida. I keep up with him and his fishing adventures on Facebook. They are all great servants to AA and I learned a great deal from them

What else would you like to add?
I would like to add that it was a privilege to serve Area 92 as a delegate and now Past Delegate. It was the experience of a lifetime.

Great lessons learned at the WSEA 92 2026 Fall Inventory. Thank you to our host committees for doing such a great job. It's a wonderful opportunity to grow by speaking up, listening, learning, and coming to common ground for our fellowship's future. And a special thanks to our 8 GSR's who made it to the assembly: Beth, Sheryl, James, Andy, Kevin V., Mac, Hoppy, and Rebecca, not to forget our spiritual instigator Paul (D4 Treasurer).

- Time for District elections. Our alignment with Area 92 committee structure will proceed after more group input.
- Our Gratitude Banquet is planned for November 14th, and tickets are selling rapidly.
- 2027 Preconference hosting committee is getting great support from our groups.

Wishing you all a beautiful fall!
Kevin M, DCM4

DISTRICT 5

Hello from District 5...in beautiful Wenatchee Valley.
It's hard to believe that it has been almost a year into this rotation. Hope everyone is healthy and stays that way through the rest of this season.
The Assembly was so fun. I rode with 2 other friends and the conversation was hearty with the two of us women. These are great opportunities to get to know one another better. So fun! Our driver was awesome and he sometimes got a word in. lol! Lots of laughs were had by all of us.
We really enjoyed the online voting process and sometimes it was hard to listen during the discussion part of the motions. But all in all we got lots of business taken care of and had fun.
We really want to see more participation with our GSR's in District 5 at the Area service functions! I know excitement breeds excitement.
I also attended and enjoyed the DCM roundtable with Ash chairing. It was about joy in service. I love the word joy! The sharing of experience in the room brought lots of ideas.
GSR and DCM reports were very informative to hear what other Districts are doing.
District 5 is hoping to join District 12 for a GSR Workshop soon. We are also wanting to host a Sponsorship Workshop after the New year. Lots to look forward to!
Yours in Love and Service,

DISTRICT 12

Greetings Area 92,
Another month gone and we all find ourselves in the month of Gratitude.

District 12 is all primed for its annual Gratitude Banquet. Once Again it is being held at the Old Flour Mill in Okanogan on November 7. Doors open at 3pm. All are welcome. Diana M will be the Speaker. Turkey and ham are provided. For more details please see the flyer which is easily found at the district website, d12.area92aa.org

As District 12 is a physically large district with many diverse groups, we typically move our monthly meetings around the district, with any and all groups who wish to, having a chance to host. However the past several winters we have gone to meetings on-line or hybridly. This winter will be the same. Starting in December we will be meeting on Google Meets. Previously we had been using Zoom, however we changed to the Google platform last January.

Birthdays for the month of November include: Tish with 29 years. Rob N. 37 years., Joe 13 years, Steve D 9 years, Brittney W. 2 years. Chris N. 3 years, Jenny B. 32 years, Lindsey 10 years, Mark 4 years., and Mary H. 7 years. Special mention for Jim K who will be celebrating 50 years on Nov 20 at the rock church at 5pm.

DISTRICT 17

District 17 is actively involved in providing essential information from Area92 and GSO to all the groups in the District. This includes having monthly meetings with an average attendance of about 25 District Officers, Committee Chairs and GSR's. Many of our District Officers and GSR's attended and participated in the October Assembly.

District 17 is gearing up towards another exciting November and the Annual Central Office Gratitude Banquet. District 17 will also be hosting a HallowGiveMas Party at the Spokane Alano Club on Saturday Nov 21st from 2 - 5. Not sure what a HallowGiveMas Party is? Not to worry not many are. It is a combined Halloween, Thanksgiving, and Christmas party with Costumes, White Elephant gift exchange and Potluck style Turkey dinner.

As always we could use more volunteers in our efforts to take an AA meeting into Eastern State Hospital. The meeting is every Thursday from 2:30 - 3:30, outside AA members need to have prior approval from Eastern State Hospital to attend. If you are interested in helping with this service opportunity please reach out to me, Dave W. at 509-830-0245.

Central Office will be electing the following positions at their Nov. 24th meeting: Board Positions for election: President / Vice-President / Secretary /Trustee 2: Dist. 3 / Trustee 4: Dist. 17 / 12-step Call Coordinator / Volunteer Coordinator / Newsletter Editor. Anyone interested needs to attend the Nov meeting. Zoom access info is available on the Nov. Newsletter which is accessible at aaspokane.org.

Yours in Service,

Dave W.

Keys to Corrections

A Column to Inform and Encourage

Welcome to the first installment of what we hope to be a long running column of informative, encouraging, and inspirational topics from the wonderful world of service in AA Corrections. We welcome you to the... **Keys to Corrections!**

Our lead off topic is a service that anyone in our Fellowship can step up and do. It is low hours, free, based on your own time schedule, highly rewarding, and a big impact to those in need. It is our General Service Office coordinated **Corrections Correspondence Service!** This program simply stated, is basically a type of "pen-pal" correspondence. Or maybe in today's age, a "key-board" or smart phone "thumbs-action" activity!

The latest revision Corrections Handbook M-45I states that; *"The G.S.O. corrections desk receives approximately 80 letters a week from individuals in detention who wish to receive A.A. literature, A.A. contacts, temporary sponsorship, and correspondence with A.A.s on the outside... the Corrections Correspondence Service allows inside A.A.s to correspond with outside A.A.s on an individual bases."*

Our A.A. Guidelines for Corrections Committees MG-06 informs that; *"The Corrections Correspondence Service (C.C.S.), coordinated through G.S.O., across the U.S. and Canada offers a rewarding opportunity for "A.A.s on the outside" to share experience, strength, and hope with incarcerated alcoholics from another region. Helpful guidelines are available to outsiders in form F-26."*

Form F-26 goes on to say; *"Having prison experience is not a prerequisite – sobriety in A.A. is. People in custody are more interested in learning how we got and stayed sober through A.A.'s Twelve Steps, rather than hearing about time we may have spent in prison."* The C.C.S. program is detailed and outlined on this form, and on the other side is the actual "Correspondence Form" that the outside A.A. Member can fill out, mail to G.S.O., and be assigned an incarcerated inside A.A. Member to share Sobriety with. Talk about being the ***Hand of AA!!*** Check out the F-26 today on our Area 92 website at:
